Ajeenkya D. Y. Patil School of Engineering, Lohegaon, Pune conducted offline seminar on **"A guest lecture on Panchayat Raj Day"** for benefit of students on the occasion of Panchayat Raj Day.

Celebrating Panchayat Raj Day through a guest lecture is a wonderful way to honor the grassroots governance system of India. Begin by introducing the significance of Panchayat Raj Day. Mention that it is celebrated on April 24th every year, commemorating the passing of the Constitution (73rd Amendment) Act, 1992, which institutionalized Panchayati Raj institutions (PRIs) in India. The guest lecture on Panchayat Raj Day commenced with an introduction highlighting the significance of the occasion.

The presenter emphasized the importance of local self-governance in India's democratic framework and introduced the theme of the lecture, which aimed to delve into the evolution, functions, challenges, and success stories of Panchayati Raj institutions. The audience gained an understanding of how PRIs plan and implement government schemes and programs at the grassroots level, contributing to inclusive growth and community development. The presenter identified various challenges faced by Panchayati Raj institutions, including resource constraints, capacity-building issues, political interference, and social inequalities.

There was so much talent within students which shown interest for such program as it seen from students and guest question and answer session. My deepest gratitude to Director Dr. Kamaljeet Kaur, Principal Dr. F. B. Sayyad and HOD F.E. Dr. S.M. Khairnar for giving me such opportunity for benefiting all our students.
