## INTRODUCTION

Dr. D Y Patil School of Engineering Library has always been striving hard to meet the expectations of its users. There has been a long felt need to bring clarity and uniformity in procedures and practices of the library and resource center so as to further improve its efficiency, utility and services. The manual touches upon all important functional modules of the library and delineates a clear policy about carrying out the different activities of the library smoothly without any ambiguity. i. e. collection development, provision of information services, management of other academic support facilities etc.

## VISION & MISSION STATEMENT

### ❑ VISION

‘To provide resources and services in a variety to meet the needs of individuals and groups for quality technical education empowerment.’

### ❑ MISSION

- To cater the information needs of students in all possible ways.
- To provide solution based qualitative library services to the students.
- To enrich the library resources which will help students to excel in their professional life
- Motivate students to read in order to enhance their technical skills and competencies.

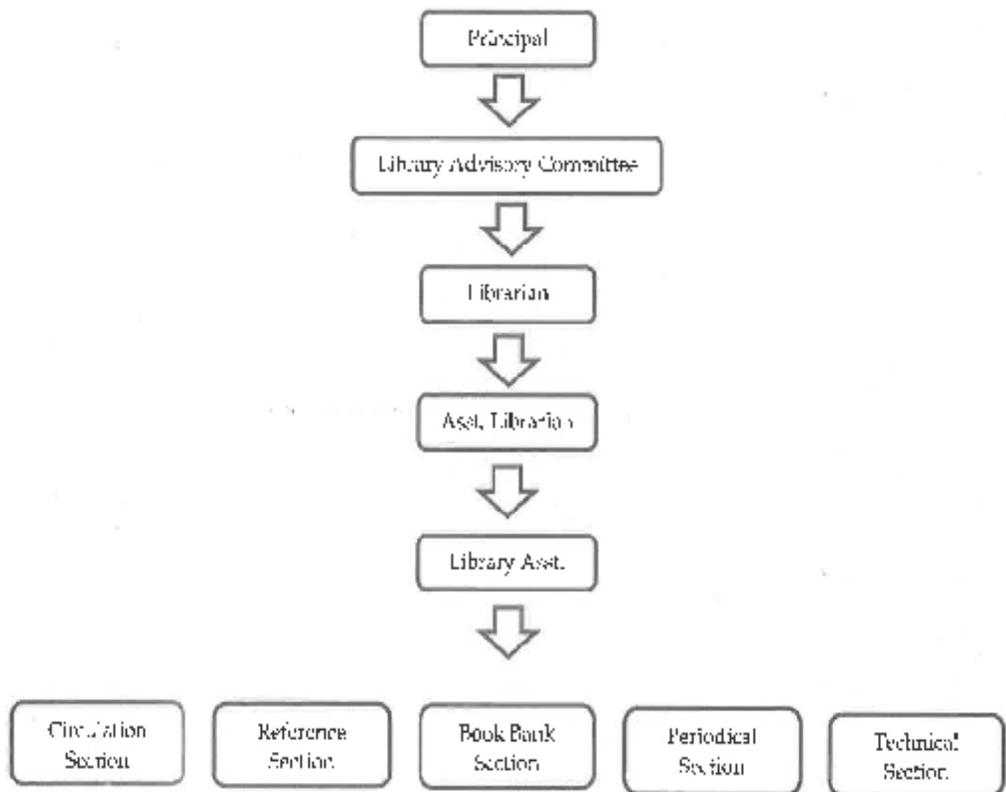

### 3. ROLE OF LIBRARY

Library plays a very vital role in supporting the academic programmes of the institute. It identifies, evaluates, procures, processes and then makes these learning resources available to the faculty and students for their teaching, learning and research assignments. That is why Dr. S. R. Ranganathan, father of Library Science Development in India has famously said that the Library is the trinity of Learning Resources, Faculty/Students and the Library Staff.

## Organizational Chart

### Knowledge Resource Center

## 1. LIBRARY ADVISORY COMMITTEE (LAC)

The function of the Library Advisory Committee is to support the functioning of the library in all areas of library administration. It facilitates the library development plans by advocating the library development activities. The Library Advisory Committee (LAC) is constituted by the Principal of the Institution. It plays a vital role in forming the policies, rules and regulations and in implementing those in a proper manner in order to safeguard the interests of all the users. The constitution and functions of the Committee members are as follows

### 1.1 Constitution of the Library Advisory Committee

- **Chairman:** Principal of the Institute.
- **Members:** All HOD's, IQAC coordinator, T&P Officer, student's representative
- **Secretary:** Librarian shall be the Member Secretary of LAC.

The committee shall meet at least twice in a year to review the library affairs (one meeting per Semester).

1. The tenure of the faculty members on the committee shall not exceed three years.
2. The Principal can recommend a replacement for a member who withdraws from the LAC.
3. Student members shall serve on the committee for three years only.

### 1.2 Functions of the Library Advisory Committee

- To record the minutes for every meeting and circulate it to all the members for consideration. The minutes will be confirmed by all the members in the next meeting.
- To provide general direction to the library.
- To review the functioning of the library to ensure its adaptability and innovativeness.
- To advise the library on matters of policy related to development of library.
- To outline the library collection development policy as and when required, for its implementation.
- To monitor and evaluate, from time to time, trends and developments in information technologies, networking, library automation, etc. and to direct the library in their adoption.
- To suggest ways and means to generate revenue from library resources.

- To formulate action plan for the development of library infrastructure, facilities, products and services.
- Evaluate the suggestions made by the library users.
- To formulate the policy for library use and procedure to be framed.
- To assist library in providing need based information services.
- To review the requirements of the new programs being introduced by the institute and discuss various aspects regarding that.
- Recommend the information resources both print and e-versions to enrich the library collection.
- Lay down guidelines to maintain proper decorum in the library.

## 2. COLLECTION DEVELOPMENT POLICY

- Library makes a systematic effort in building up the library collection.
- Collection development policy takes into account different factors i. e. library's users, curriculum, space, technology and supporting equipment, etc.
- Library material to be selected to support the curriculum based learning and research of the students and the faculty.
- Library is committed to provide access to the information in print as well as digital format.
- Updating of older editions and replacement of lost materials is essential.
- Materials related to courses but not requested by faculty.

- Types of material to be collected will include: books, e-books, print Journals, e-Journals, CD-ROMS, DVD, Audio CD and Packaged Digital Collections (Databases), etc.

### 3. ACQUISITION

The print material is to be purchased from the most reliable and efficient sources and made available to faculty members and students for their study and research purpose.

#### 3.1 Budget Allocation

- A yearly budget statement is prepared by the Librarian in consultation with the Library Advisory Committee.
- The budget is utilized to purchase the library material at the beginning of each academic year with consultation of Library Advisory Committee. The AICTE norms & Syllabus of SPPU are taken into account while purchasing the books and subscribing the periodicals etc.
- Both previous year's budget and the current year's priorities are taken into account while utilizing the budget.

The annual budget of the library has the following components:

- Print resources
- Non-print resources
- Equipment's
- Stationary
- Subscription / Membership charges
- Furniture
- AMC of library software, if any
- Printing
- Event / activity conduction & participation
- Maintenance

#### 3.2 Ordering Items

- Faculty members can recommend the books to be procured for their courses.
- Students can also give their recommendations for the books.

- Faculty & students can recommend the books & journals via Google form which is linked to library webpage (the tab name is Recommendations) & they can enter the details physically in the recommendation muster.
- Before ordering care is taken to avoid duplication of books.
- Acquisition of books is made mostly through local vendors, online vendors like Amazon and Flip cart, catalogues, publisher lists and book fairs/ exhibition.
- Vendors are selected based on their discount rates and performance i. e. Response to the queries, speed of supply, adherence to the terms and conditions and the discounts they offer.
- Purchase Orders will be issued by the central Store In charge after Principals approval.
- The ordering can be done by print, online, e-mail, phone etc. depending upon the convenience of the central store with standard terms and conditions.
- Invoices are first verified, approved and processed after being audited and signed by the librarian.
- Copies of invoices are kept in the Bills File in the library.

### 3.3 Receiving and Processing Items

- Books received from suppliers/vendors are compared with the order list.
- The received books checked by the library assistants & library attendants thoroughly.
- The supplier is notified about any wrong or missing, damage items.
- Stamping – Library Stamp to be put on the Title page, on Secret page and on the Last page, spine.
- Pasting of due date slip & book pockets by the library attendants.
- Bar Codes generated in Library Software for all individual items and Barcode labels are pasted on the Cover page & title page of the books and laminated it with transference labels.
- Book cards are prepared for each individual item.
- Numbering stamp used for stamping on first page, title page, secret page & last page.

### 3.4 Accessioning

- The bills are verified in terms of the number of books and the amount to be paid to the vendor.

- The details of the Invoice and Books are entered into Accession Register in the order of their bills.
- Unique accession numbers are assigned to the books.
- Accession number is recorded on the title page of the book.

### 3.5 Classification

- Books are classified as per the Dewey decimal classification scheme 23<sup>rd</sup> edition (DDC) System.
- The computer generated Class No. label is pasted on the spine of the book.

### 3.6 Cataloguing

- Data entry of all new books in the KOHA library management software.
- Other bibliographical details of the book are obtained from KOHA upon entering the Class Number into software.
- The bibliographical details of each book are according to AACR2 Standards. It is the inbuilt arrangement in the software.

### 3.7 New Arrivals

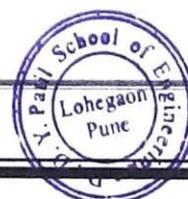

- Received every new title will be displayed on notice board as a new arrival.
- The same new titles / books cover page can be scanned and keep on the library webpage with link of a tab New Arrivals.

### 3.8 Shelving

After all processing the books are sent to the appropriate racks (Reference Section or Reserve Shelf) for shelving.

### 3.9 Terms and conditions for Vendors

- Supply of publications at current catalogue prices.
- The prices have been correctly charged in accordance with the publisher's latest catalogue.

- Unless otherwise mentioned on the books, all bills to carry the price proof (like photocopy of publisher's catalogue, print out from publisher's online catalogue, distributor's invoice to the vendor etc.).
- The Purchase Order issued will be valid for only 30 days unless otherwise mentioned.

#### 4. SUBSCRIPTIONS OF SERIALS AND E-RESOURCES

##### 4.1 Print Journals

- The selection of the serials is primarily made by the faculty. Recommendations may also be made by the librarian.
- The subscriptions are placed through the services of well-established agents.
- Supply of periodicals at current catalogue prices.
- Sign an agreement with the vendors in case of Foreign Journals.
- Wherever advance payment is required, the same may be made and a record there hold be maintained.
- Library should not subscribe journals against 'personal subscriptions'. However, Journals received against institutional membership are acceptable.
- Journals subscription payments could be made (a) directly to the publisher or (b) through the subscription agent(s)/ vendor(s).
- Missing issues: Replace original missing issues or publishers certified and reproduced copy or extend the subscription period equivalent to corresponding period or refund either in the form of credit note, Demand Draft or Cheque.
- Claims: Missing issues/delayed supply of the journal issues can be claimed on quarterly basis.
- Online access: Negotiate with the publishers/vendors and arrive at win-win situation regarding electronic version of the print subscriptions and get access to such materials.
- Try to enforce terms to the publishers/vendors in form of the pricing, access to the back volumes, locking period, perpetual access, archival rights, governing laws, training and awareness programmes, immunity, access to the walk-in-users, usage statistics, simultaneous access, etc.
- Place orders after negotiating on mutually benefiting terms and conditions.
- Trial Access: Many a times publishers propose for trial access to their respective journals collections which can be made accessible through the Institute's IP numbers to supplement the existing journals collection whenever possible.

## 4.2 Ordering journals

- Priority list is prepared with the approval of library advisory committee & concern departmental heads.
- Compilation various recommended periodicals by the faculty in one list
- Send the same list to minimum three vendors for quotation & supply
- Comparison of quotation & discount rates with terms and conditions
- Selection of one vendor on the basis of cost, capability on timely delivery, etc.
- Make purchase order of the periodicals by the central store.
- Budget and estimate is made based on the costs and currency conversion.
- The order is placed from available options as indicated in terms and conditions.
- Payment is made against the original and proper invoice/bill/renewal notice etc.

## 4.3 Receipt of and access to the periodicals

### Check-in system

- Ensure that the items received are as per the order/ access is enabled to the desired resource
- Manual and computerized record of receipts of the journal issues
- Article/s entry (Article Indexing) into the library Software.
- Timely display of the Loose Issues of the periodicals on the respective display notice boards & on the library web page.
- Accompanying materials such as CDs/DVDs etc. are being preserved in the Library.

## 4.4 Procurement of E-Resources

Electronic Resources include electronic journals, online databases, data sets, bibliographic databases, indexing/abstracting databases, software tools for research, eBooks, or any information resource that is available in electronic form.

## 4.5 Pricing Models

There exist many pricing models. We can adopt the model depending on various factors like suitability for different programmes, research area, relevance to different campuses and on usage analysis if it is a renewal.

- Annual Subscription: Access to content is available for only one calendar year
- Perpetual Access: Access to content is available for the year that we are subscribing.

#### 4.6 Negotiation

Negotiation plays a vital role in deciding the pricing factors. One can enforce terms to the publishers/vendors in form of the pricing, access to the back volumes, locking period, perpetual access, archival rights, governing laws, training and awareness programmes, immunity, access to the walk-in-users, usage statistics, simultaneous access, etc.

#### 4.7 Role of e-Shodh Sindhu in negotiation:

The Shodh Sindhu is consortia & the main objective of the e-Shodh Sindhu (Consortia for Higher Education E-Resources) is to provide access to qualitative electronic resources including full-text, bibliographic and factual databases to academic institutions at a lower rates of subscription. Therefore, e-Shodh Sindhu doing negotiation for AICTE approved institutions.

#### 4.8 Process and Approvals

Online databases are expensive resources which need to be evaluated properly before subscribing. Hence, the following procedure has to be followed for subscribing to Online Databases (not for single and individual e-Journals or eBooks)

- Identify the need
- Ask for a trial access
- Publicize the availability of resource on trial
- Analyze the Usage statistics
- Make a cost-benefit analysis by considering all relevant facts
- Put up for approval
- Take the approval of Library Advisory Committee
