Event Report

Academic Year: 2023-24

Semester-I

Name of the event: Alumni Meet 2023

Date and Time	22/07/2023 10.00 am onwards
Event Venue	Auditorium
Organized by	ADYPSOE Alumni Coordinators
Targeted Audience	All Passed out students from 2014 Batch
Resource Person	NA

Details of the event:

The Alumni Meet for the 2014-20 batch of ADYPSOE was a memorable event that brought together former students to reconnect, share experiences, and contribute to the college's development. The event aimed to strengthen the bond between the alumni and their alma mater, while also obtaining valuable feedback from them to enhance the college's overall growth and improvement.

Activities and Highlights:

Registration and Welcome: The event kicked off with a warm registration process, where alumni were greeted by the organizing committee. They received welcome kits that included college memorabilia and event schedules.

Inaugural Address given by Dean Alumni: Then Principal Sir, Director Madam along with distinguished faculty members, addressed the gathering, expressing their delight in welcoming back their former students. They emphasized the importance of alumni in contributing to the college's growth and encouraged them to share their valuable experiences.

Principal
 Ajeenkya DY Patil School of
 Engineering, Lohegaon, Pune

Standup Comedian Mr. Vaibhav Gupta continued with his comedy in the event. This refreshed the Alumni with his comedy.

Alumni Sharing Sessions: The event consisted of various interactive sessions where alumni from all branches shared their post-college experiences, career journeys, and insights gained in their respective fields. This not only inspired current students but also provided an opportunity for networking among the alumni.

Alumni Feedback and Suggestions: A dedicated feedback session was conducted to gather suggestions and ideas from the alumni regarding the college's development. Alumni provided valuable input on academic programs, infrastructure, extracurricular activities, and alumni engagement initiatives.

Networking and Socializing: Informal networking sessions were organized to allow alumni to reconnect with old friends, make new connections, and strengthen their professional networks. These interactions facilitated potential collaborations and job opportunities.

Alumni Feedback Sharing:

The feedback received from the alumni was constructive and valuable. Some of the key points included:

Academic Excellence: Alumni appreciated the quality of education and the dedication of faculty members. They suggested more practical-oriented learning opportunities, industry collaborations, and exposure to the latest technologies and trends.

Infrastructure: While the existing infrastructure was praised, some alumni suggested upgrades to certain facilities such as the library, laboratories, and sports amenities to meet current standards.

Career Support: Alumni emphasized the importance of robust career counseling and placement support for students. They recommended stronger ties with industries to enhance internship and job placement opportunities.

Alumni Engagement: The need for regular alumni engagement activities and better communication channels between the college and its alumni were highlighted. Alumni expressed a keen interest in giving back to their alma mater through guest lectures, mentorship programs, internships, and scholarships.

The Alumni Meet 2023 was a resounding success, fostering a strong camaraderie among the alumni and the college community. The valuable feedback shared by the alumni played a pivotal role in guiding the college's development initiatives, ensuring that it continues to evolve as a center of academic excellence. The event ended on a high note with promises of staying connected and contributing to the growth and success of the institution in the years to come.

The session started with the speaker Mr. Neel explores different department in companies.

1. Resume Writing

A resume is a written record of your contact details, skills, skills and employment history. It establishes your details and appears to be appealing and convincing. It reflects and symbolizes an individual. Hence it is very vital to methodically draft the document with the

adequate information concerning ones professional life. It is a skill, and specialists in resume writing have taken it as a full time profession too. But individuals have to be skilled to draft their own resume as it is going to be advantageous for their careers and only they know themselves better

2. Interview Skills

Interviewing for an occupation needs a good amount of self-confidence, panache and interpersonal communication sense. The way in which you reflect yourself during an interview give hiring managers a first notion of you as a probable staffer, and set the quality for how you would perform in an daily capacity. Interview skills for setting yourself separately from your competition include advance preparation and research, Some of the to do things in an interview include: Organizing the materials required for interview Good dressing sense Being cheerful and expressive Having a positive body posture

3. Leadership Quality

The aptitude to lead relies on a number of key skills, but different leaders have different styles of leadership. Leadership in itself is a constellation of various skill sets like : • Effective Communication • Motivation • Delegation • Trustworthiness • Creativity • Feedback • Responsibility • Decision Making • Strategic Planning • People Management • Persuasion and Influence • Change Management

Total 60 students and 5 faculties are participated in this Session

This Lecture is coordinated by Prof.Paresh Khairnar under the guidance of Prof. Rohit Garad HoD Mechanical Engineering.

Details of the event:

On April 10, 2024, the Ajeenkya DY Patil School of Engineering hosted an illuminating guest lecture on the topic "Post-Graduation after Computer Engineering." The event aimed to provide current students with valuable insights and guidance regarding the diverse array of post-graduation opportunities following the completion of their undergraduate studies in computer engineering.

- **Exploring Options:** Gauri discussed post-graduation paths like Master's programs, certifications, research, and internships.
- **Importance of Education:** She stressed the value of higher education for enhanced skills and better career prospects.
- **Informed Decisions:** Gauri advised on researching universities, evaluating programs, and seeking financial aid.
- **Industry Insights:** She highlighted emerging fields like AI, cybersecurity, data science, and cloud computing.
- **Q&A Session:** The interactive session addressed queries on program selection, applications, careers, and industry trends.

The Alumni Guest Lecture on "Post-Graduation after Computer Engineering," featuring Gauri Gotmare, elicited widespread acclaim and appreciation. The event succeeded in furnishing students with invaluable insights and counsels to navigate their post-graduation options judiciously. It fostered a spirit of camaraderie and mentorship, forging connections between current students and accomplished alumni who

have traversed similar paths and attained remarkable success in their careers. This event served as a poignant reminder of the boundless opportunities awaiting those who are prepared to invest in their education and pursue their passion for technology.
