Action Taken Report on meeting held on 24/01/2025

The committee proposed organizing a program on National Girl Child Day by the Department of Student Development Cell at Ajeenkya DY Patil School of Engineering, Pune, as part of the academic year 2024–25 initiatives. The session is intended for girl students to promote awareness about key areas such as education, healthcare, safety, and equal opportunities. The goal is to inspire and empower young girls to achieve their full potential. Emphasis will be placed on the role of girl child well-being in driving positive societal change, reducing gender disparities, and supporting sustainable development. Preparations for the program have been initiated, and responsibilities have been delegated to the respective team members.

Dr. Bhagyashree Dhakulkar
Chairman
Women Empowerment Cell
