Subject: Regarding the feedback on Curriculum of Engineering Sciences
- Department by main stakeholders for the A.Y.2021-22.

Respected Sir,

As per the AQAR 2021-22 Guidelines on Criteria-I Curricular Aspects (1.4.1) we have taken the feedback on the syllabus and its transaction at the institution from the following stakeholders

1) Students 2) Teachers.

The genuine responses received on curriculum for the given questionnaires are enclosed with this letter for further discussion in your BOS meetings.

We request you to kindly acknowledge the same and do the needful.

Thanks with regards,

Dr. S. M. Khairnar

Subject: Regarding Feedback on Curriculum of Civil Engineering
Department by all the stake holders for the A.Y.2023-24

Respected Sir,

As per the AQAR 2023-24 Guidelines on Criteria-I Curricular Aspects,
Criteria-1.4.1 Institution obtains feedback on the syllabus and its transaction
at the institution from the following stakeholders

1) Students 2) Teachers 3) Employers 4) Alumni.

We have taken feedback of our department from the entire stakeholder.
The genuine responses received on curriculum for the given questionnaires
are as follow:

Note:
The questionnaires and its genuine responses are attached below this
covering letter. Please go through the enclosure.

We request you to kindly acknowledge the same and do the needful.

Thanking You.

Alumni Curriculum Feedback Questionnaires'

ALUMNI FEEDBACK ON CURRICULUM

Description (optional)

1. Curriculum is helpful in Career development. *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

2. Curriculum offers various options to choose specialization. *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

3. The syllabus helps in bridging the gap between industry and academic institutions. *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

4. The Syllabus includes soft skills & Professional Ethics *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

5. Usage of Curriculum for development of human resource at your industry/workplace *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

6. Incorporation of component about development of ability to manage/leadership qualities *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

7. Weightage given to Learning values (in terms of knowledge, concepts, manual skills, analytical abilities and broadening perspectives)

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

Alumni Curriculum Feedback Responses

1. Software oriented courses should be included atleast for structure or transportation related courses.
2. More Choices of Open Elective Subjects can be added.
3. Subjects & Courses related to Industry requirements must be included.

Employers Curriculum Feedback Questionaries'

1.The current syllabus is job-oriented, skill-based, and value-oriented. *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

2. The syllabus helps in bridging the gap between industry and academic institutions. *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

3. Effectiveness of curriculum for the development of entrepreneurship *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

4. The Syllabus includes soft skills & Professional Ethics *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

Teachers Curriculum Feedback Questionnaires'

TEACHERS FEEDBACK ON CURRICULUM

Description (optional)

1. Aims and objectives of the syllabi are well defined and clear to teachers and students. *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

2. Curriculum helps in reducing the gap between Industry and Academics. *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

3. Sufficient reference books and study material are available on curriculum *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

4. Curriculum enriches domain knowledge of Program/Course *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

5. Curriculum includes Cross Cutting issues like Human Values, Gender Sensitization, Personality development and Professional ethics.

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

6. Mechanism used for development /revision of curriculum by BoS (e.g. feedback from educationalist, industry expert)

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

7. The course/program of studies carries sufficient number of optional papers.

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

Teachers Curriculum Feedback Responses

1. For APC, Improvement needed in practical content.
2. Teamwork should be External and Oral Examination is compulsory to all Subject
3. 5 days' internship needed for every subject for enhancing practical knowledge.
4. For SE BTAP Subject, separate Building planning and Drawing like previous pattern 2015.
5. Python Subject for BE should be included at initial stage of the program(SE) so that it can be progressed till BE.
6. Internship period for TE (2019 pattern) should be increased or there can be internship for whole semester as the current duration prescribed in syllabus is insufficient to do the allotted work during internship.

7. Curriculum to include one NPTEL course and should be assessed.
8. Include one unit for core subjects as a mini project/Module which is completely based on field insights of that subject.
9. Python subject of final year students should be planned properly to include advanced level hands-on.
10. Contents of SE 2019 pattern courses (FM, MOS) can be reduced or some part can be added in another course for next sem.
11. There should be software/ERP related module for third or final year students.
12. Python can be incorporated in SE syllabus as well so that students can implement it in seminar or project in successive year.
13. Foundation engineering subject of final year should include atleast one site visit.

Students Curriculum Feedback Questionnaires'

STUDENTS FEEDBACK ON CURRICULUM

Description (optional)

1. Is curriculum is career oriented? *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

2. Inclusion/incorporation of latest advancements in the subject *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

3. Weightage given to Skill development *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

4. Fulfilment of Learning objectives *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

5. Weightage given to practical and field work component

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

6. Weightage given to Learning values (in terms of knowledge, concepts, manual skills, analytical abilities and broadening perspectives)

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

7. Creation of interest to pursue higher education *

- 4 - Excellent
- 3 - Good
- 2 - Average
- 1 - Below Average

Students Curriculum Feedback Responses

- 1) There should be internship for SE students as well.
- 2) SPPU Civil Engineering Syllabus can add industry required subject.
- 3) Final year Sem-II should be fully for internship and field work oriented courses.
- 4) More time should be given for TE internship as time specified in the syllabus is not possible according to commencement of new semester.

1 - Below Average	13.3%																				
Rating	Percentage																				
4 - Excellent	20%																				
3 - Good	40%																				
2 - Average	26.7%																				
1 - Below Average	13.3%																				

Alumni Curriculum Feedback Responses

1. Software oriented courses should be included atleast for structure or transportation related courses.
2. More Choices of Open Elective Subjects can be added.
3. Subjects & Courses related to Industry requirements must be included

Action Taken from Alumni Curriculum Feedback Responses:

1. Department has conducted software course for TE and BE students and for BE project software orientated topics are taken.
2. Atleast two options of elective course are given for TE and BE students so that students can select the elective as per their interested area.

Feedback & responses on curriculum received from Teachers through Google Forms:

Teacher Feedback: -

- 1) Curriculum to include one NPTEL course and should be assessed
- 2) Need to make syllabus practical oriented. So the students can know how industry works
- 3) The curriculum needs active learning than passive learning methodologies. Practical oriented syllabus.
- 4) Include one unit for core subjects as a mini project/Module which is completely based on field insights.
- 5) Some research-based training/Dissertation needs to be offered in the last semester of the programme, which will definitely help the students who are keen towards higher education.
- 6) The syllabus should contain both industrial and knowledge oriented.

Action Taken: All faculties and students suggested to complete one or more NPTEL course in the year. By giving some industrial training to teacher and then teacher give to students.

Alumni feedback on curriculum

I. Alumni Feedback: -

- 1) Design software and practical should be more happen in academics
- 2) Syllabus should compulsorily Include industrial trainings.
- 3) Subjects & Courses related to industry requirements must be included.
- 4) More Choices of Open Elective Subjects can be added.
- 5) Curriculum should be more industry based as industry is changing day by day curriculum should also be changed according to it.

Action Taken by institution: -

In revised syllabus of Savitri Phule University (SPPU), all programs included industry-oriented subjects in the curriculum. In order to bridge gap between industry & Academic institute has initiated add courses, bridge courses, Guest lectures, seminars. University has included Open Elective & Choice Based Credit System (CBCS) and it covers skills & courses which are required for industries.

None

Excellent

.

Good

No

Yes

...

Na

Design

Good

Best

Already the best.

.

Everything fine

He is very good teacher

Averay

There is no need for improvement all is good

There is nothing wrong in curriculum this was very useful for students

use of animative videos

No improvement required

Conversation should be done in english

No suggestions

Helping

Minor improvements

No.

Average

All is great

The faculty is very good

44

Teacher's should use projector for teaching for better explanation

Nice

Separate labs for subject

Ok,good

Well I'm not in a position of saying about the improvement of curriculum design,and development.

Different activities

Everything is properly managed.

Every thing is fine.

practical based knowledge is required to be added, should try to make lectures more interesting.

Already improved

Take lectures in morning instead of 10 am

—

Use of AI tool

Practice are not conducted properly

Use of AI tools

Interactive learning using smart boards

I think there should be industry relevant content, our college should improve labs so that students can have better practical knowledge and learning (very bad condition of lab,no proper accessories are present)

Design a curriculum that allows for adaptation to diverse learners and changing educational trends.

It should be made compulsory for all the students

N/A

It's perfect

Provide opportunities for various types of internships in the respective fields

Proper time should be given to each topic

More time should be given to this subject.

Improvement in teaching skills

To have more discussion with teachers

All is fine

Teachers should stop torturing Students.

Practical based knowledge should be focused on

Teaching is very good. I think no improvement is needed.

Thanks

Flabbergasted

Industrial visits for practical learning

Make suru students about placement

Teaching with power point presentation, more use of computer lab , class test after every completion of unit , industrial knowledge

new

No comments

Practice based things should increase

Language

No there is no need for development but can design the easy way to study

More specific topics to be included in syllabus of 1st year

It's good.

Practical knowledge should be included more .

Creat Intrest Among Student

Advancement in syllabus

Their should be less assignment.

Printout not compulsory

Less assignment

More application based curriculum should be attached

All things are good.No improvement needed.

No need

No need.

Try to some questions teach slow

There is no need improvement

Give more examples to solve.

Less books, assignments and more learning, more practicals should be conducted

Make lectures more enjoyable.

To take regular tests.

Teachers should teach more practicaly

Please teach in Hindi or English language

Do more good

Mechanics

Excellent

TEACHERS FEEDBACK ON CURRICULUM

1. Aims and objectives of the syllabi are well defined and clear to teachers and students.

15 responses

2. Curriculum helps in reducing the gap between Industry and Academics.

 Copy

15 responses

3. Sufficient reference books and study material are available on curriculum

 Copy

15 responses

4. Curriculum enriches domain knowledge of Program/Course

 Copy

15 responses

5. Curriculum includes Cross Cutting issues like Human Values, Gender Sensitization, Personality development and Professional ethics.

15 responses

6. Mechanism used for development /revision of curriculum by BoS (e.g. feedback from educationalist, industry expert)

15 responses

7. The course/program of studies carries sufficient number of optional papers.

15 responses

Suggestions for improvement in curriculum design and development:

15 responses

NA

No

In the course of Engineering Mathematics introduction of MATLAB practical is essential

Can Include more engineering applications

—

Need to increase no. of lectures

AI will have to include in chemistry

Experimental syllabus should be designed than theory contents

-

Include AI & Green Power, Electric Machines

Restructuring of syllabus required as per Industry 4.0

Scale: [1-Below Average, 2- Average, 3- Good, 4-Excellent]

Alumni feedback on curriculum

1. Is Curriculum is career Oriented

2. Inclusion/Incorporation of latest advancement in subject

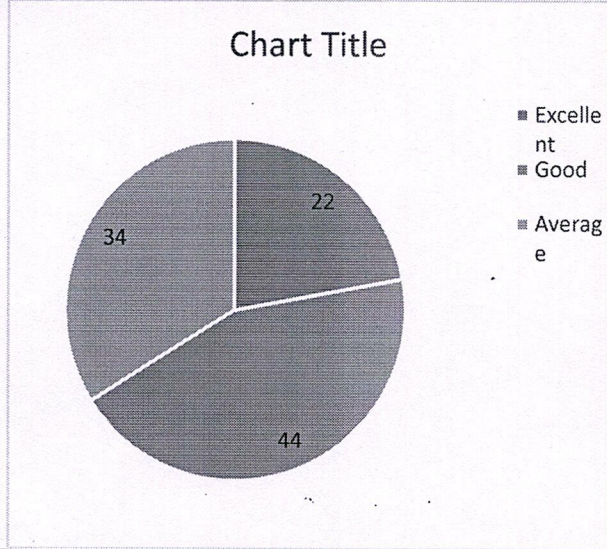

3. Weightage given to Skill Development

4. Fulfillment of learning Objectives

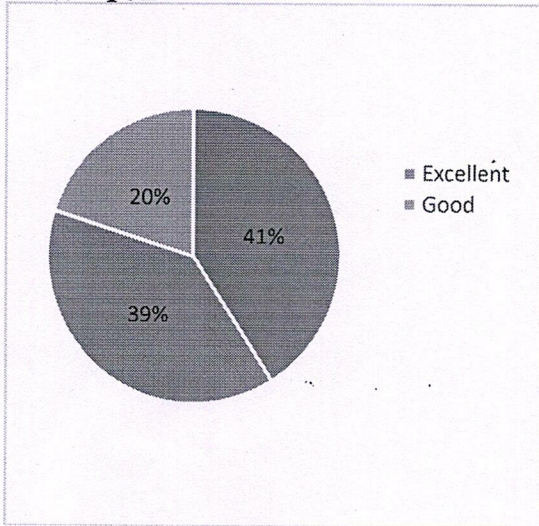

5. Weightage given to Practical and Field work component

6. Weightage given to learning values (in terms of knowledge, concepts, manual skill, analytical abilities and abroadening perspective, Social Ethics)

7. Curriculum Creates interest for pursuing Higher studies and Startups.

.Alumni Feedback: -

- 1) Syllabus should compulsorily Include Industrial Visits.
- 2) Subjects & Courses related to industry requirements must be included.
- 3) More Choices of Data Science Subjects can be added.

Action Taken by institution: -

In revised syllabus of Savitri Phule University (SPPU) all programs included industry-oriented

subjects in the curriculum. In order to bridge gap between industry & Academic institute has initiated add on courses, bridge courses, Guest lectures, seminars. University has included Open Elective & Choice Based Credit System (CBCS) and it covers skills & courses which are required for industries.

Subject: Regarding the feedback on Curriculum of Computer Engineering Department by all the stack holders for the A. Y. 2023-24.

Respected Madam,

As per the AQAR 2023-24 Guidelines on Criteria -I Curricular Aspects,

Criteria-1.4.1 Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders

- 1) Students
- 2) Teachers
- 3) Alumni
- 4) Employers

We have taken feedback of our department from the all stakeholders. The genuine responses received on curriculum for the given questionnaires are as follows:

Note:

The questionnaires and its genuine responses are attached below this covering letter. Please go through the enclosure.

We request you to kindly acknowledge the same and do needful.

Thanking You. Head of Computer Engineering Department

Suggestions if any

Your answer _____

Teachers Curriculum Feedback Responses

- 1) There should be sequence of programming languages like: C, C++, Java or Python etc.
- 2) Industry tools should be used for practical
- 3) Internship program for computer student should be of at least 3 months in BE first semester.

Alumni Curriculum Feedback Questionnaires'

1. Curriculum is helpful in career development

Stakeholder: Students

Programme: S.E/ T.E/ B.E. (Computer Engineering)

Scale: [1-Below Average, 2- Average, 3- Good, 4-Excellent]

1. Is Curriculum is career Oriented
110 responses

2. Inclusion/incorporation of latest advancements in the subject
110 responses

3. Weightage given to Skill development
110 responses

- Excellent
- Good
- Average
- Below Average

4. Fulfilment of Learning objectives
110 responses

- Excellent
- Good
- Average
- Below Average

5. Weightage given to practical and field work component
110 responses

- Excellent
- Good
- Average
- Below Average

6. Weightage given to Learning values (in terms of knowledge, concepts, manual skills, analytical abilities and broadening perspectives)
110 responses

7. Creation of interest to pursue higher education
110 responses

Remarks / Suggestions

- Skill development should be accordance with industrial needs.
- Replace traditional writing work to smart learning with laptop.

Action Taken

- Guest lecture will be conducted by industrial person for skill development of the student.
