Event Report

Academic Year: 2023-24

Semester-I

Name of the event: "JOURNEY OF SUCCESSFUL ENTREPRENEUR "

Date and Time	31 st August 2023 Time: 3:00 pm to 5:00 pm
Event Venue	Room No. 227 , E&TC Dept.
Organized by	ED Cell, E&TC Dept.
Targeted Audience	FE,SE,TE, BE All branches

Event Contents:

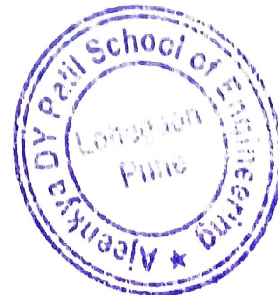

Room No. 227 , E&TC Dept. from 3:00 pm to 5:00 pm

Description of the Event:

The Event started with the Goddess Sarswati Pujan. The lighting of the Lamp took place signifying purity, goodness, good luck, and power. Dr. Pankaj Agarkar HoD Computer Engineering, Dr. Saniya Ansari HoD E&TC, Prof. Dilip More(Mechanical Dept), Prof. Seema Darekar(Computer Dept.) and Prof. Ishwar Bharambe(Computer Dept.) of Ajeenkya D. Y. Patil School of Engineering were the panelists. The welcome address was given by Dr. Saniya Ansari HoD E&TC. The panelists from various departments were invited to evaluate the presentation competition and they were felicitated with a sapling as a token of gratitude. 7-8 groups of students had presented the given topic nicely with a good research and case studies. After this panelists were called to give their reflections about their views and inputs about the presentations. Then Prizes were distributed to the winner and runner of presentation competition. Mr. Raunak Jha from FE AIDS was the winner, and secured 1st prize , Mr. Kashinath Patil from FE Mech. secured 2nd prize, Ms. Krishna Karkhanis from SE AIDS secured 3rd prize.

Anchoring and stage handling – Riya Singh TE E&TC , Ayush Patil SE AIDS

Student Co-ordinator - Ayush Patil SE AIDS

Academic Year: 2023-24

Semester-I

Name of the event: "IDEA GENERATION WORKSHOP "

Date and Time	26th September 2023 Time: 12:00 pm to 2:00 pm
Event Venue	Room No. 232 , E&TC Dept.
Organized by	ED Cell, E&TC Dept.
Targeted Audience	FE,SE,TE, BE All branches

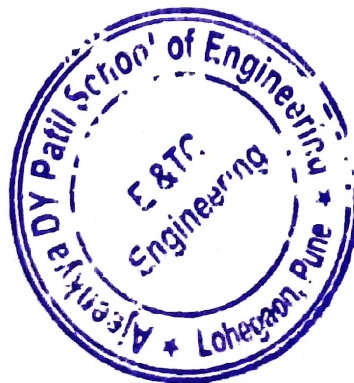

Event Contents:

Room No. 232 , E&TC Dept. from 12:00 pm to 2:00 pm

Description of the Event:

The Event started with the Goddess Sarswati Pujan. The lighting of the Lamp took place signifying purity, goodness, good luck, and power. Dr. Saniya Ansari HoD E&TC, Resource Person of the event Prof. Dilip More (Mechanical Dept), Prof. Seema Darekar (Computer Dept.) and some faculties of all the department of Ajeenkya D. Y. Patil School of Engineering were the present. The welcome address was given by Dr. Saniya Ansari HoD E&TC. Ideation is the process of forming ideas and concepts. Ideation defines the generation of new ideas and concepts to solve specific problems.

The guest speaker from mechanical department was invited to give inputs to student regarding Entrepreneurship. Students of various depts. had taken benefit of the workshop by gaining knowledge about identifying problems, generating ideas, solving the problems. Dr. Dilip More inspired students to think out-of-the-box through disruptive cases, future tech & trends and opposite thinking. The program was conducted very nicely & smoothly.

Outcome: The program was conducted very nicely & smoothly. Best inputs are given to students concerning different business ideas by resource person Dr. Dilip More.. Students got good insights about idea generation.

Event Report

Academic Year: 2023-2024

Semester-II

Name of the event: **Exposure and Field visit for problem identification Program.**

Date and Time	12 / 02/2024 and 11.30p.m.-
Event Venue	Snehwan, Koyali Phata, Near Koyali forest Koyali tarf, Chakan.
Organized by	E&TC Department
Targeted Audience	SE,TE students
Resource Person	Mr. Ashok Deshmane (Snehwan)

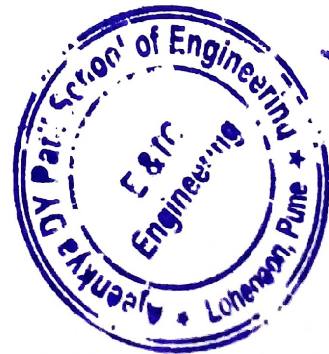

Event Contents:

1. Welcome
2. Resource person lecture about his journey & how he resolved social problem.
3. Lack of technical issues and discussion on problem solving with faculty and students.
4. Topics are given to students for their PBL and Mini projects.

Details of the event:

Department of E&TC Engineering have organized a **Exposure and Field visit for problem identification Program** with Snehwan, Koyali Phata, Near Koyali forest Koyali tarf, Chakan. Students of Second Year and Third Year EXTC have visited this site to identify the real life problems around which can be resolved using engineering solutions.

As the students of both years have PBL and Mini project respectively. This has been an opportunity for them to get problem statement for their individual projects. Snehwan is residential facility for orphan kids who lost their parents in calamities. They have quite an impressive setup for the learning and earning of these students. They are providing much practical exposure to all these kids.

Our students had interaction with the kids and the Director Mr. Ashok Deshmane, who provided glimpses about the gradual development they did from a decade and problems they are facing. They also let us know about the solution they are expecting from engineering graduates. This meeting thrilled the students with enthusiasm to work for betterment of society.

Semester-II

Name of the event: Health Awareness Campaign Programme

Date and Time	10 / 01/2024 and 1.30p.m.-Womens Faculty 3.00p.m.- Mens Faculty
Event Venue	Seminar Hall
Organized by	E&TC and Mechanical Department
Targeted Audience	All Teaching and Non Teaching Faculties
Resource Person	Miss. Aarti Shitole (Unimax India(Health advisor))

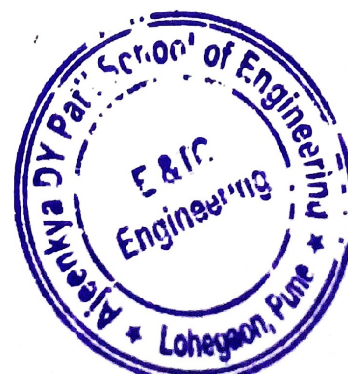

Event Contents:

1. welcome
2. Resource person lecture and guidance on health issues
3. Nali Parikshan and discussion on issues
4. solution on health related issues

Details of the event:

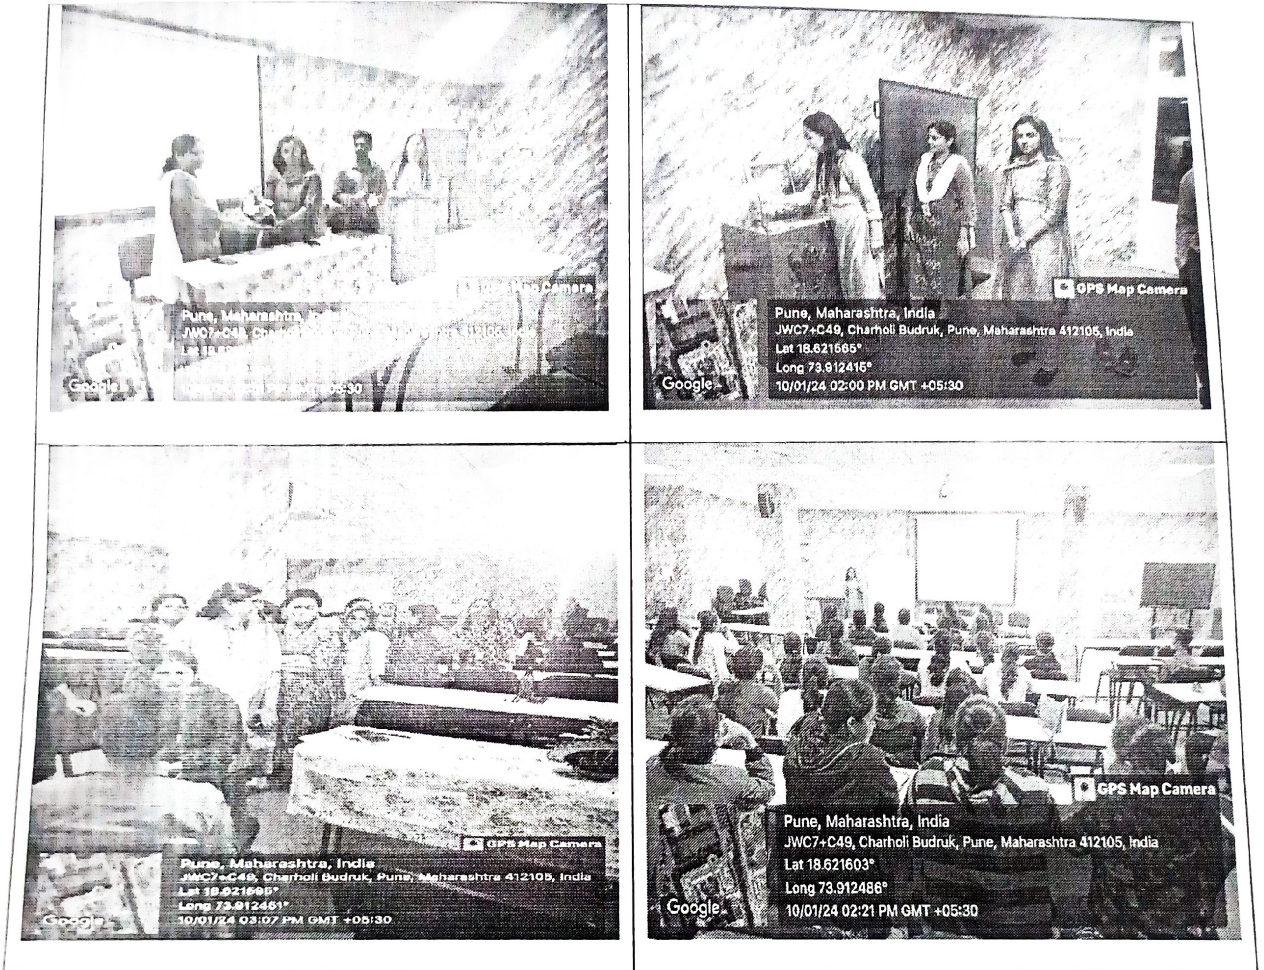

Department of E&TC & Mechanical Engineering have organized a Guest lecture on Health Awareness Campaign Programme collaboration with Uruli Kanchan Nisarg upchar UVAAN foundation UNIMAX INDIA.

"A healthy diet, regular exercise and adequate sleep can help you to cope with a medical condition, illness or injury. Sometimes, medication and treatment for a condition, or the pain caused by it, can have an impact on your appetite, energy levels and sleeping patterns.

The speaker also explained the Vatt, Pit, Kafa dosha in body. One has to regulate all the dosha for maintaining a healthy life style. The working habits and eating habits leads to imbalance of these dosha in human body. She suggested many herbal medicinal plants to balance them.

Event Report

Academic Year: 2023-2024

Semester-II

Name of the event: **SPRING International India-EU Joint Research Project Meeting**

Funding agency: **DBT India and EU Horizon**

Date and Time	31/01/2024
Event Venue	Conference Room and Seminar Hall
Organized by	Prof. Seema Khamankar
Targeted Audience	All faculties
Resource Person	<ol style="list-style-type: none">1. Dr. Rajnish K Calay-UiT Norway,2. Dr. Schneider, György- University of PECs, Hungary3. Dr Nuno Alexandre Cruz, INSECTEC, Portugal4. Prof. Dr. Ramkrishna Sen-IIT Kharagpur5. Prof. Dr. Prabhat Kumar Singh-IIT BHU Varanasi6. Dr. Renu Sarath, Director, Elixir Ecobiotek, AP7. Dr (Colonel) Sultan Singh Malik, Chairman, Palavi Trust, Pune8. Mr. Dnyaneshwar Indore, Director, Palavi Trust, Pune

Details of the event:

The meeting was conducted with welcoming of all the SPRING partners in conference room. Prof. Manjusha Patil, briefed about all the project partners with HoDs of all the department and Dean.

The event is followed as mentioned below,

1. Spring Partners Meeting: 11.00 am to 01.00 pm

The spring partners meeting took place at conference room regarding the project "Strategic Planning for water resources, development and implementation of novel biotechnical treatment solutions and good practices (SPRING)". Dr. Ramkrishna Sen presided the meeting. Dr. Saniya Ansari, elaborated the purpose of meeting. Dr. Renu Sarath, explained in details the objectives of project with its completion status and future demonstration strategies.

The Robotic system, S-BIRD, developed for identification and removal of clogged sewer pipes is demonstrated by Dr. Saniya mam and Mr. Nikhil Nikalje, JRF of SPRING project. It was appreciated by the team for such robust robotics system.

2. Campus Visit: 02.00 PM to 03.00 PM

The dignitaries visited the campus and also discussed about the possible way of getting faculties more involved in research and development activities.

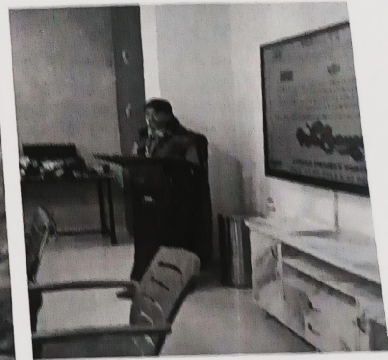

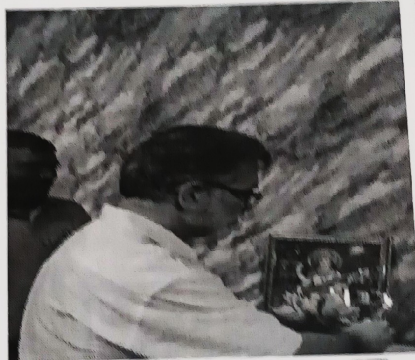

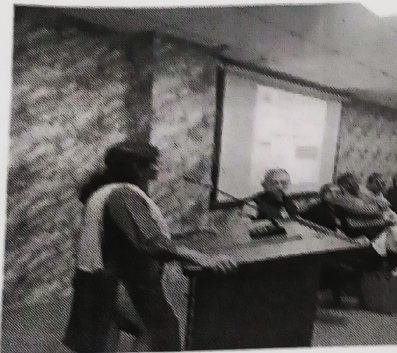

3. Project Demonstration: 03.00 PM to 03.30 PM

The spring partners also discussed in details and suggested necessary changes in the bot during the Bot demonstration. Glimpses of it are attached.

4. Faculty Interaction on Collaborative Research Opportunities: 03.30 PM to 05.00 PM

Spring Partners felicitated and had discussion regarding the Ph.D. opportunities for faculties and UG, PG students in EU. They welcome all faculties to join and work with international universities to Post PhD degrees. They also explained the benefits and scholarships made available by Govt. of India and other agencies. The Q & A session helped and motivated the faculties to pursue the research offshore.

Academic Year: 2023 - 2024

Semester-I

Name of the event: **Emerging Young Researchers**

Date and Time	17th July 2023 & 19th July 2023
Event Venue	Offline
Organized by	Prof. Anita Mahajan and Prof. Ujvala Patil
Targeted Audience	BE (Computer)

Event Contents:

1. Technical round
2. Written Test
3. Technical Interview

Details of the event:

The Research & Development Teams Selection event was conducted on 17th July 2023 & 19th July 2023 to identify skilled students for our Computer department.

- Initial screening of event to shortlist candidates with relevant knowledge and skills.

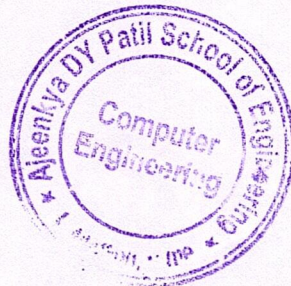

The primary goal was to build a dynamic team capable of innovation, and contributing to the project.

- A comprehensive written test covering technical knowledge, problem-solving skills, and research aptitude.

- Shortlisted candidates underwent one-on-one technical interviews with a panel of experts to assess their domain expertise and suitability for the role.

Candidates were evaluated based on the following criteria:

Technical Proficiency that is the Depth of knowledge in relevant technical domains, Problem-Solving Skills which is Ability to analyze and solve complex problems. Innovative thinking and research initiatives is creativity and the ability to think outside the box.

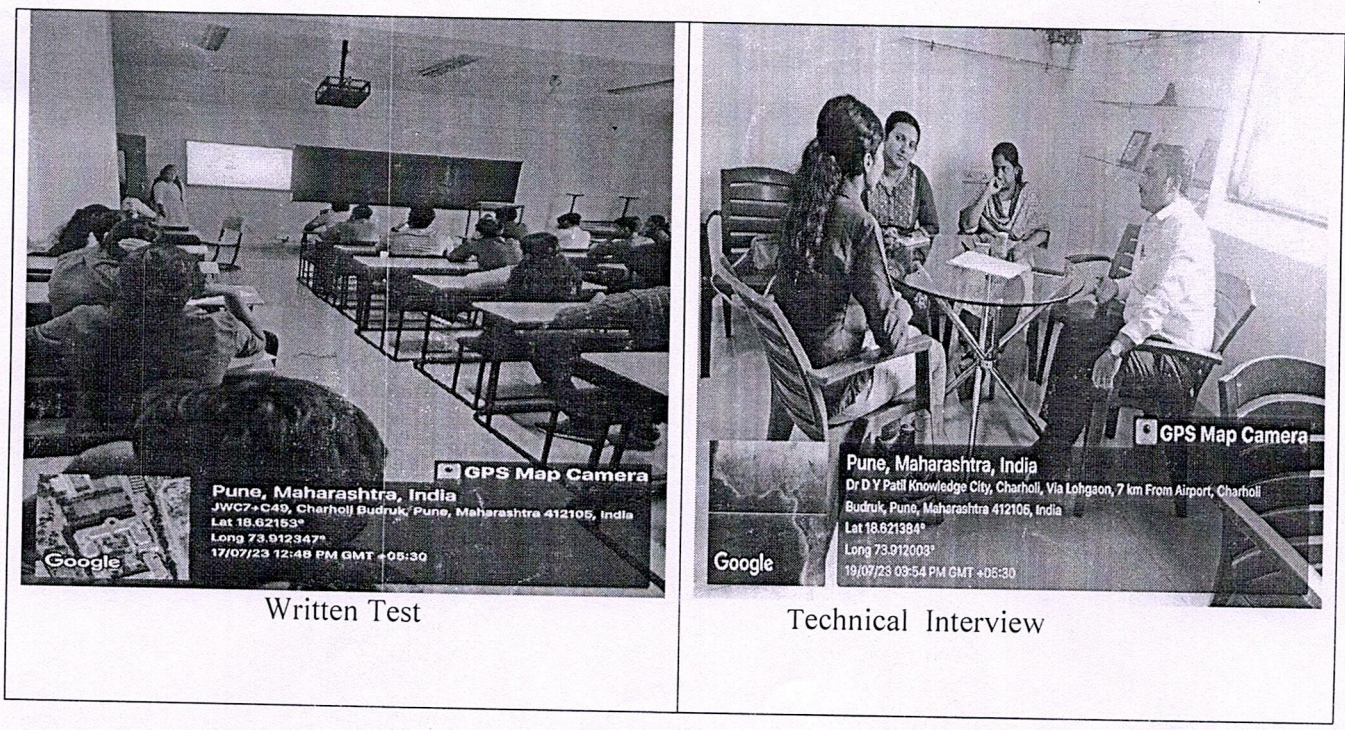

Selected Team Members:

After a rigorous selection process, the following candidates were selected to join the Research & Development Team:

Group ID-1	Group ID-2
Bhargav Balinge	Viraj Chopade
C.J Arunima	Yashfin Shaikh
Tejas K. Golat	Pratik Nawale

Report on

"KAVACH 2023 Cyber security Hackathon"

National Level Grand Finale Competition

Academic Year: 2023-24

Semester-I

Name of the event: KAVACH 2023 (Cyber security Hackathon)

Date and Time	8 Aug 2023 9:00 am to 10 Aug 2023 6:00 pm
Event Venue	AMC College of Engineering , Bangalore, Karnataka
Organized by	Government of INDIA(An initiative by MHA & MoE)
Targeted Audience	Engineering Students all over India.

Event Contents:

1. Central & Nodal Inauguration at Nodal Center
2. 36 Hours Coding on 8th & 9th August
3. Central & Nodal Valedictory on 10th August.

Details of the event:

KAVACH 2023 Launched by MoE's Innovation Cell, AICTE along with Bureau of Police Research and Development (BPR&D)(MHA) and Indian Cybercrime Coordination Centre (I4C)(MHA). This Competition was conducted 5 Nodal centers in India.

The event will have an eclectic array of 20 problem statements, calling upon the students to compete for the top ranks by submitting their visionary solutions. Among the problem statements are a new-age women's safety app, an obscenity blocker solution, an advanced fake news detection system, a phishing detection solution, cutting-edge ANPR and FRS solutions, a dark web crawler, a spam alert system, a malware analysis tool, a CCTV analytics solution, a

RAM dump collection tool, a citizen safety app for safeguarding against cybercrimes, an indigenous crypto currency investigation tool, to mention a few.

Students were encouraged to participate this National Level Competition to enhance the skill, knowledge & innovative ideas under **Research and Development** activity of college.

KAVACH-2023 will be conducted in two phases. In the first phase, the problem statements, grouped into various buckets such as Fake News/social media, Dark web, Women safety, Phishing Detection, Video analytics/CCTV, Obscene Content Detection, Spam Alert, and Malware Analysis/Digital Forensics shall be posed to the public.

Second phase which shall culminate with Grand Finale, selected participants will be expected to demonstrate their solutions for ascertaining technical feasibility and implement ability of their solutions. Best ideas will be declared winners by the jury.

Two Teams got selected from our college. **Team ByteWatch** for Problem statement "RAM Dump Tool" and **Team Eye On security** for Problem statement "Obscenity scene blocker" from Computer Department Engineering. Their knowledge sessions was completed before the grand finale. After that they got their Nodal centers.

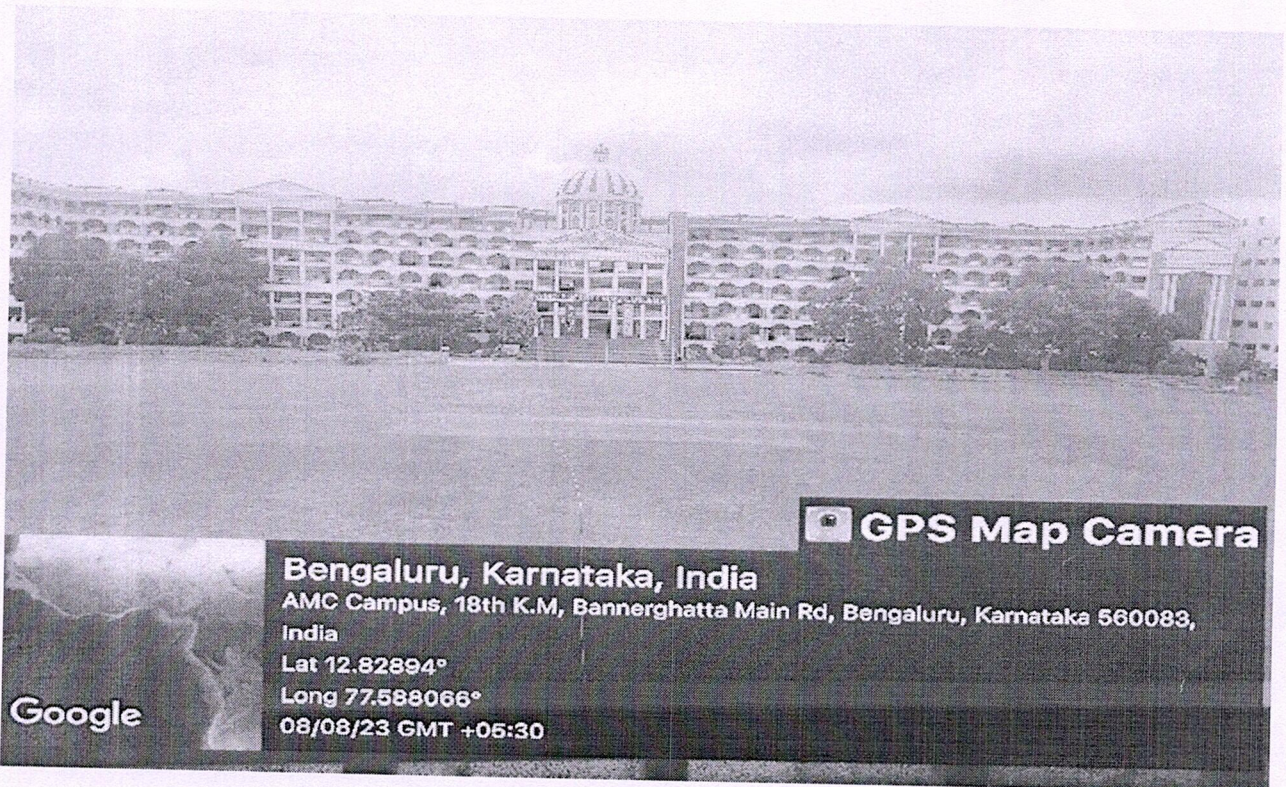

The Second phase was started on 8 August 2023 at 9:00 am after Central & Nodal central inauguration ceremony. At Nodal center AMC Bangalore inauguration session chief guest was Sunil Luthra, Director of the All India Council for Technical Education (AICTE). Total five teams were invited for the RAM Dump Tool Problem statement out 400 teams at AMC Bangalore center. Students used artificial intelligence, deep learning, machine learning, automation, big data etc. to build a solution. Students given 36 Hours to design a solution. In this 3 rounds of training session & 3 rounds of evaluation sessions done by the Nodal Center Experts Judges Panel. The run time modifications given by the juries which students were expected to complete till next evaluation session.

Event Contents:

1. Central & Nodal Inauguration at Nodal Center
2. 36 Hours Coding on 8th & 9th August
3. Central & Nodal Valedictory Function on 10th August.

Details of the event:

KAVACH 2023 Launched by MoE's Innovation Cell, AICTE along with Bureau of Police Research and Development (BPR&D)(MHA) and Indian Cybercrime Coordination Centre. This Competition was conducted 5 Nodal centers in India for 20 Problem Statements.

Students were encouraged to participate this National Level Competition to enhance the skill, knowledge & innovative ideas under **Research & Development** activity of college.

The competition was started on 8 August 2023 at 9:00 am after Central & Nodal central inauguration ceremony. At Nodal center inauguration session chief guest was Prof. Ashutosh Kumar Singh, Director, IIIT Bhopal. Students used artificial intelligence, deep learning, machine learning, automation, big data etc. to build a solution. Students given 36 hours to design a

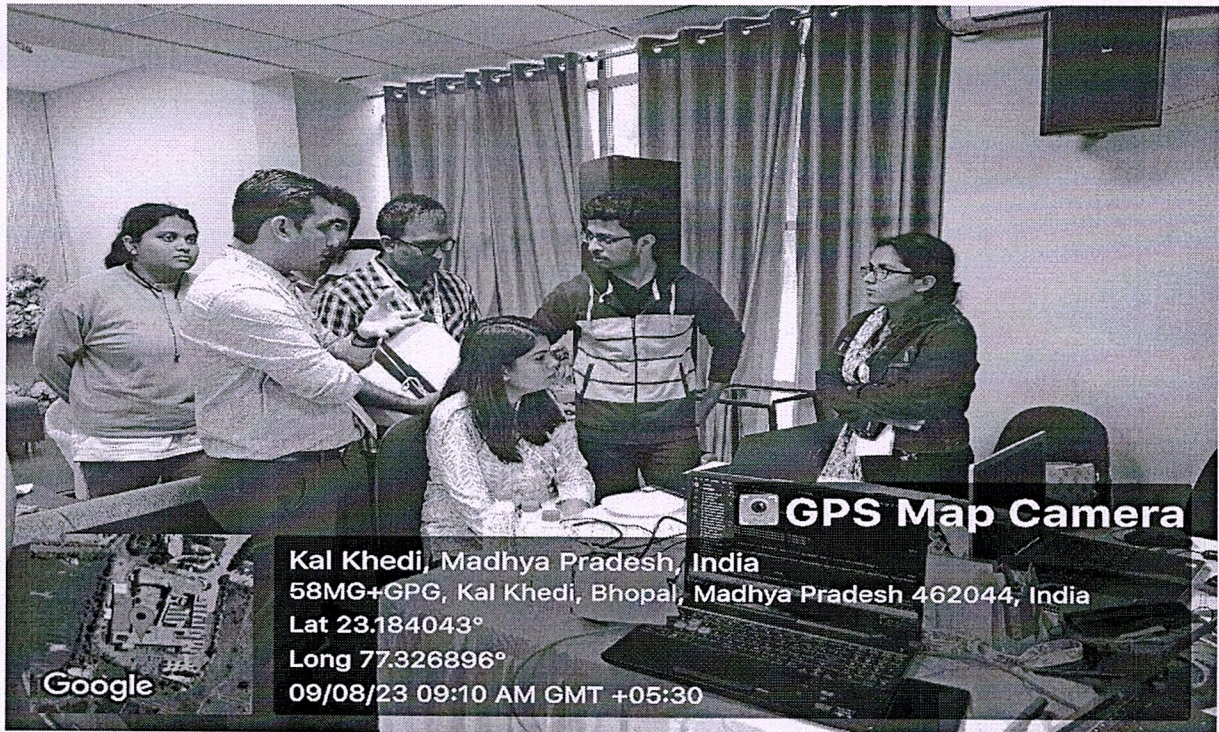

solution. In this 3 rounds of training session & 3 rounds of evaluation sessions done by the Nodal Center Experts Judges Panel. The run time modifications given by the juries which students were expected to complete till next evaluation session.

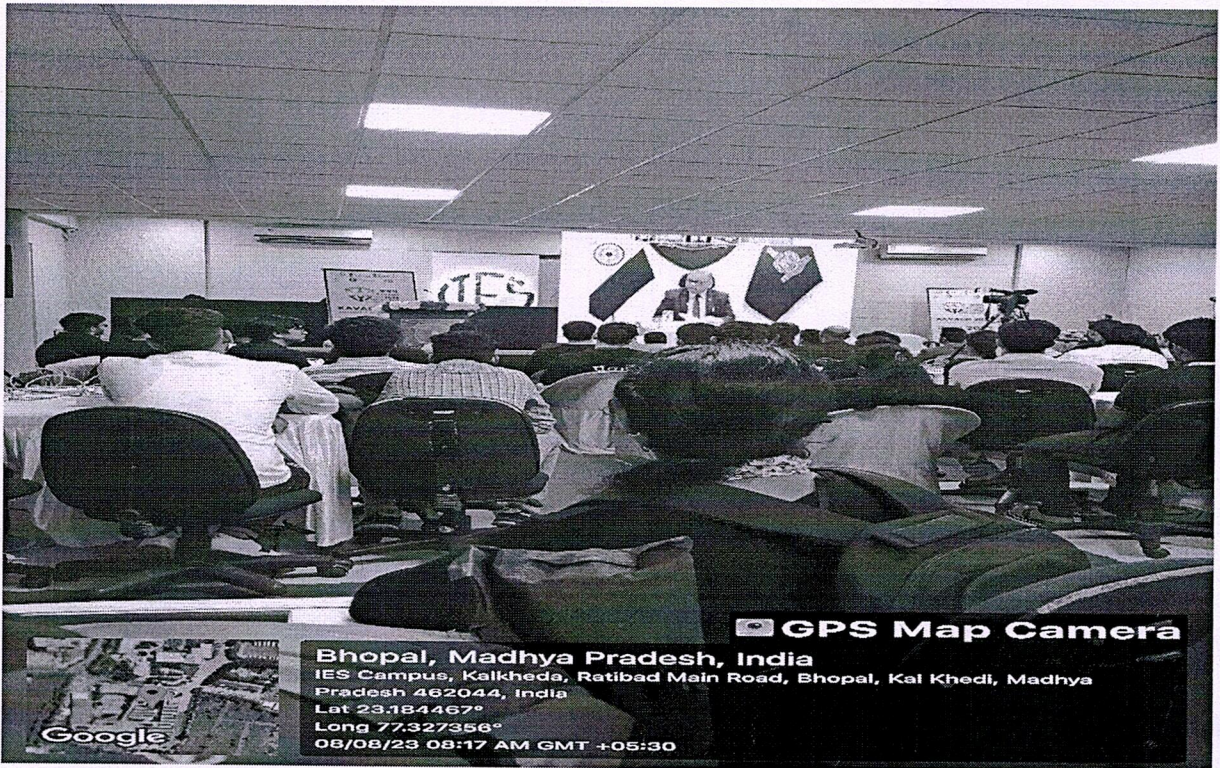

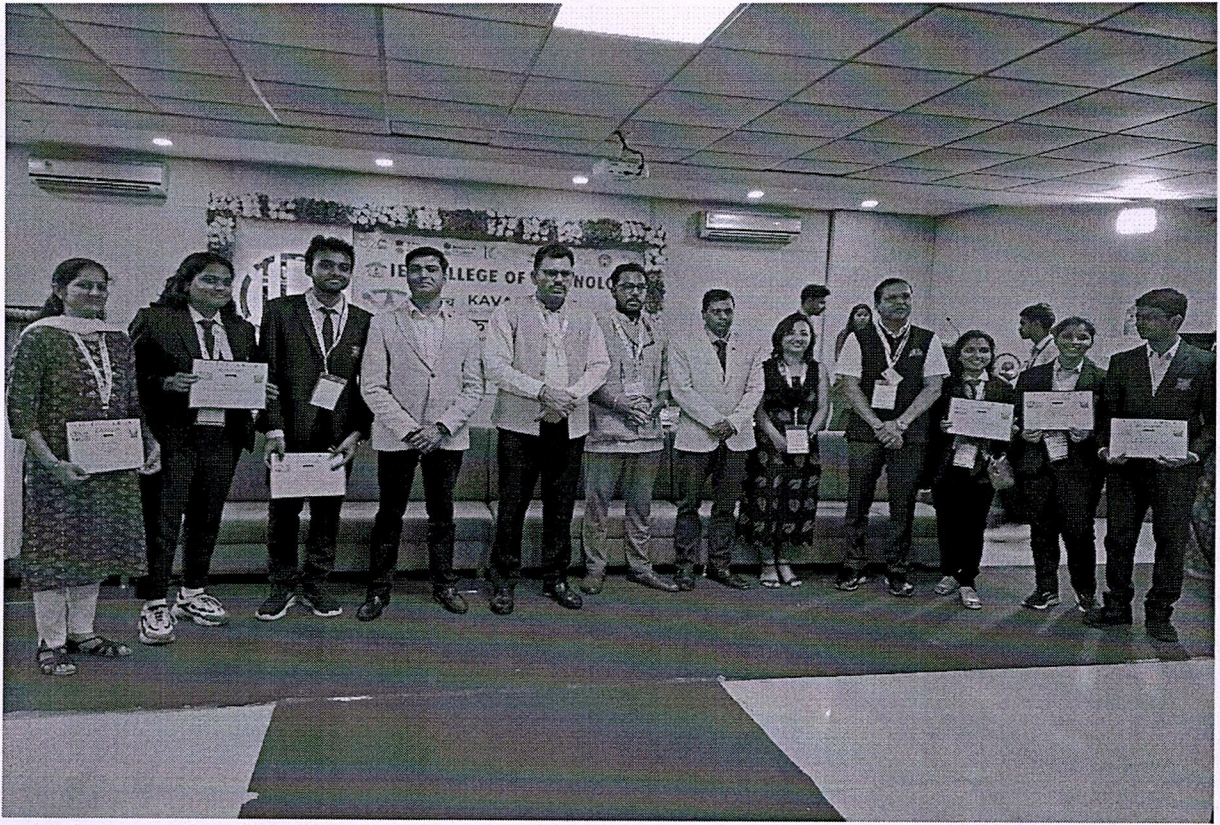

Eye on Security (EOS) team of ADYPSOE Computer Engineering Students was selected across 400 teams for Grand Finale. The team members were as follows.

- 1 Ansari Asraurooj (Team Leader)
- 2 Gaurav Sonawane (Team Member)
- 3 Prachi Sawant (Team Member)
- 4 Nivedita Tiwari (Team Member)
- 5 Vedant Ghodekar (Team Member)
- 6 Sunil Jangid (Team Member)

Eye on Security team performed outstanding in all training & evaluation sessions. Team executed all features with upgraded performance using different algorithms. They won **“Runner Up”** for the Problem Statement Obscenity blocker solution.

(IJSRSET-2024) Event Report

Academic Year: 2023-24

Semester-II

Name of the event: Innovation 2024 Conference

Date and Time	3/01/2023
Event Venue	Online (Microsoft Teams)
Organized by	Prof Amruta Chitari ,Prof Bhagyashri Vyas and Prof Renuka Gavli
Targeted Audience	BE Computer dept. Students

Event Contents:

1. Paper Presentation
2. Prize distribution.

Details of the event:

The Computer Engineering Department of Ajeenkya D Y Patil School of Engineering, located in Lohegaon, Pune, successfully organized the online conference named as "Innovation 2024" in collaboration with International Journal of Scientific Research in Science, Engineering and Technology sponsored by Association of Computer Engineering. The conference was held on 3 Jan 2024.

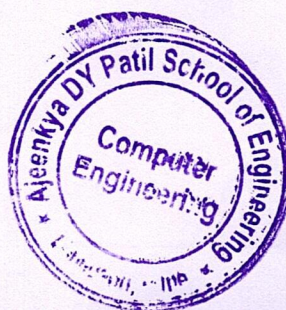

The conference served as a platform for authors who won the Best Paper Award to present their exceptional research papers through engaging PowerPoint presentations. These papers showcased innovative ideas and ground breaking research in the fields of computer science,

engineering, and information technology. Dr. Sheshang D. Degadwala, an esteemed Associate Editor of IJSRSET, played a vital role as the Session Chair for the conference. With active interaction and sharing of expertise, Dr. Degadwala ensured a dynamic and engaging environment for all the participants, fostering meaningful discussions and knowledge exchange. The entire conference was conducted under the state-of-the-art directions and guidelines provided by Dr. Pankaj Agarkar, the Head of the Computer Engineering Department.

Dr. Agarkar's expertise and comprehensive guidance ensured that the conference adhered to the highest standards of quality and professionalism. We are grateful for the immense support and encouragement provided by Dr. Farook Sayyad, the Principal of DYPSOE. His unwavering commitment played a significant role in the success of the conference, motivating participants and organizers alike. The processing of the complete E-Conference, along with the pre and post-publication work, was efficiently handled by Dr. Bhavesh Kataria, the Executive Editor of IJSRSET. Dr. Kataria's expertise and meticulous approach ensured a smooth and seamless experience for all participants, from the initial submission to the final publication of the papers. Prof. Amruta Chitari and Prof. Bhagyashri Vyas acted as the Convener of the E-Conference, skillfully managing the conference conduction and the paper publication process. Under their guidance and coordination, the conference was executed flawlessly, ensuring a rewarding experience for all participants. Prof Renuka Gavli acted as Co-Convener contributing expertise in coordination, program development, and facilitation alongside her fellow organizers.

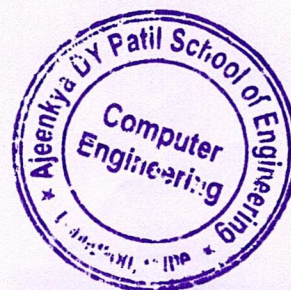

We would like to acknowledge the invaluable contributions of the ADYPSOE Computer Department Staff Members and Project Guides. Their dedication, hard work, and support played a crucial role in making the online conference "Innovation 2024" a resounding success. In addition to the conference, a prize distribution ceremony was organized to honor and recognize the authors who won the Best Paper Award. This ceremony served as a platform to celebrate their exceptional contributions and provided them with well-deserved recognition for their outstanding research.

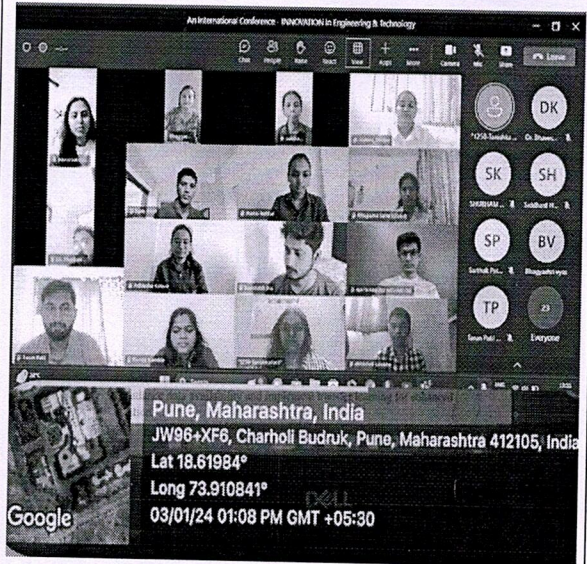

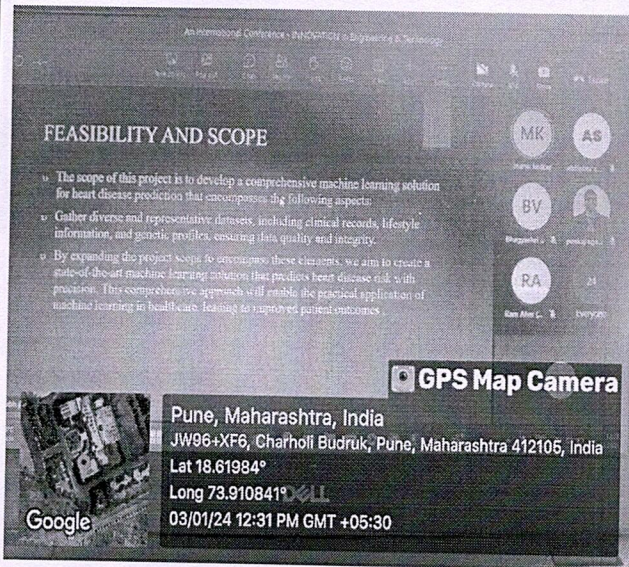

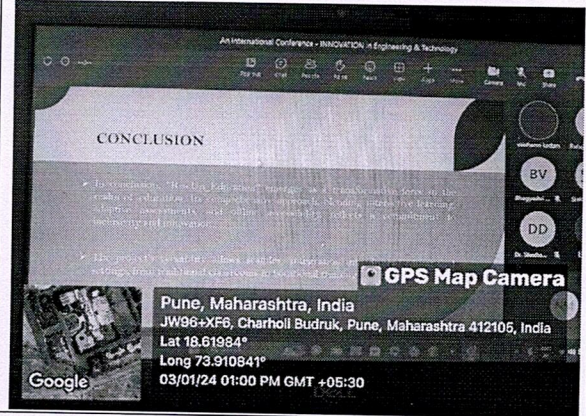

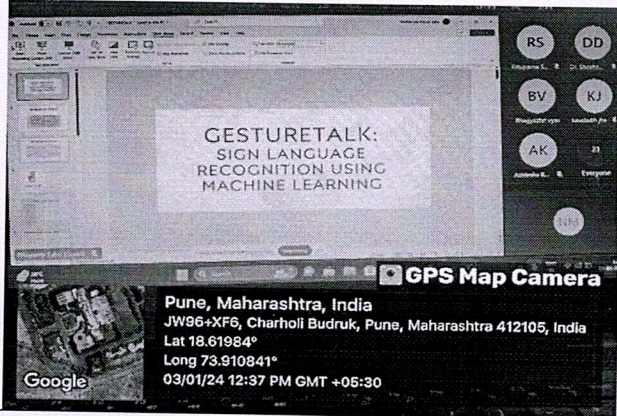

Winners of Best Papers Award (declared by IJSRSET):

Sr No	Names	Prizes	Paper Title
1	Saurabh Waman	1st Prize	Intelligent de smoking & de hazing algorithm using ai ml
2	Kapil Soni		
3	Manas Shedge		
4	Abhishek Salokhe		
5	Ali Nathani	2nd Prize	Life bridge organ connect
6	Sakshi Pawar		
7	Ram Aher		
8	Saumya Rathi		
9	Shubham karmarkar	3rd Prize	Verbavision: crafting visuals and sounds from textual strings
10	Tarun patil		
11	Sarthak patil		
12	Siddhant hase		
13	Tanishka Patil	STCL Best paper	Guarding the internet of things: federated deep learning role in cybersecurity

Outcome- The online conference "Innovation 2024" organized by the Computer Engineering, in collaboration with IJSRSET was a remarkable event. Through the collective efforts of distinguished professionals, dedicated authors, and diligent organizers, the conference successfully promoted innovation, knowledge sharing, and academic excellence in the field of computer science, engineering, and information technology. The prize distribution ceremony added an extra layer of recognition and appreciation, highlighting the exceptional research carried out by the Best Paper Award winners with monetary rewards acknowledgment certificate and token of gratitude.

Semester-II

Name of the event: Innovation 2024 Conference Proceeding availability

Date and Time	5/03/2024
Event Venue	Department of Computer Engineering
Organized by	Prof Amruta Chitari ,Prof Bhagyashri Vyas and Prof Renuka Gavli
Targeted Audience	Students

Event Contents:

This report is intended to inform all students of the Computer Engineering Department about the availability of the hard copy proceedings for the International Conference on Innovation in Engineering & Technology. This conference was held in association with the International Journal of Scientific Research in Science, Engineering, and Technology (IJSRSET) on Jan 3, 2024.

Proceedings Availability

We are pleased to announce that the hard copy proceedings of the conference are now available at the College Library. These proceedings include all the papers presented at the conference, offering valuable insights and research findings that can aid in academic and professional development.

Key Details:

- **Event:** International Conference on Innovation in Engineering & Technology
- **Date of Event:** Jan 3, 2024

- **Association:** International Journal of Scientific Research in Science, Engineering, and Technology (IJSRSET)
- **Availability:** Hard copy proceedings available
- **Location:** College Library

Importance for Students

The conference proceedings are a crucial resource for students of the Computer Engineering Department. They provide:

1. **Access to Cutting-edge Research:** Students can stay updated with the latest research and technological advancements in the field of engineering.
2. **Reference Material:** The proceedings serve as an excellent reference for coursework, projects, and further research.
3. **Inspiration for Innovation:** Exposure to innovative ideas and research methodologies can inspire students to pursue their own research projects and contribute to the field.
4. **Networking Opportunities:** Information about the authors and their work can help students connect with researchers and professionals for potential collaboration.

How to Access

Students can access the hard copy proceedings by visiting the College Library. The library staff will assist in locating the proceedings and provide any additional information required. It is recommended to review the proceedings during library hours to ensure availability and proper assistance.

Conclusion

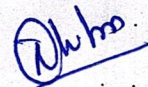

The availability of the International Conference on Innovation in Engineering & Technology proceedings at the College Library is a valuable opportunity for all students in the Computer Engineering Department. We encourage everyone to take advantage of this resource to enhance their knowledge, support their academic endeavors, and foster innovative thinking.

Semester-II

Name of the event: "SUNHACKS2K24" An International Level Innovation Competition

Date	Thursday, 25.04.2024 & Saturday, 27.04.2024
Event Venue	Sandip University, Nashik (MH)
Organized by	ESDS Software Solution Limited, Nashik
Targeted Audience	Engineering Students

As a part of R&D activity and to enhance the knowledge, skill and to inculcate understanding of Research & Innovation among the students, Students were encouraged to participate in an international level Innovation event, "SUNHACKS2K24", organized by innovation cell and Higher Education Cell.

The competition started on 25.04.2024 after the nodal and central inauguration program. The students were given 36 hours of time to complete the assigned task.

There were five rounds of evaluation and three rounds of mentoring by the nodal expert review team.

The run time change in the problem statement for floated which students were expected to complete the task till next review.

Three teams with mentors as follows:

Team Name: Tech Strikers

1. Prof. Manisha Wasnik-Team Mentor
2. Mr. Maheshchand Sutar-Team Leader
3. Ms. Aishwarya Jadhav - Team Member
4. Ms. Ujma Mulla - Team Member
5. Mr. Rushikesh Jagtap

Team Name: Bit Hackers

1. Prof. Ujvala Patil-Team Mentor
2. Mr.Girish Bhole -Team Leader
3. Ms. Janhavi Dabhade- Team Member
4. Mr. Ansul Patel-Team Member
5. Mr.Sahil Tathe- Team Member

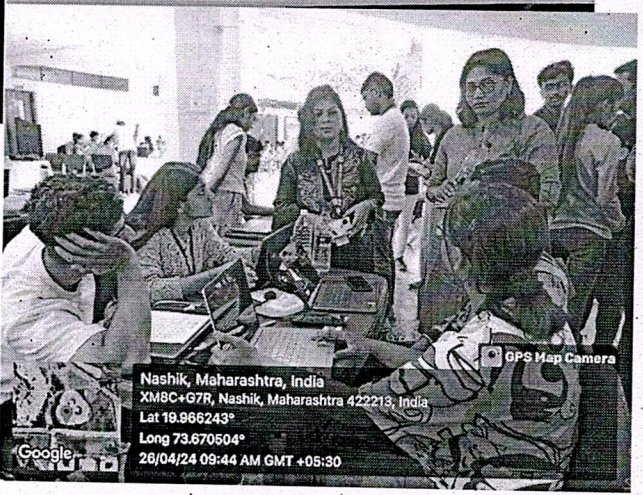

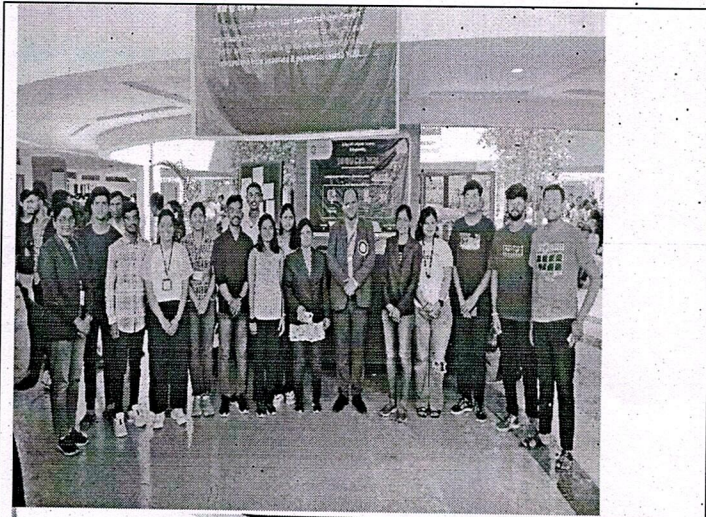

Team Name: Arjuna Techies

1. Prof. Ashlesha Adsul-Team Mentor
2. Mr. Mayur Rajgude-Team Leader
3. Mr. Pratik Pawar- Team Member
4. Mr. Aanam Shaikh-Team Member
5. Ms. Shruti Dalvi- Team Member

All teams performed very well in all the reviews and the mentoring rounds. Students Learnt with practical orientation, they Work on a modern technology-based model, received mentorship from an industry person and they also receive ideas for start-ups.

The winners and participants with their mentors of "SUNHACKS2K24" felicitated in the event to encourage the other student's participation in such events.

About Institute

Ajeenkya DY Patil School of Engineering was established in the year 2010. The institute is approved by the all India Council for Technical Education (AICTE), New Delhi, Directorate of Technical Education (DTE), Mumbai and Govt. of Maharashtra and is affiliated to Savitribai Phule Pune University. The institute is accredited by NAAC & NABL, Ranked in NIRF and ISO 9001:2015 and 21001:2018 Certified. As the demand of Engineers and Managers continues to grow, Ajeenkya DY Patil School of Engineering is focused on shaping students for the infinite number of opportunities available. Our vision to deliver quality technical education makes us the preferred institution in the country and abroad. Our strategic planning for continuous improvement and implementation of National Education Policy 2020 guides us to cater industries with skilled & industry ready graduates in a rapidly changing world. Institute offers undergraduate programmes in Civil Engg., Mechanical Engg., Electronics and Telecommunication Engg., Automobile Engg., Computer Engg. and AI&DS Engg. and Postgraduate programmes in Mechanical Engg., Civil Engg., E&TC and Computer Engg. Institute has highly qualified & dedicated faculty members with research interests and international collaborations.

To,

Mr. Swapnil Gawande
Patent and Trademark Attorney,
Director

Dear Sir,

On behalf of Ajeenkya DY Patil School of Engineering and department of Computer Engineering Lohegaon Pune, we would like to take this opportunity to express our heartfelt thanks to Mr.Swapnil Gawande . Your support for the seminar on "**PATENT and IP Portfolio Creation for Enterprise (Startup)**", organized on 05/05/2024. Your presence will open many new opportunities for the students and nurture their skills.

Thank you once again for your generous support provided to us throughout.

We sincerely hope to see a long term association with you.

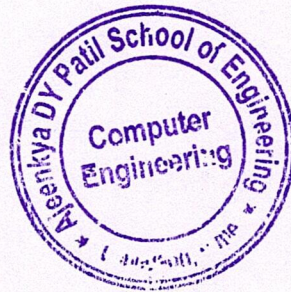

Please accept our sincere thanks and gratitude.

Thanking You,

Dr.Pankaj Agarkar

Event Report

Academic Year: 2022-23

Semester-I

Name of the Event: One day National Level Webinar on: IPR: Procedure for Grant of Patent in India

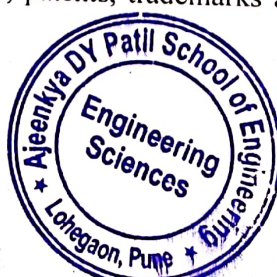

Date and Time	14/09/2023, 11:00 am to 12:30 pm
Event Venue	Online via MS team platform
Organized by	Dr. Shobha Rupanar
Targeted Audience	FE students
Resource Person	Mr.Pratik Sharad Hendre Examiner of Patents & Designs, (Group 'A' Gazetted) Indian Patent office, Mumbai, Government of India.

Event Contents:

1. What is IPR?
2. How to draft IPR?
3. Terms and conditions to file & grant of IPR
4. Types of IPR
5. Importance of IPR and its relevance and its necessity for the advancement in research
6. e-filing of patent applications: Process

Objectives of the Event

1. To generate awareness about intellectual property rights (IPR) in all the sectors.
2. Assortment of Procedure of copyrights, patents, trademarks and publicity rights search and application filling.

3. Identification of protectable innovations
4. Laws related to copyright, patents, trademarks and publicity rights.
5. To encourage the creation of a large variety of intellectual goods.

Details of the event:

Department of Engineering Sciences of Ajeenkya D. Y. Patil School of Engineering organized one day National level webinar entitled "Intellectual Property Rights (IPR): Procedure for Grant of Patent in India" on 014 th September 2023 on MS team. The Programme started at 11:00 am with the welcome address by Dr. Shobha Rupanar. The Session was conducted by Dr. Mr. Pratik Hendre.

He also discussed in detail about the topics such as what is copyright? What do we mean by author or creator?' etc. He distinguished patentable and non-patentable inventions in India and around world. He explained various examples of patents in the field of Sciences. The procedure for the application of patents and the various steps of granting of patents were described. He concluded the session by explaining about procedure for applying patents via offline and online. The webinar was concluded at 4.30 pm by a vote of thanks by Dr. Shobha Rupanar. The webinar was highly informative to students, teachers and research scholars. Teachers and students from other departments, colleges, universities and research institutes from different parts of India participated in the webinar. Thus webinar provided valuable awareness and insights on the various aspects of IPR.

APPRECIATION LETTER

To,

Mr. Pratik Sharad Hendre

Examiner of Patents & Designs, (Group 'A' Gazetted)

Indian Patent office,

Mumbai,

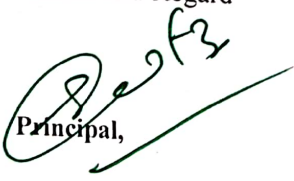

Government of India.

Please accept our sincere thanks for the excellent support provided by you in organizing and hosting our one day webinar entitled “IPR: Procedure for Grant of Patent in India” on 14/09/2023 at 11: 00am. Your role as a resource person was done truly and excellent. Your skill in talking about different angles of the subject “Intellectual Property Rights” was highly appreciated by those representing all side of that extremely informative topic.

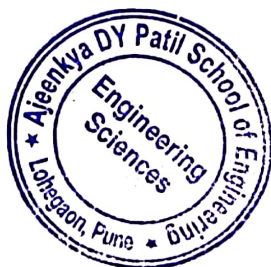

Your efforts contributed sustainably to the quality and effectiveness of the resource planning towards the institute and were enhanced by the professionalism displayed by your experience in providing video conferencing support. We believe this guest lecture was one of the most productive sessions with highly intellectual resources.

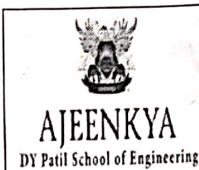

Thank you for gracious technical assessment & Professionalism.

Thanks and Regard

Event Report

Semester-II

Academic Year: 2023-24

Name of the Event: Expert talk on "Journey of start up from Inception to Establishment"

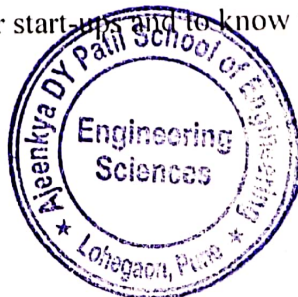

Date and Time	12/03/2024, 3:00 pm to 5:00 pm
Event Venue	Offline
Organized by	Dr. Shobha Rupanar
Targeted Audience	FE to BE students
Resource Person	Mr. Prashant Darekar, Founder & Owner of Treeta social & Commercial organization.

Content of the session:

1. Development of entrepreneurial skills, Analyzing market gaps, emerging trends, and consumer needs.
2. Important features of entrepreneurship and details process of filing from registration to establishment.
3. Building up the professional profile of an individual or as team owner/leader.
4. Fund raising and Financial management.
5. Role of government, Institution & Industry in Promoting start up.
6. Government & Nongovernment bodies for fund raising.

Event Objectives:

- To create interest and encourage students to do start-up and familiar with the process of start-up Inception to Establishment.
- To develop entrepreneurial skills among students and faculties.
- To understand pre-requisites for start-ups and to know the regulatory environment for Startups.

- Ideas of fund raising & financial management.
- To create awareness about role of Government, Industry and Institute in promoting Startups.
- To build a vibrant start-up ecosystem, by establishing a network between academia, financial institutions, industries, and other institutes.

Details of the event:

Department of Engineering Sciences (FE) has organized Expert Talk on "Journey of start up from Inception to Establishment". Guest Speaker invited for conduction of event is Mr. Prashant Darekar, Founder, TREETA Socio-Commecial Organization & Owner, TREETA Group of Business. The session was started at 3:00 pm with the welcome address. Invited guest shared his experiences and expertise with the students.

Learning outcomes:

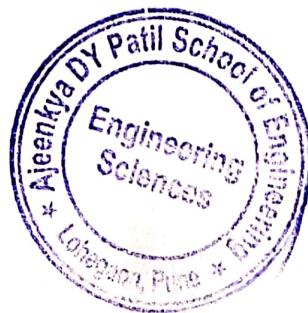

1. Students will be able to learn about their own start-up enterprise.
2. It develops the ability to recognize entrepreneurial opportunities by analyzing market gaps, emerging trends, and consumer needs.
3. It will create awareness about importance of theoretical concepts and practical skills of entrepreneurship among the students.
4. Important features of entrepreneurship and details process of filing from registration to establishment.
5. Students will be able to build up their professional profile as an individual or as team owner/leader.

By focusing on these objectives and learning outcomes, the session aims to equip students with both theoretical knowledge and practical skills essential for navigating the challenging yet rewarding journey of entrepreneurship. The seminar was highly informative to students of first year to final year. Thus seminar provided valuable awareness and insights on the various aspects of Start up.

This event was conducted under the Institutions Innovations Council by Ministry of Education Initiative.

Event Contents:

1. Introduction of Guest & Agenda of event
2. Introduction to Plagiarism.
3. Ethics in Research
4. Policy & Culture
5. Interaction

Details of the event:

Department of Engineering Sciences (FE) has organized one day Seminar on "Plagiarism & Professional Ethics". Guest Speaker invited for conduction of event is Mr. Prakash Sarda, CO-founder of e Galactic, Pune.

The Programme was started at 11:00 am with the welcome address by Prof. Mamata Jiwankar.

Invited guest discussed in detail about the topics such as what is plagiarism? The session was conducted to provide practical guidance on avoiding plagiarism and promoting ethical conduct in research. Participants learned about proper citation practices, the importance of conducting thorough literature reviews, and tools available for plagiarism detection. The workshop encouraged interactive discussions and sharing of experiences among attendees. The Seminar was concluded at 12.00 noon by a vote of thanks by Dr. Shobha Rupanar.

The Seminar was highly informative to students, teachers and research scholars. Teachers and students from other departments are participated in the seminar. Thus seminar provided valuable awareness and insights on the various aspects of plagiarism & Profession Ethics. The technical support was provided by Mr. Nikesh Patole, Ms. Jayashree Patil & FE Student Team.

This event was conducted under the Institutions Innovations Council by Ministry of Education Initiative.

Event Report

Academic Year: 2023-24

Semester: II

Name of the event: Guest lecture on Introduction to Intellectual Property Rights.

Date and Time	24 th April 2024, 2.00pm to 4.00pm
Event Venue	Ajeenkya D Y Patil School of Engineering
Organized by	Mr. Vishwajeet Kadlag
Targeted Audience	Second year, third year , final year civil Engineering students and Faculties
Resource Person	Prof. Vishwajeet Kadlag Assistant Professor Ajeenkya DY Patil School of Engineering, Pune, Maharashtra.

Event Contents:

1. Welcome, introduction and felicitation of Guest
2. Guest lecture
3. Question and answer session
4. Vote of thanks

Introduction:

D.Y. Patil International School, Pune has always been a forerunner in nurturing the creative minds of its students. Understanding the significance of fostering an entrepreneurial mindset, the school continuously strives to provide students with the knowledge and skills necessary to excel in various domains. In line with this commitment, the school organized an insightful session on "Intellectual Property Rights" (IPR), aimed at introducing students to the importance of protecting their innovative ideas.

Objective:

The session aimed to raise awareness among the students of Grade IX regarding the concept of Intellectual Property Rights (IPR). It emphasized the importance of IPR in safeguarding the creations and innovations of individuals, particularly entrepreneurs. The session also aimed to provide students with a clear understanding of the process and procedures involved in obtaining intellectual property protection.

Session Overview:

The session was conducted by Mr. Vishwajeet Kadlag, an expert in the field of Intellectual Property Rights. Mr. Kadlag began by explaining the basic concepts of intellectual property, which include patents, copyrights, trademarks, and trade secrets. He highlighted how these legal protections are crucial for inventors and creators to maintain exclusive rights to their work, and to prevent unauthorized use or duplication by others.

The speaker also elaborated on the various types of intellectual property, their relevance, and the benefits of securing IPR for one's creations. Students learned about the processes involved in registering patents, trademarks, and copyrights, as well as the legal implications of not protecting one's intellectual property. Real-life examples were shared to illustrate the significance of IPR in the business world, particularly for entrepreneurs.

Key Highlights:

Introduction to Intellectual Property: Understanding patents, copyrights, trademarks, and trade secrets.

Importance of IPR for Entrepreneurs: How protecting intellectual property is vital for business success.

IPR Registration Process: Step-by-step guidance on how to file for intellectual property protection.

Legal and Commercial Aspects: Impact of intellectual property rights on the commercial viability of innovative ideas.

Real-life Examples: Case studies of successful entrepreneurs and how IPR played a role in their achievements.

Student Engagement:

The session was interactive, with students actively participating and asking insightful questions. Mr. Kadlag encouraged students to think about their own creative ideas and how they could safeguard them using IPR. The students were eager to understand how

intellectual property can be used to protect their innovations in the future, particularly as they aspire to pursue careers as entrepreneurs or innovators.

Conclusion:

The session concluded with a comprehensive summary of the key points covered. Mr. Kadlag emphasized the significance of acquiring knowledge about intellectual property rights as a vital step in the journey of an entrepreneur. Students were encouraged to explore IPR further and consider it as an essential tool in their professional and creative endeavors.

Feedback:

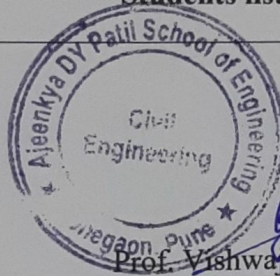

The students of Grade IX expressed their appreciation for the session and conveyed how informative it was in understanding the complexities of intellectual property. The practical knowledge gained is expected to benefit them in their academic journey and future entrepreneurial ventures.
