DYPSOE Policy for Differently Abled Students

Objectives -

To create awareness about the capabilities of differently-abled persons, constructing facilities aimed at improving accessibility and in accordance to this the college will follow certain practices to support Divyangjan (Differently abled) persons.

Measures: The institute has developed a number of measures in order

1. To provide equal opportunities, protection of human rights and active participation of students and staff with disabilities.
2. To provide guidance and counseling to them.
3. To create awareness about the needs of differently-abled persons, and other general issues concerning their learning.
4. To assist differently-abled graduates to gain successful employment in the public as well as private sectors.
5. To ensure the awareness programs for all the teachers and non-teaching staff regarding the issues of accessibility
6. To facilitate admission of differently-abled persons in various courses.
7. To ensure the representation of all the types of disabilities listed in Rights of Persons with Disabilities 2016 and as per government regulations from time to time.
8. To assess the educational needs of persons with disabilities enrolled in the higher education.

Infrastructure Facilities:

All existing structures as well as future construction projects in the campus will be made disabled friendly. Special facilities such as wheel chairs, ramps, rails and special toilets will be made to suit the special needs of differently-abled persons.
