Dear Yash Jagdish:

I am pleased to inform you that you have been admitted to the Master of Science program in Computer Science in the Schaefer School of Engineering and Science at Stevens Institute of Technology for the Fall 2024 semester. Congratulations!

Because of your outstanding profile, the admissions committee has recommended you for a graduate scholarship in the amount of \$12000. This highly selective scholarship is offered to only the most highly qualified prospective students, and you should be proud to count yourself among this select group.

For 150 years, the Schaefer School has educated tomorrow's technology leaders to push the boundaries between engineering, science, and beyond. You have been selected to join our internationally renowned community of scholars because of your academic achievement and ingenuity.

This is an exciting time to be at Stevens. Ranked 15th in the U.S. by the American Society of Engineering Education for the number of Master's degrees awarded, Stevens graduates are in high demand and recognized by employers as top candidates.

As a member of the Schaefer School community, you will work alongside scholars who are at the forefront of their fields, and our academic programs will instill a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world.

For more details on your admission, please read the information on the following page. To confirm or decline this offer of admission, please see details under the "Next Steps" section below.

Stevens has built its reputation as "the innovation university" largely because of the quality of faculty and students like you. I am confident that you will find your experience at Stevens enriching and rewarding. Congratulations again, and I extend my warmest welcome.

I look forward to meeting you on campus.
Sincerely,

Dr. Jean Zu

India

Congratulations! As indicated in the letter from the Dean, you have been awarded a Master's Scholarship Award for the Fall 2024 semester in the amount of \$12000.

Please read the terms and conditions of this award.

- This is a one-time award that will be disbursed over two consecutive semesters; the award can only be applied toward your tuition and fees for two subsequent semesters, beginning with the Fall 2024 semester.
- The award cannot be deferred to a future term and is non-transferable.
- To accept the award, the enrollment deposit of \$500 must be paid on your Applicant Status Page by **March 15, 2024**. The enrollment deposit is non-refundable, but will be credited toward your tuition.
- The award will be disbursed in two equal installments and applied towards your student account after the drop/add period of respective semester.
- This award is contingent upon you maintaining a full-time on-campus enrollment status as a Master's student in the program for which this award was made. At any time during the semesters should your enrollment status change your award will be canceled and any funds disbursed for that semester will be removed from your student account. You will be responsible for making any outstanding balances that result due to the fellowship cancellation.
- The award is only valid for students enrolled full-time in an on-campus Master's program.
- The award will also be canceled should you decide to withdraw from Stevens at any time during the above-mentioned semester.
- If you are a current Stevens Institute of Technology student and have been admitted into a new program, you are not eligible for the scholarship.
- Failure to accept the offer of admission and pay the enrollment deposit will result in the automatic forfeiture of the scholarship award.

2	From third month to before completion of 11 months	[[27 Credits x 6278/credit)+15000]*18% GST	2,17,708/-*
3	After 11 months	100 % Deduction NO REFUND	

Total Refund payable to the student = Total Fees paid – Net deduction as applicable*

In case you are unable to complete the program in four semesters as per plan, you will be provided with the option of carrying it over up to two additional semesters. If you cannot complete it in 6 semesters, then the degree will not be awarded.

Visvesvaraya National Institute of Technology, Nagpur
विश्वेश्वरैया राष्ट्रीय प्रौद्योगिकी संस्थान, नागपुर

In case of enrolment into the 5th and 6th semesters, the course fee needs to be paid by you over and above the above-mentioned fee. The additional fee payable will be 1/2 of the semester fee per course along with examination fees of Rs. 6000 (Six Thousand Only).

You will be provided with bridge course for Python, SQL and Mathematics. This M.Tech program is highly technical and requires certain mathematical and coding skills as pre-requisite. Candidates lacking these skills can undergo the bridge course provided without any additional cost. The details for the same will be provided upon or before the beginning of the cohort.

For any clarifications, you can reach out to **Intellipaat's** admissions team at +91-7022374614.

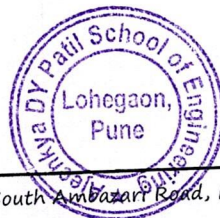

Once again, many congratulations for securing a seat in the **M.Tech. In Applied AI from VNIT Nagpur**

If you are going ahead with the enrolment, it means you have understood the terms and conditions mentioned in this offer letter and accepted the same.

Please Note:

1. **VNIT Nagpur & Intellipaat** reserves the right to withdraw your candidature if your education records/credentials are found to have been tampered by you and are not an accurate description of your academic and professional credentials.

Dear Pratiksha Mohite:

I am pleased to inform you that you have been admitted to the Master of Science program in Computer Science in the Schaefer School of Engineering and Science at Stevens Institute of Technology for the Fall 2024 semester. Congratulations!

Because of your outstanding profile, the admissions committee has recommended you for a graduate scholarship in the amount of \$12000. This highly selective scholarship is offered to only the most highly qualified prospective students, and you should be proud to count yourself among this select group.

For 150 years, the Schaefer School has educated tomorrow's technology leaders to push the boundaries between engineering, science, and beyond. You have been selected to join our internationally renowned community of scholars because of your academic achievement and ingenuity.

This is an exciting time to be at Stevens. Ranked 15th in the U.S. by the American Society of Engineering Education for the number of Master's degrees awarded, Stevens graduates are in high demand and recognized by employers as top candidates.

As a member of the Schaefer School community, you will work alongside scholars who are at the forefront of their fields, and our academic programs will instill a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world.

For more details on your admission, please read the information on the following page. To confirm or decline this offer of admission, please see details under the "Next Steps" section below.

Stevens has built its reputation as "the innovation university" largely because of the quality of faculty and students like you. I am confident that you will find your experience at Stevens enriching and rewarding. Congratulations again, and I extend my warmest welcome.

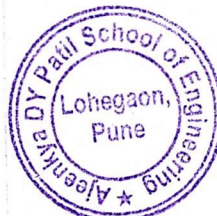

I look forward to meeting you on campus.

Sincerely,

Dr. Jean Zu
Dean of the Schaefer School of Engineering & Science

Dear Tanmay Prakash Kadam

Your CAS statement for the University of Essex is included at the bottom of this document. Please read the notes below and check your CAS carefully

About your CAS (Confirmation of Acceptance for Studies):

- Your CAS is an electronic document issued by The University of Essex through the Home Office system.
- You will need to enter the CAS number stated below when you make your Student visa application.
- This CAS is valid for 6 months from the date of issue and can be used to make one Student visa application.
- We reserve the right to withdraw the CAS if you fail to register, or if we become aware that you cannot meet the requirements to make a successful Student visa application.

What you need to do now

Check the information in your CAS statement and contact us immediately if:

- Any details in the CAS are incorrect and need amending.
- You think you may want to change your course.
- You do not intend to use this CAS.
- You are unable to or do not intend to register for your course.
- You are already in the UK and are unsure if you are eligible to make a Student visa application.
- You have made a payment to the University and this is not showing on your CAS as expected.

It is your responsibility to check **all** the details in this statement and request amendments before making your Student visa application. If you do not request any necessary amendments before making your visa application, we cannot be held responsible for any subsequent problems with your visa.

Your Student visa application

Our immigration webpages contain useful information about:

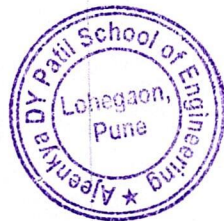

- Where and when you can apply for your Student visa
- What to do before you apply for your Student visa
- Your finances and documents
- Completing your Student visa application form
- Preparing for your interview with the Home Office
- When to travel to the UK

You must be able to demonstrate that you meet **all** the Student visa rules and requirements on the date you make your Student visa application. If you do not, your application will be refused and you may not be able to start your studies as planned.

- Find out what to do when you receive the outcome of your Student route application, including what to do before you travel, and obtaining your Biometric Residence Permit (BRP), on our immigration webpages.
- Let us know as soon as possible if your Student visa application is refused and provide a copy of your refusal notice.

By using this CAS you are entering into a contract with the University as your Student visa sponsor. You must maintain your immigration status throughout your studies. As a sponsored student you will have many additional responsibilities both to us and the Home Office whilst you are studying.

You can see more information about these responsibilities here: <https://www.essex.ac.uk/student/immigration-and-visas>
