## INDEPENDENT AUDITORS' REPORT

**Name of the Public Trust: - DR. D.Y. PATIL SCHOOL OF ENGINEERING**

### Opinion

We have audited the Financial Statements of **DR D Y PATIL DR. D.Y. PATIL SCHOOL OF ENGINEERING**, which comprise the balance sheet as at March 31, 2021, and the Income and Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements of the entity are prepared, in all material respects, in accordance with The Maharashtra Public Trusts Act, 1950 Laws.

### Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with The Maharashtra Public Trusts Act, 1950 Law and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### Academic Audit Report

AY 2020-21

Internal Academic Audit is an important element in the college for assuring the quality of learning provided to students. The main objective of an academic audit is to ascertain the presence and adequacy of quality assurance procedures, their applicability and effectiveness in guaranteeing quality of inputs, processes and outputs. The Audit has been done by considering various **METRICS of Criteria-I to VII**. Please find below the strengths..... & scope for improvements;

#### **Strength:**

1. Adequate physical infrastructure exists
2. Committed management
3. Locational advantages being in city of Pune
4. Committed and dedicated faculty and staff
5. Strong administrative support to academic, cultural programs and student services
6. Attractive urban campus with well-equipped laboratories and physical infrastructure
7. Remedial classes organized for academically weak student

#### **Opportunities for AY 2021-22 .....**

1. Dr. D Y Patil brand name to be utilized effectively for marketing & communication
2. Resource generation through research and consultancy
3. Attracting funded projects
4. Skill development programs for teaching and non-teaching staff progression
5. Make DYP SOE technical Institution synergizing between all stake holders

#### **Challenges observed**

1. Availability of qualified faculty (faculties with Ph. D. qualifications)
2. High cost of delivering program
3. Regular investment to keep pace with emerging technologies
4. Competing with other technical institutions under SPPU university
5. Campus placements of students with good packages
6. More students from out of state to maintain diversity.
7. Externally funded research projects.

8. Consultancy in all departments
9. Quality publications in peer reviewed journals.

### **Scope for Improvement:**

Training programs conducted by inviting industry experts. Seminars, workshops, industrial visits organize to meet the need of the students. Memorandum of Understanding with signed with industries to help the students learn beyond the syllabus. More focus be given towards alumni involvement & contribution. Teaching & Learning process to be strengthened for the improvement of academic performance of the students.

Course Outcomes (COs), Program Outcomes (POs) and Program Specific Outcomes (PSOs) are defined but more focus to be given to properly analyse in line with outcome based education. The performance of the students in university examinations needs to be improved.

Good number of research papers are published and encourage faculty members to publish papers in peer reviewed journals of repute. Efforts to be initiated for fetching the grants form govt funding agencies. The students are actively involved in innovative projects and participate in various technological fest.

Provide better communication and skill development programmes so as to make the students more employable. The various skill based activities can be promoted through English language lab and foreign language lab. Institute maintains academic transparency. However, administrative and financial transparency to be fully operational.

Encourage faculty members to undertake sponsored research projects. Encourage the young faculty to obtain Ph.D degree from reputed institution. Library should have e-journals for the research activities.

Perspective planning for the next 5 years of the college to be prepared and communicated to all the stakeholders. Outcome based education to be properly understood and implemented
