DTE Code: EN6732

SPPU PUN Code: CEGP015720

Activity: Health Awareness Program

Date: - 3<sup>rd</sup> March 2023

Venue: - Snehwan

Activity Details:

During this 7 Days Camp students carried various physical activities. Arabics and Zumba are one of those activities where students did physical exercise with fun.

Modern-day children are surrounded by gadgets of many types – television, smartphones, video games, computers – to name a few. They require little or no physical activity. This has a negative impact on the overall health of the children. Physical activity is important for a child's development and lays the foundation for a healthy lifestyle.

### Activity: "Physical Activities with Snehwan children"

**Date:** - 7<sup>th</sup> March 2023

**Venue:** - Snehwan

**Activity Details:** During the evening hours volunteers decided to play some easy and enjoyable games and sports activities for the children like kabaddi, pass the ball, aim the bucket, etc. All Volunteers and the children at Snehwan share a very nice bond.

#### Benefits of outdoor play on students's health :

- Running and chasing which can develop good physical fitness, agility and stamina.
- Jumping and running which can develop bone density, large muscle groups and stability.
- Climbing which can develop coordination, balance and strength.
- Time away from busy routines and time-tables.

### Event Feedback Report

- 1. Name of the event:** Cleanliness activity under Puneet Sagar Abhiyan at Indrayani River, Alandi

Sr. No	Day and Date	Time	Schedule Details
1.	Tuesday 18/04/2023	8 am to 12.30 pm	Reported time at location – 8.15 am Activity duration time – 8.30 am to 11.30am Reported time in college – 12.30 pm

- 2. Objective of Puneet Sagar Abhiyan:**

To clean the plastic waste from seashores/rivers across the country

- 3. Activity conducted at Indrayani River Bank (Indrayani Nagar, Alandi):**

Collected the solid waste like plastic waste, glass bottles nearby river bank

- 4. Details of the activity:**

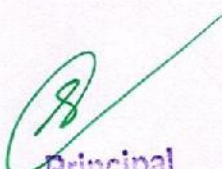

- a. Ajeenkya DY Patil School of Engineering cadets went for cleanliness activity at Indrayani River near Indrayani Nagar (Alandi) under the theme of Puneet Sagar Abhiyan on occasion of World Earth Day. Cadets divided into two teams having 17 cadets in team 1 and 16 cadets in team 2, each team having one team leader and one care taker. Both teams headed by event leader. Event leader and team leaders worked on distribution of safety gloves, garbage bag and equipment required for activity. Also event leader briefed about the activity. Care taker looked up on safety of cadets during activity. First aid kit was with Cadet Priyal Kalal for the treatment of cadets from injury.

Details of event leader, team leaders and care takers:-

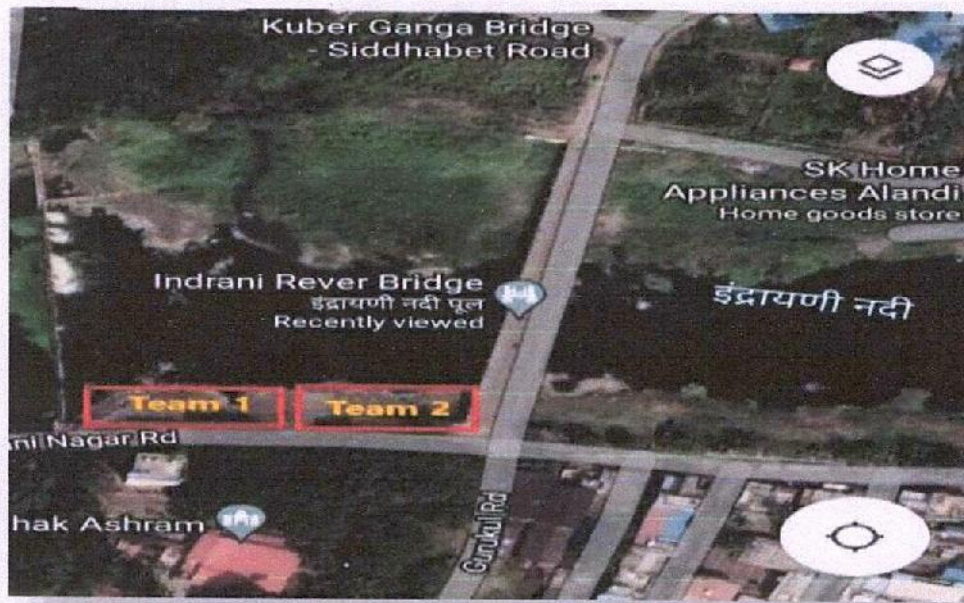

Sr. .No	Event Leader
1	Cdt Indrawadan Yelwande

Team	Team Leader	Care taker
1	Cdt Mansi S. Gitte	Cdt Pranav Jadhav
2	Cdt Bhavesh Patil	Cdt Bhagwat Koli

  
**Principal**  
 Ajeenkya DY Patil School of  
 Engineering, Lohegaon, Pune

#### Details of team locations for activity

- b. Respective teams went at their locations for cleanliness of river bank and performance of skit in Alandi. Cadets collected near about 40 plastic waste bags in a day. Approximately 25 kg of plastic waste collected from river bank in two days.
- c. Team leaders reported to the City Council (Nagar Parishad) about activity completed under the Puneet Sagar Abhiyan and City Council's members helped for transportation of collected swaste.
- d. All cadets reached safely in college and each cadet shared their experiences and learning.

#### 5. Outcomes:

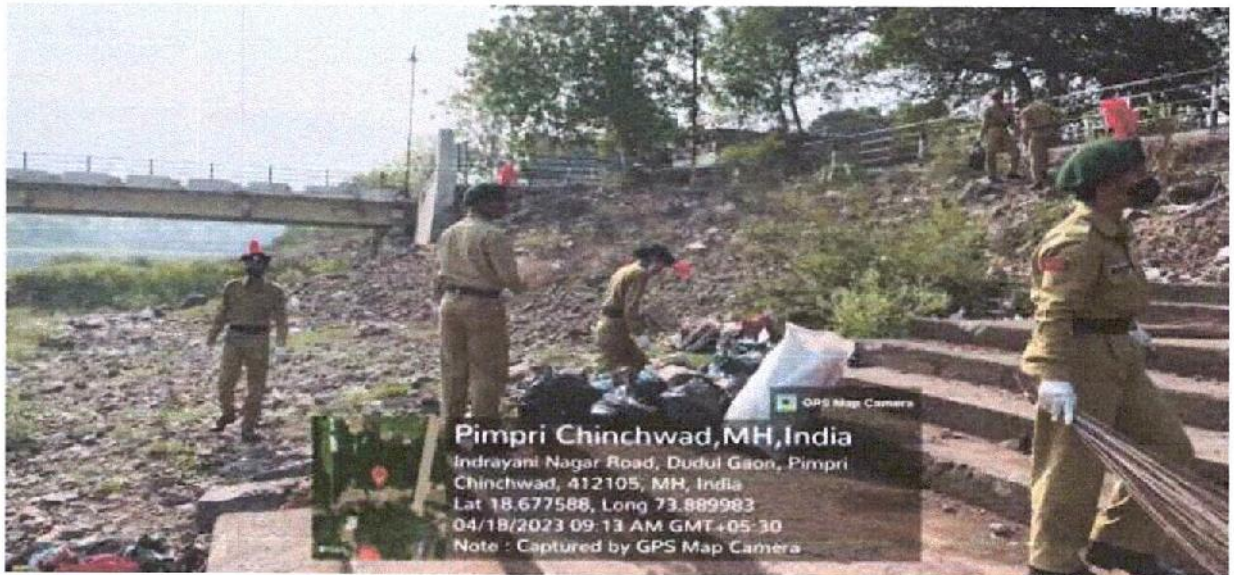

- a. Development of leadership quality
- b. Development of team work
- c. Development of nationalism

Event Permission with Budget

Academic Year: 2022-23

Semester-II

To  
The Principal,  
ADYPSOE, Pune

Subject: Request for permission to conduct the Event of Aerator installation in  
Utopia Society and consequent the budget

Through: HOD (Civil Engineering) & Environmental Club

Respected Sir,

As per Environmental Club Event of civil engineering department, we are going to  
conduct the event of Aerator installation in Utopia Society. We require the Aerators for this  
activity. List of materials and its prizes as mentioned.

Budget of the event:

Sr. No.	Items	Nos of Item	Amount
1	Aerator	25	1020
2	Snacks (breakfast and water bottle)	-	564
3	Petrol		490+110
Total =			2184

Total = Two Thousand One Hundred Eighty Four Only

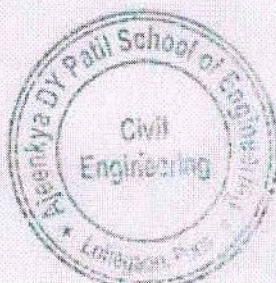

May I request you to give the permission to conduct this event? I further request you to sanction  
the budget of Rs.2184/-

Thanking You,

Yours Faithfully,

Name and Sign of Coordinator: Prof. Sarika Burle, Dr. Pallavi Kharat (Civil Engineering Dept)

Form No. IQAC/30

Date: 3<sup>rd</sup> May 2023

## Event Report

Academic Year: 2022-23

Semester-II

**Name of the event:** Installation of Aerator in Utopia Society.

Date and Time	3 <sup>rd</sup> May 2023
Event Venue	Utopia Society
Organized by	Department of Civil Engineering
Attendee's	10

### Event Contents:

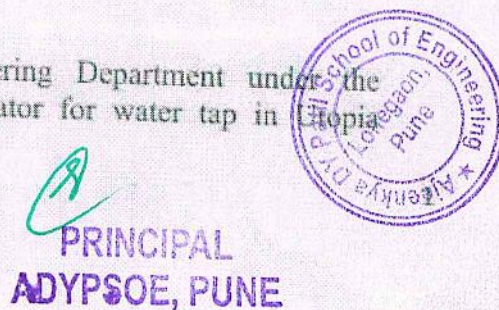

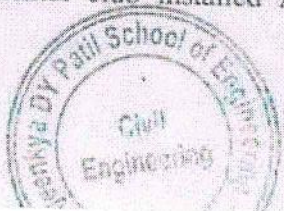

1. Improved Water Efficiency
2. Simple and Quick Installation

### Program Outcome:-

1. Aerators can help reduce water consumption by up to 30%, reducing water bills and conserving water resources.
2. Faucet aerators are easy to install and require no special tools or expertise. Most aerators simply screw onto the end of the faucet and can be installed in minutes.
3. Clogged aerators can reduce water pressure, making it difficult to perform basic tasks like washing dishes or filling up a glass. Cleaning your aerator can help restore water pressure, making it easier to use your faucet.

### Details of the event:

This event was organized by Civil Engineering Department under the environmental club. Environmental club installed Aerator for water tap in Utopia

Society, Moshi Pune. This event was organised by Prof. Sarika Thombare and Dr. Pallavi Kharat, under the guidance of Hod Lt. Col. Karodpati (Retd). The event executed by the Student co-coordinators and members of the environmental club. Environmental club installed 20 Aerator in Wash basins and Sinks of Utopia Society.

#### How do Tap Aerators Work:

Tap aerators have many small holes in the nozzle. This separates the water into different streams which means air can mix with the water, increasing the pressure and reducing the amount of water you need to use. The nozzle simply directs these many streams all in the same direction, meaning you actually end up with a stronger flow - for less water! That's some clever science for you!

**for. Example-** Tap aerators can reduce the flow of water by up to 10 liters per minute, taking the flow from 18 liters per minute to just 8lit. Aerators are used regularly in kitchen and bathroom taps, but they can also be used in shower heads, hot tubs, hose pipes and pond pumps.

#### The Benefits of Tap Aerators:

- 1) Decreased Faucet Noise. If you have noisy faucets, installing an aerator can reduce the disruptive sound.
- 2) Lower Water Bills.
- 3) High Return on Investment.
- 4) Improved Water Pressure.
- 5) Increased Filtration.
- 6) Minimized Splashing.
- 7) More Consistent Water Pressure.
- 8) Reduced Overall Water Us

### NSS DYP SOE (B-SF-093)

Date: 09-08-2022

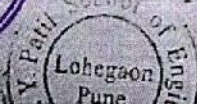

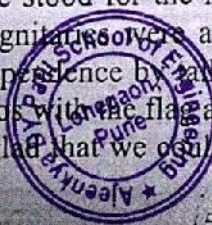

### EVENT REPORT HAR GHAR TIRANGA

Tuesday, 09 August

Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. With that aim, the NSS unit of DYP SOE started the campaign with "Tiranga Awareness Programme" organized at Savitribai Phule Pune University on 9th August 2022 at 4 pm in the evening.

'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

At the beginning as students arrived in the University for the Event, everyone was said to take their flags and be present at Auditorium of SPPU. For this event Honorable Deputy Chief minister of Maharashtra Mr. Devendra Fadnis was invited, he gave us a speech on importance of our national flag, history of our flag. Our team members were our Prof. Sachin Jadhav, Prof. Kunal Marathe, Prof. Ghule and our students Atharva Kapale, Pooja Kamble, Pallavi Waykar, Hrishikesh Urde, Rushi Borse. Lamp was lit up by our deputy minister then we were told to raise our flag higher to make a record that SPPU makes every year. Dance performances were done by the students of the University. Song was sung by a very nice singer and a student's. We stood for the National Anthem. Kulguru of the University were present. All the higher dignitaries were also present at the event to respect the event and celebrate 75 years of Independence by talking about our nation and about our unity. At the end everyone clicked photos with the flag and the dignitaries. Event was successful at the University. We were glad that we could visit and spread awareness about our nation and School of Engineering, Lohagaon, Pune.

the University. We were glad that we could visit and spread awareness about our nation and how many leaders sacrificed for freedom. Hoping to participate in more social cause is future to keep people aware and motivated.

Har Ghar Tiranga is a campaign to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. So under the aegis of Azadi Ka Amrit Mahotsav, a campaign Har Ghar Tiranga has been launched to encourage the citizens to hoist the national Flag of India in their homes. In the above backdrop, our college NSS took initiative under the leadership of Principal Dr. F B Sayyad and encouraged all the faculty members, staff and students to hoist the National Flag at their homes as well as create awareness among them how to keep the flag at their homes.

## Report of NSS Camp held at Nimgaon, Pune

The students of **Dr. D. Y. Patil School of Engineering** along with **NSS Programme officer Mr. Sachin Jadhav** sir and other two faculty members successfully conducted the first special camp after 2 years of lockdown, during **27<sup>th</sup> February 2022 to 06<sup>th</sup> March 2022** at Nimgaon village in Pune. We were blessed to have our camp at the base of **lord Khandoba temple**, the lord worshiped by the whole of Maharashtra. The team cleaned every possible area of the village and temple there.

The camp created awareness about the **mental stress** through the drama and **importance of education** and **girl child** through the street plays. Also came up with the idea of the relation between generation gaps through one of the best performances of the team. The other street play played and made everyone realize the **importance of marriage** at the right time that too of a girl, describing the motive of marriage to be done after the completion of education.

The team also did **tree plantations** around the temple. Students also had a detailed conversation with the villagers and higher authorities of the village regarding their geographical and historical information of the village.

## DAY-00 ARRIVALS AT THE WEDDING HALL AT THE BASE OF TEMPLE (27<sup>TH</sup> FEB 2022)

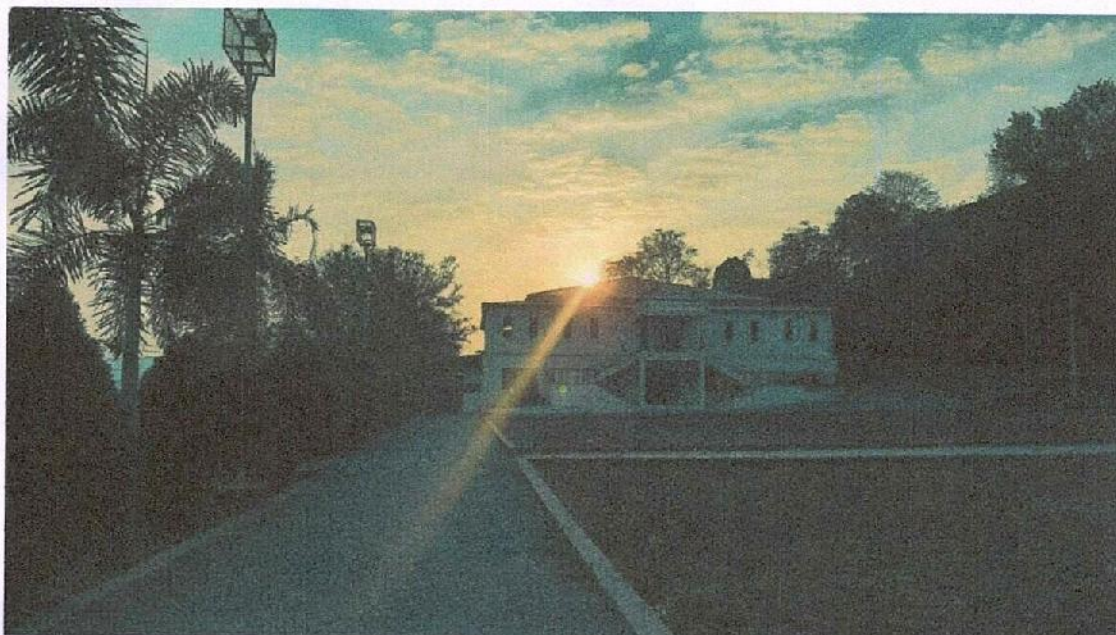

All the excited members arrived at the venue after 1.5 hours of traveling. Students settled down for a while and took a rest. Further, we had 5 teams of 5 members each created by our Programming Officer. Then the members cleaned the premises of stay i.e., the wedding hall. Duties were disturbed for the complete camp and executed neatly followed by a bonfire at night.

## DAY-01 HEAD START TO CAMPAIGN (28<sup>th</sup> FEBRUARY 2022)

**Group 01-** (Pranoti Chavan, Abhimanyu Tarde, Namdev Shinde, Hrishikesh Urde Patil and Siddhant Hase)

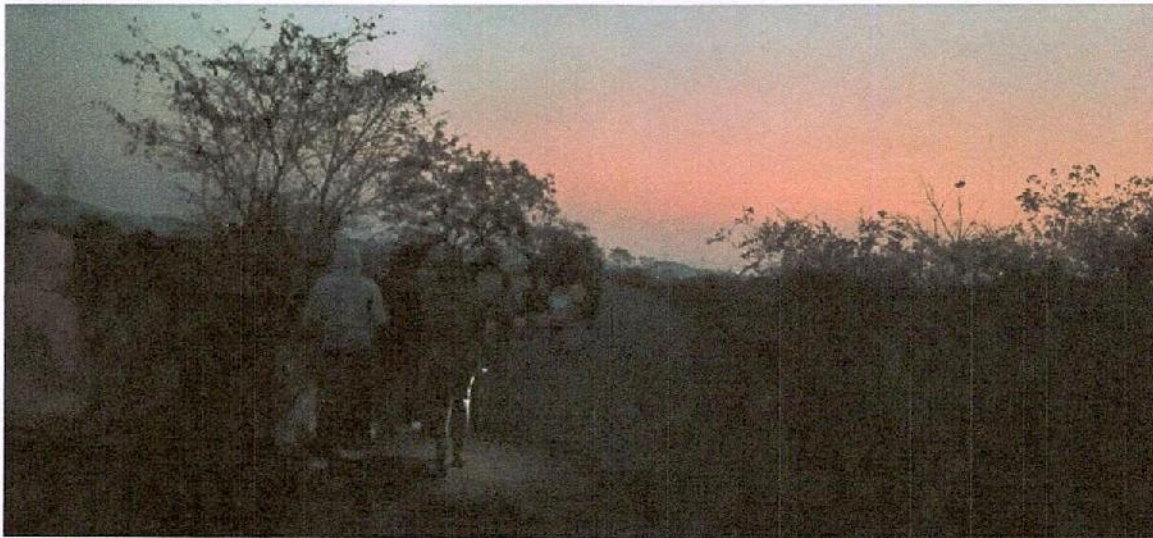

The day started with loads of enthusiasm, at around 5:00 in the morning. The NSS troop jogged down the town, watched and handled by NSS Leader Mr. Chinmay Solaat, witnessing the mesmerizing

sunrise.

  
**Principal**  
Ajeenkya DY Patil School of  
Engineering, Lohagaon, Pune

As per the scheduled group, the tasks were executed perfectly. Jog followed by breakfast made by the team. Members then cleaned the area of stay and returned to the hall. Everyone then freshens up and has lunch. At noon we had a lecture on **Fitness, Health care and Personality Development** by **Mr. Prashant Ghundre**. He described the importance of exercise and diet, also clearing various health related myths.

## DAY02 MAHASHIVRATRI SPECIAL (01<sup>st</sup> MARCH 2022)

**Group 02** (Pratiksha Kanade, Anuja belge, Pawanraj Khamkar, Atharva Kapale & Hemant Pawar)

  
Principal  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

As per the scheduled group, group 02 way started their day by waking up everyone personally in the camp.

### #Post Exercise and yoga photos

Day 2 was a very auspicious day as it was Mahashivratri. Prayer is an expansion of total faith in the present power within and around us.....Daily the morning assembly is held after a jog, in which the National Anthem is sung followed by the NSS pledge and prayer. As it was Mahashivratri we all had fasted and spent most of the time devoting god.

**"Cleanliness is next to godliness"** so after morning routine and breakfasts we started Our ***Shramdaan*** with a motive of cleaning the temple. The first area cleaned was temple premises from outside thoroughly. We created awareness by making '**eco-bricks**' through waste and garbage collected which looked beautiful. We know **"actions speak better than words"**, through our actions we showed villagers and visitors that collecting garbage is much harder than throwing a single wrapper.

 **Principal**  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

#members cleaning temple premises

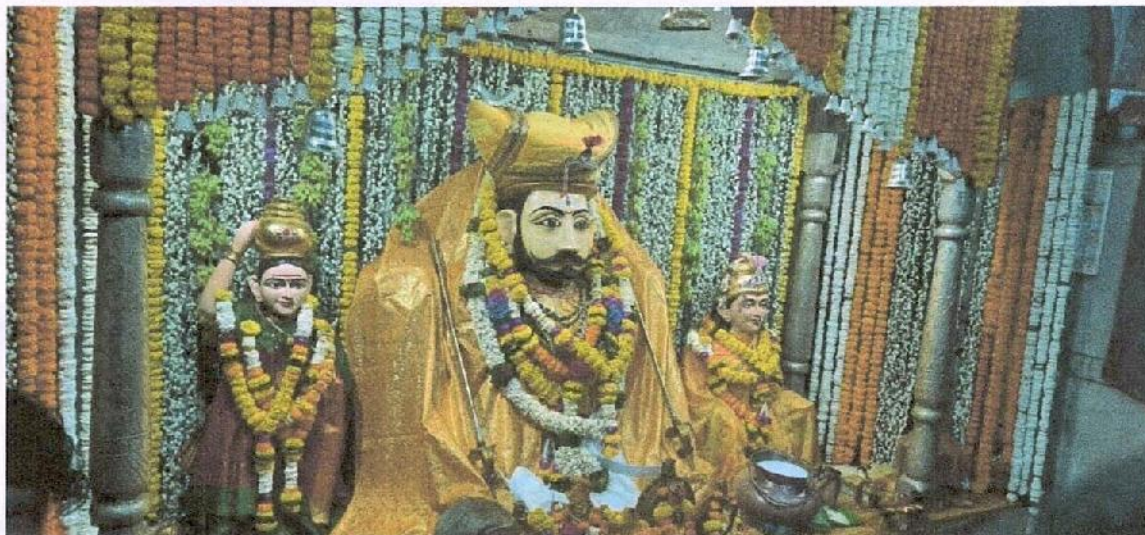

Later we visited the temple and came to know about the history of the temple and **lord Khandoba** along with his wives- **goddess**

  
Principal  
Ajeenkya DY Patil School of  
Engineering, Lohagaon, Pune

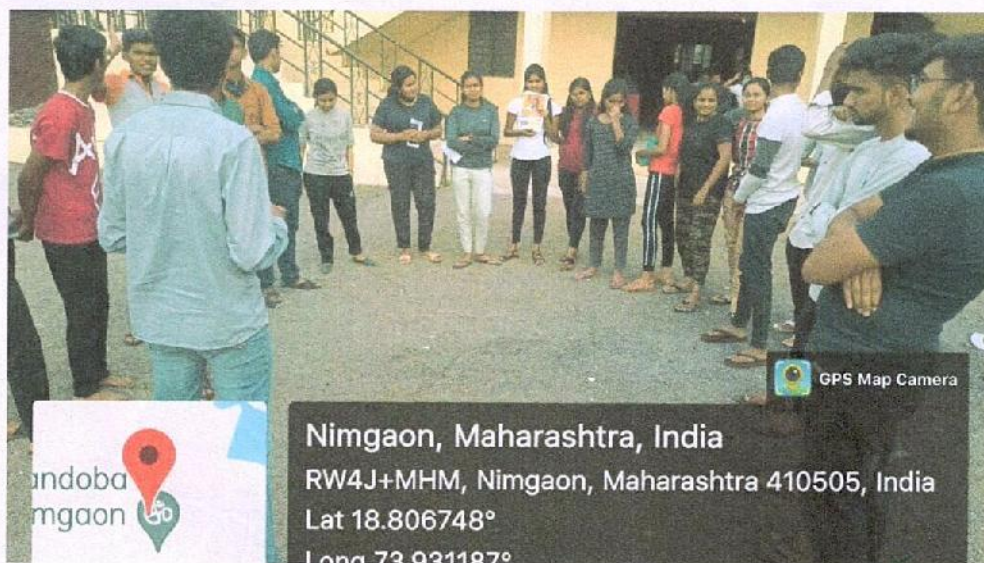

## **Mhalsa and goddess Banu.**

Further, the troop had group discussions in the eve along with tea on social issues and next day planning. The day started to end by practicing street play and cultural activities after dinner. Then comes the favorite part of the day-bonfire, where everyone around the fire showed off their special hidden talents.

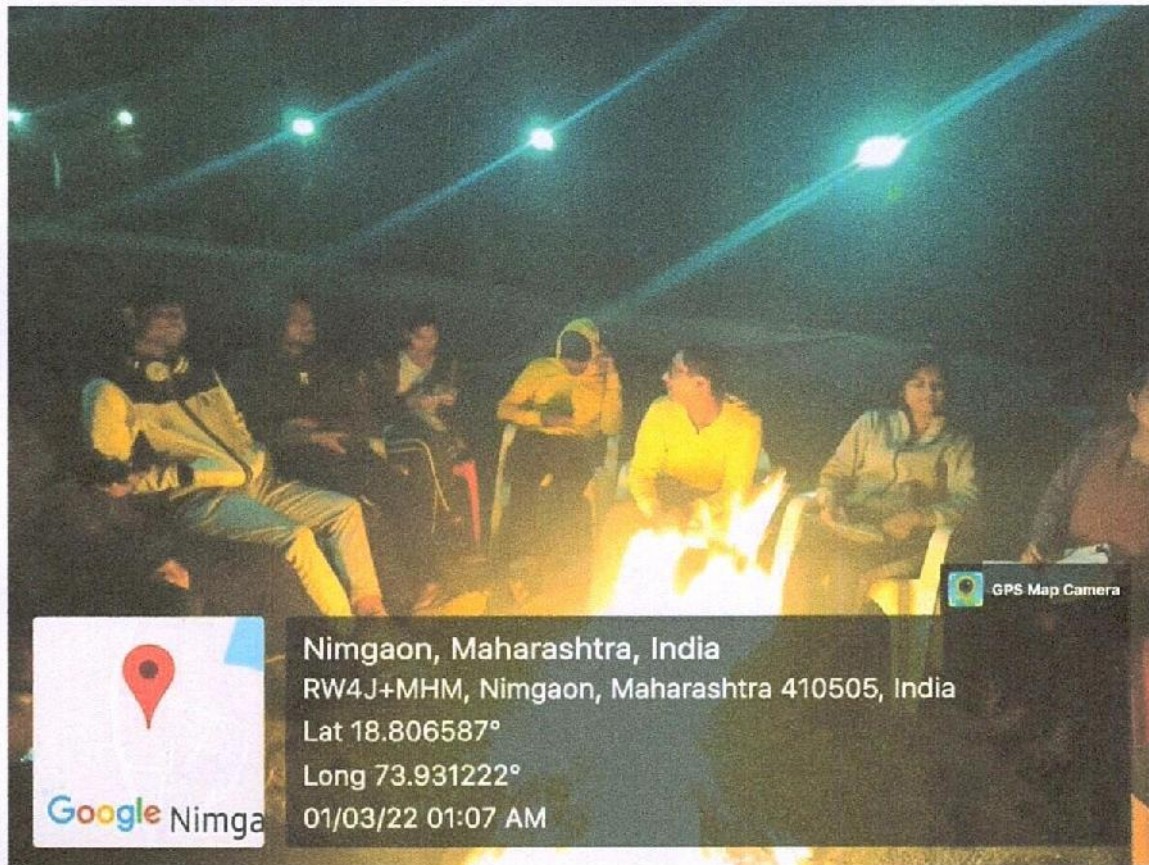

#sir discussing the activities

### DAY 03 SUPER ENTHUSIASTIC DAY (02<sup>nd</sup> MARCH 2022)

According to tasks allotted **Group 03** (Pallavi Waykar, Nita Koli, Ashish Deshmukh, Prajwal Gaikwad, Prajwal Padwal) rose up the day at 5:00 am. Everyone assembled and had the National Anthem collectively followed by NSS Pledge and songs with university song taken by joint representative Ms. Pratiksha Kanade.

 Principal  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

The exercises done by Mr. Abhimanyu Tarde made everyone energetic for the rest of the day, followed by yoga practices by Ms. Pratiksha Kanade and Ms. Pooja Kamble.

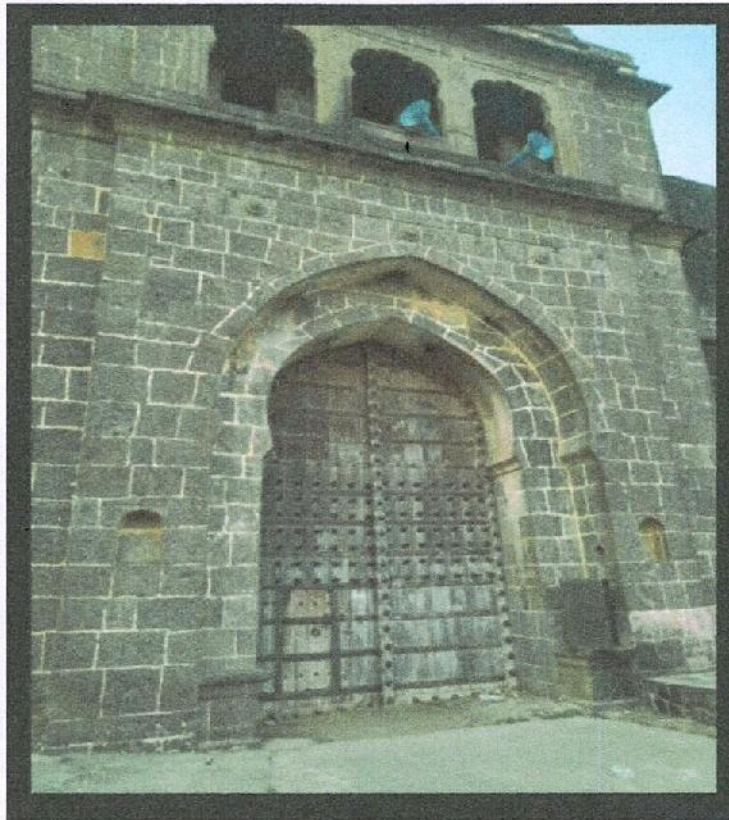

The trek then includes the visit to **Chandrahud Vada**, the very old and historic Vada (palace) of the village, and also the tourist spot. Where all came to know about the **Gaikwad's** and **Shinde's** and **Sikh** of the Vada. As per saying the Vada belonged to them, but further didn't find any solid proof.

#chandrachud photos

  
Principal  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

On return, the tasty lunch made by group03, ended the fast kept on Shivratri.

*[Signature]*  
 Principal  
 Ajeenkya DY Patil School of  
 Engineering, Lohegaon, Pune

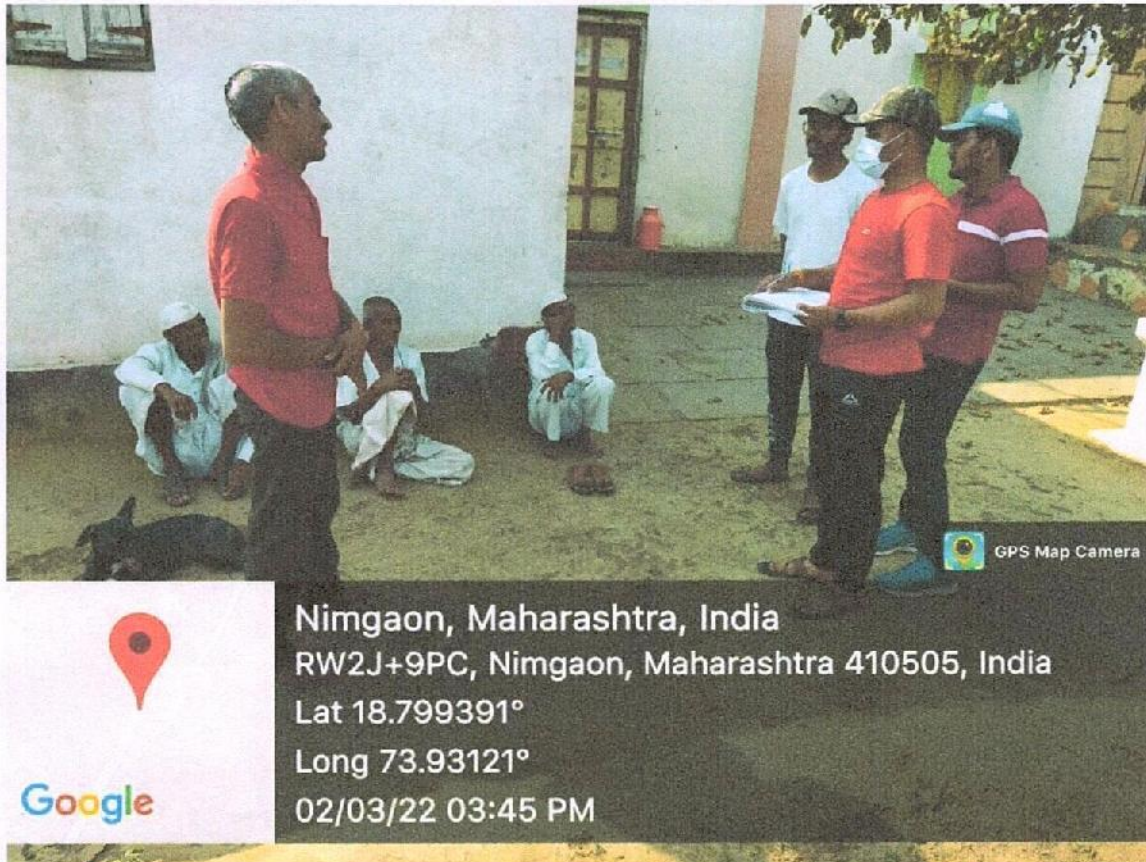

Lunch was then followed by a village **survey**. Village survey was one of the most interacting and interesting parts to the members where we came to know the history and legacy of the village from zero till date. Which include the sayings and myths of Vada, Gram Panchayat, the history behind the name of the village -**Nimgaon**. Also witnessed the temple's history. It was the interaction between the 3<sup>rd</sup> and 1<sup>st</sup> generations. Their experiences taught us life lessons. Villagers showed their love to our members by greeting us with a rose flower, which connected us to that villager's heart.

#survey photos

  
**Principal**  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

We then had preparations for the guest lecture at night.

We had **Mr. Swamiraj Suryakant Bhise**, the dignitary from the **Savitribai Phule University** with many qualities in him. He taught us many things, played games with us which were beneficial to us. He made everyone realise to have faith in themselves and the group too. It was the most beautiful guest lecture ever in the campaign.

#swamiraj sir photos

  
Principal  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

The day ended with practices for the drama NSS show, under the instructions of Cultural Head Mr. Prajwal Padwal & Ms. Pratiksha Kanade. Also, discussion regarding the activities and miscellaneous, and planning was done by Mr. Chinmay Solaat with the help of Prof. Ms. Shital Patil ma'am for next day after dinner around the bonfire.

#### DAY-04 DEEP BONDINGS AMONGST US (03<sup>RD</sup> MARCH 2022)

It was the fourth day of our camp. As per scheduled **Group04** (Pranay Diyewar, Krushnakant Bombe, Suraj Mane, Nayan Jagtap, Meghna Khambait) started their work, our mornings started with sun kissed walk and good amount of vitamin D.

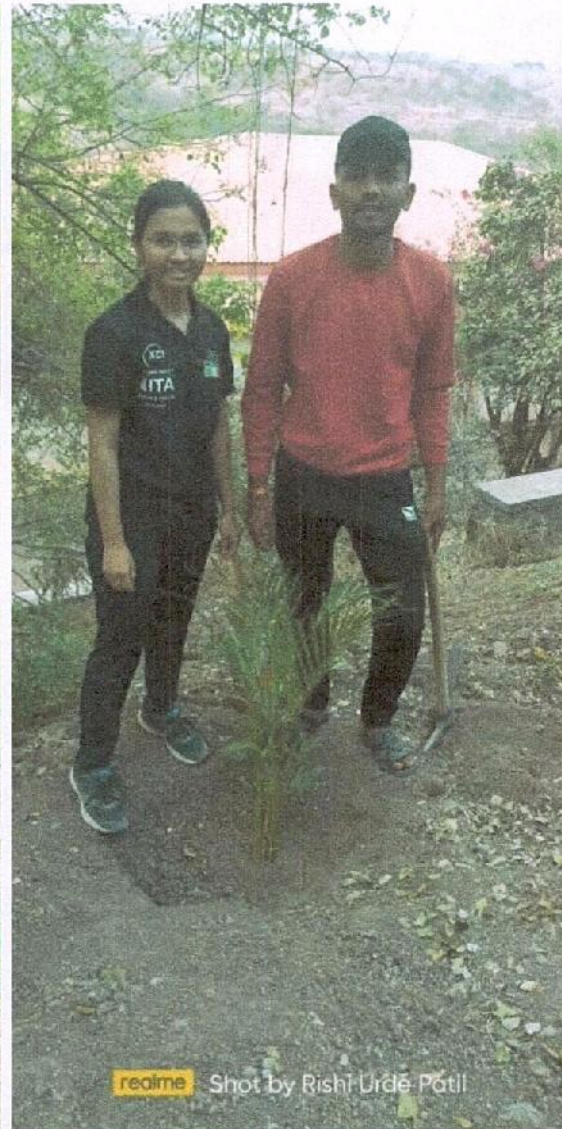

That day along with Mr. Abhimanyu Tarde, Mr. Pranay Diyewar took hard core exercises, yoga and games & made everyone flexible so that we could be energetic till end of the day.

  
Principal  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

## #TREE PLANTATION

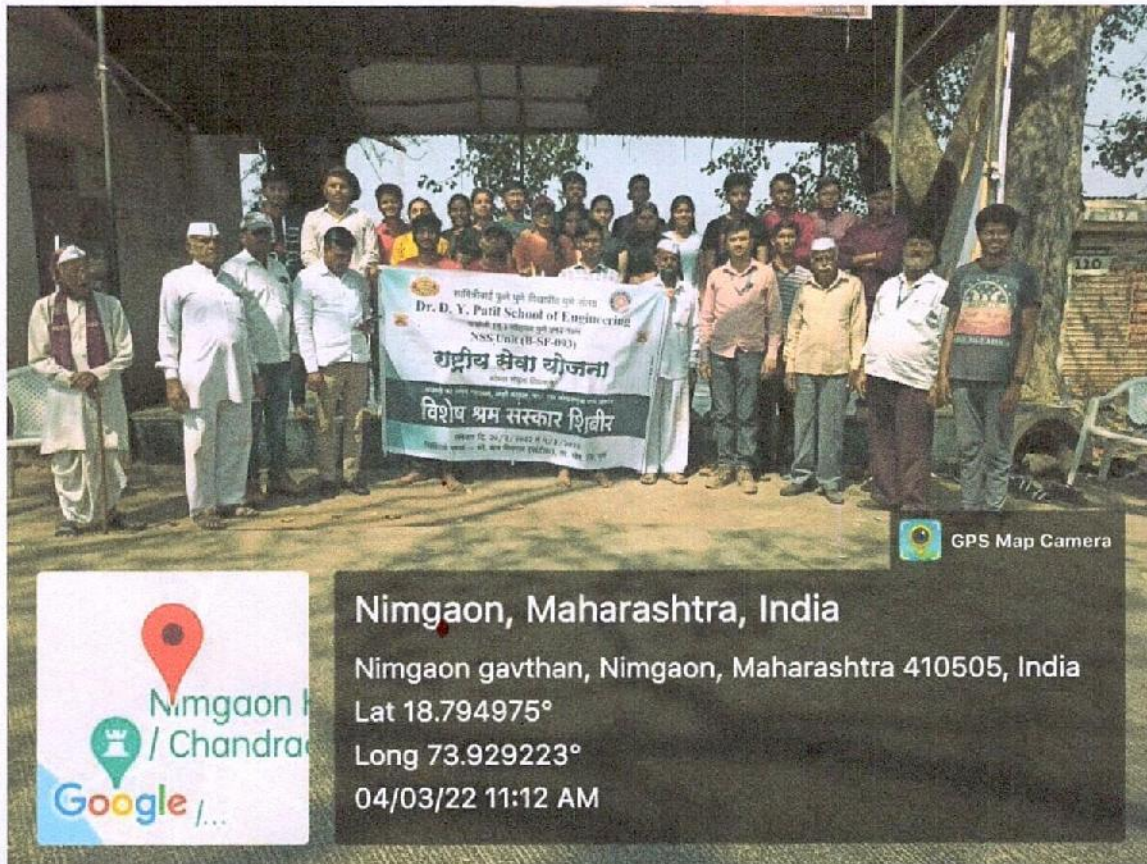

On return everyone headed to *chavdi* (a place where villagers along with sarpanch sit to discuss the problems and find the solution) of the village. The place where we performed the street plays in front of villagers and sarpanch and important dignitaries. They appreciated the work done by every member and so of NSS.

  
Principal  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

## #STREET PLAY PHOTOS

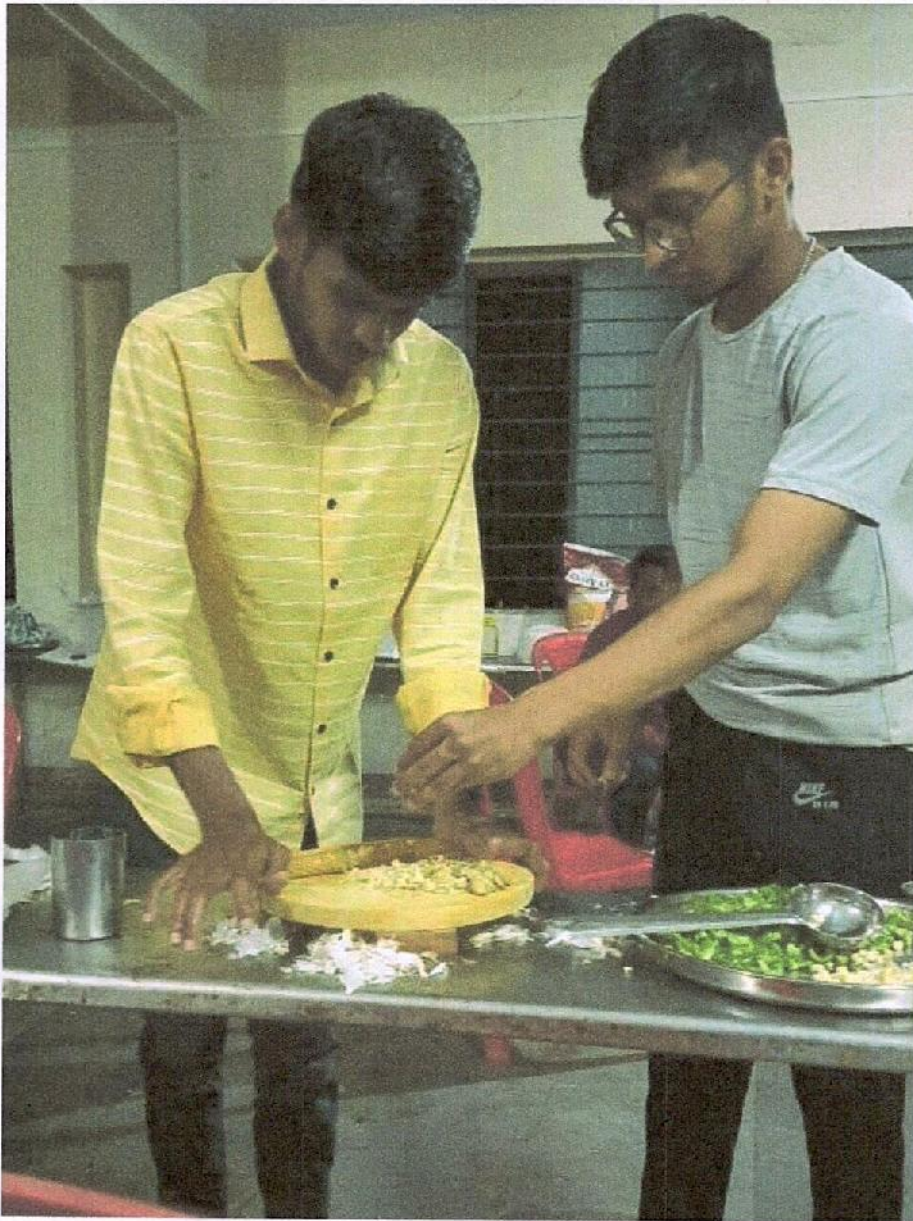

At the end which led to the discussions in the office and they interacted with us. We along with **Asst. Prof. Mr. Aniket Nemade** sir, collectively discussed the problems, suggested a few solutions and planned various future activities.

With the scheduled end of the day with practices, games, and much more fun activities

*Ajeenkya DY Patil School of Engineering*  
**Principal**  
Ajeenkya DY Patil School of Engineering, Lohegaon, Pune

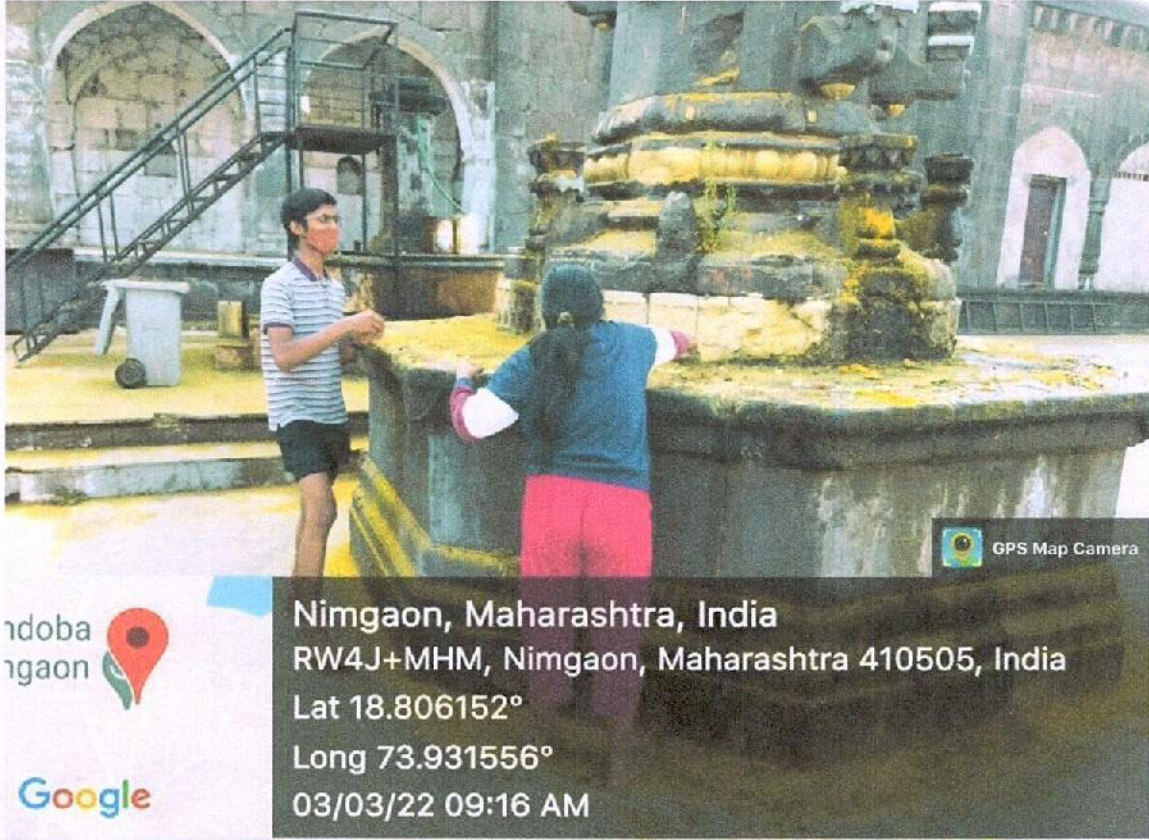

Breakfast filled the stomachs of members which gave them energy to clean *the **Khandoba temple*** thoroughly. Here with the help of village authorities our troop cleaned the Temple by washing every corner of the temple. Cleaning the temple was not just the cleaning activity scheduled but also the satisfaction on every member's face told that this was the better way to worship god.

  
Principal  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

#temple clean photo

On return everyone freshens up with lemon juice followed by lunch after a couple of hours. On the 4<sup>th</sup> day we had online guest lecture by **Mr. Sujit Shrimant Kangle** who shared their experience and views on **सापडेना वाट ज्यांना हो त्यांचा सारथी**. Where everyone jotted everything on their minds to never forget.

  
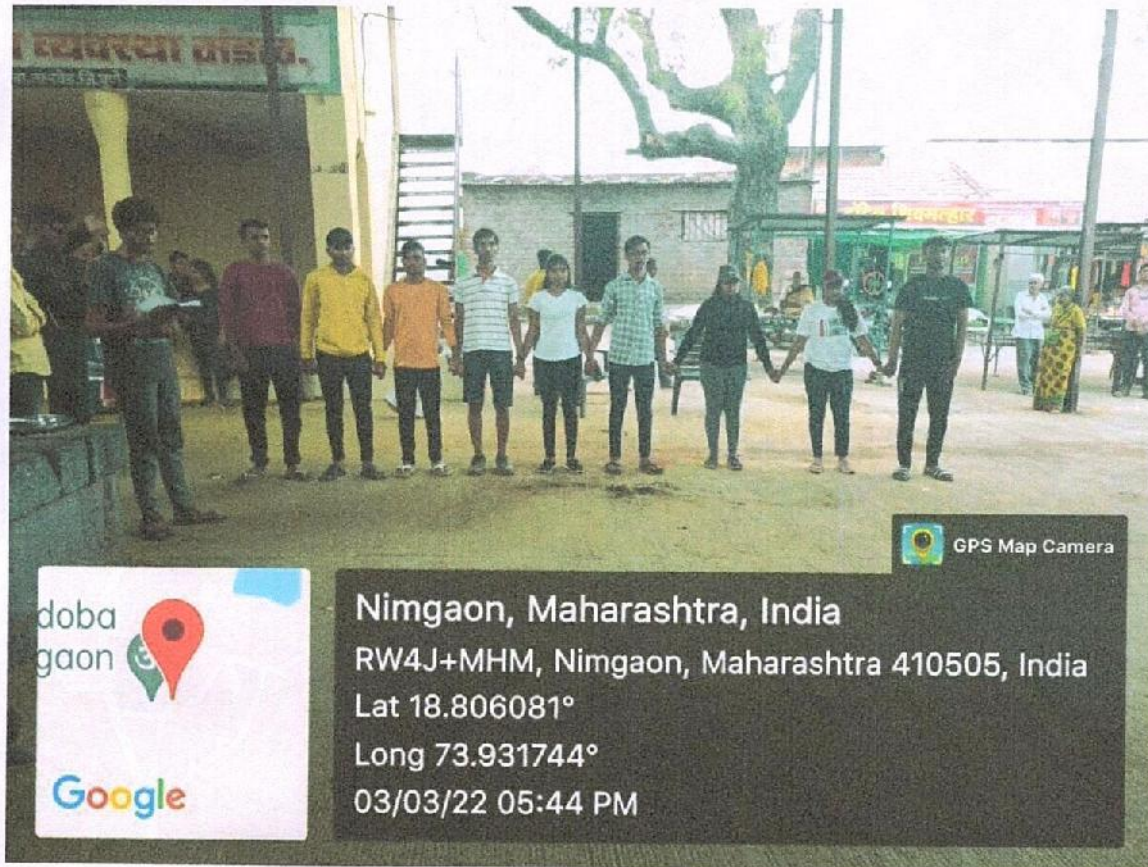

**Principal**  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

Today's evening was quite special as the 2 street plays directed by Mr. Prajwal Padwal, Mr. Chinmay Solaat respectively were performed at the entrance of Khandoba temple. In which our Ms. Vaishnavi Sirsat, Mr. Atharva Kapale, Mr. Prajwal Gaikwad, Mr. Prathamesh Bhudwant, Ms. Nita Koli, Ms. Meghna Khambait, Mr. Nayan Jagtap Ms. Anuja Belge rocked the audience by giving social message to the society.

#### #TEMPLESTREETPLAYPHOTO

Further as per the scheduled routine the day ended with dinner and games stuff

#### DAY-05 INVESTMENT FOR FUTURE GENERATIONS (04<sup>TH</sup> MARCH 2022)

So here comes the day, full of excitement, nervousness, tension and lots of fun.

  
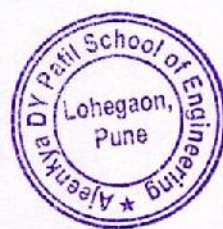

**Principal**  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

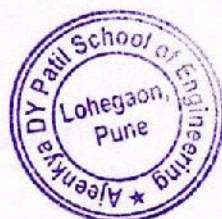

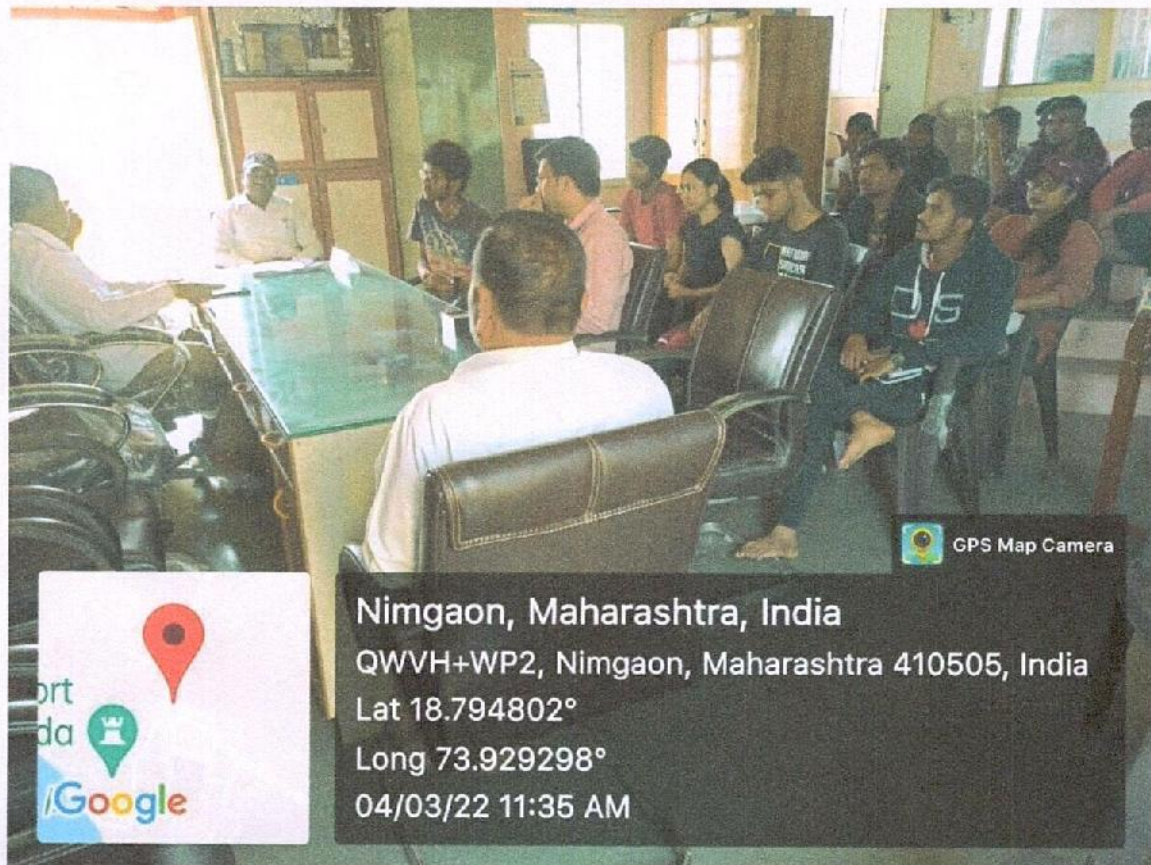

**Group 05**(Prathamesh Bhudwant, Pooja Kamble, Pratik Diyewar, Vaishnavi Sirsat, Abhishek Farande) made everyone assembled at the ground and had national anthem, prayers, songs, exercise, yoga by ending it with a energetic breakfast, followed by digging a perfect planting square and cleaning premises around temple.

  
 Principal  
 Ajeenkya DY Patil School of  
 Engineering, Lohegaon, Pune

## #OFFICE PHOTOS

  
Principal  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

## DAY06 AND THE SENDOFF (06<sup>TH</sup> MARCH 2022)

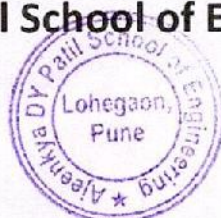

Just like a habit we all woke up, did the exercises, yoga and basic stuff followed by packing, indoor and outdoor cleaning of premises of stay and preparations for the final day and guests visiting from college and village.

We had a quick breakfast. The guests started arriving at the last function the very first lecturer on the last day we had was madam from **Human Rights Mrs. Ribeka Pradeep Shinde** from **Human Resources Development and Organization (HRDO)**.

#RIBEKA MA'AM PHOTOS

Further the guests started arriving, the **Principal Dr. F. B. Sayyed** and dignitaries from **Dr. D. Y. Patil School of Engineering**. Also, the

  
**Principal**  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

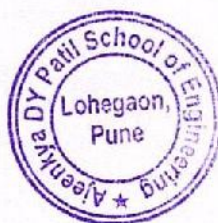

prestigious people from the village came to send us off. The group honoured every guest by offering a sapling.

### #GUEST FELICITATION PHOTOS

The guests then shared their views and experiences with all of us. Principal sir then had a discussion with all members at ground level and congratulated everyone for the rather successful completion of the camp.

  
Principal  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

#photo with principal and villagers

We know goodbyes are more than just endings' though it was the end of our camp, though we were saying goodbye to everyone and everything..... somewhere we all knew that it was just the beginning of a story, so many bonds that we created in these 7 days...

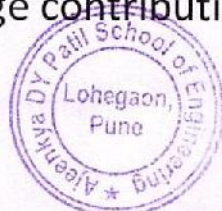

It was hard for all of us to express but we lived the most memorable 7 days of life, those 7 days were lessons for life which no doubt will make us the good person and a human

As per NSS motto 'NOT ME BUT YOU', we literally lived this line and felt its true meaning. Everyone pledged to be responsible and grateful towards society. And finally, we left with the memories which will always be treasured. With heartfelt feelings and immense satisfaction.

Special appreciation 😊

The team management was at its best throughout the time in which Mr. Hrishikesh Urde Patil, Mr. Suraj Mane,

Ms. Pooja Kamble, Mr. Nayan Jagtap, Mr. Krushnakant Bombe, Mr. Pranay Diyewar, Mr. Pawanraj Khamkar, and team. We appreciate the team for their huge contribution to external sources.

## Activity: "Shiv Swarajjya Din"

**Duration: 1 Hour**

**Date: 6 June 2022**

**Start Date: 6 June 2022**

**End Date: 6 June 2022**

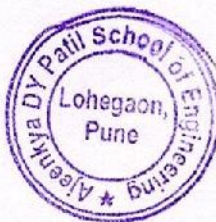

**Venue: SOET Building**

### Introduction about the Program/activity:

On "Shivswaraj Din", Ajeenkya D.Y. Patil School of Engineering college organized the program which was celebrated with great pride. With great devotion we garlanded the photo of Chhatrapati Shivaji Maharaj and illuminated the lamp.

### Brief Description about Program/activity:

Program was started at sharp 9:30 AM and ended at 10:30 AM. Geet on Shivaji Maharaj was sung by the members present. As a mark of respect salutation was given with three loud cheers and acclamations "CHATRAPATI SHIVAJI MAHARAJ KI JAI".

<b>Date and Time</b>	<b>13/08/2022 to 15/08/2022</b>
<b>Event Venue</b>	Online
<b>Organized by</b>	CESA from Civil Department
<b>Targeted Audience</b>	School, College Students and Staff
<b>Resource Person</b>	NA

Details of the event:

As this event is organized in online mode CESA students and Civil Engineering Department faculty members created Google form to collect responses from various locations and circulated among the all students and staff members, our college students and staff members circulated this link in their contacts in various schools and colleges.

Our main aim to organize this event to celebrate **"Azadi Ka Amrit Mahotsav"** to prmote this activity we use our college website in that we collected responses and photographs of participants with Tiranaga and floted on our college website on 15<sup>th</sup> August 2022.

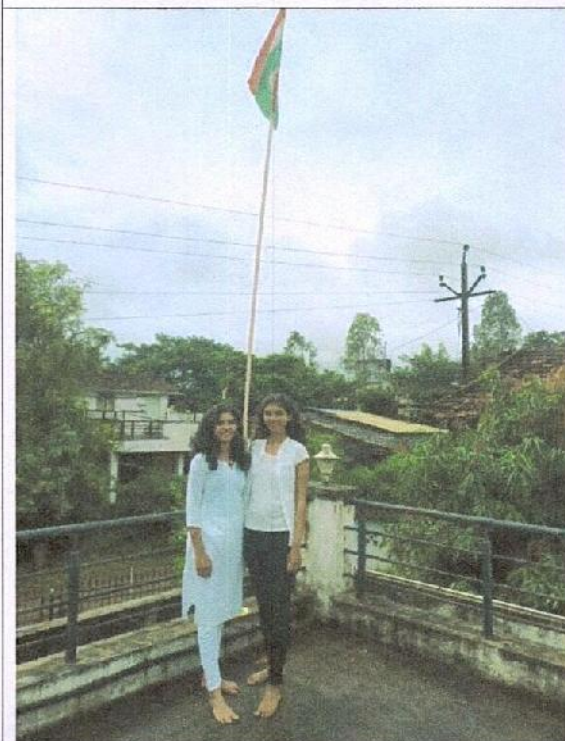

We got very good response from all the participants from various schools and colleges in and nearby pune. Total 109 participatns enrolled in this event and we floated all participants photographs with Tiranga on our College Website. Onle participation certificate is sent to participants on their email address.

### Event Report

**Academic Year: 2022-23**

**Semester-I**

**Name of the event: Cyclothon and Independence Day Celebration on 15<sup>th</sup> August, 2022**

<b>Date and Time</b>	15/08/2022, 06:00am to 10.30am
<b>Event Venue</b>	Ajeenkya DY Patil School of Engineering
<b>Organized by</b>	Institute
<b>Targeted Audience</b>	320+ Participants participated in the Cyclothon Event made Record for " <b>Longest line of moving bicycles</b> "!!
<b>Resource Person</b>	Dr. Eknath B. Khedkar, Dr. Kamaljeet Kaur, Dr. Farook Sayyad

#### **Event Contents:**

- 1. Longest Line of Moving Bicycles**
- 2. Celebration of 75<sup>TH</sup> Independence Day "Azadi ka Amrut Mahostav" & "Har Ghar Tiranga" Campaign**

#### **Details of the event:**

Ajeenkya DY Patil School of Engineering organized Event named "Cyclothon" on the auspicious Occasion of 75<sup>th</sup> Independence Day "Azaadi Ka Amrut Mahostav".

Event started early in the morning at 06:00am, During the event more than 320 number of Cyclist from institute, Pride world City Society and Lohgaon Charholi region participated. All cyclist participants formed a moving bicycle line which hold the record in India Book of Records for Longest line of moving bicycles. The program was partly sponsored by Pride World City Housing Society, Charholi (Bk.), Pune.

The rally of Moving cycle line started from Ajeenkya D Y Patil Knowledge City and passed through Pride World City and then participants returned back from Charholi Bk. To Ajeenkya D Y Patil Knowledge City.

For successful conduction of this program Mrs. Shweta Sharma, Dean Training and Placement, and her team played crucial role. Students, Teaching and Non-Teaching Faculty of the Ajeenkya D Y Patil Knowledge City actively participated in the event.

## **Activity: "Eco friendly Ganeshotsav"**

### **Theme - Go Green**

**Duration: 5 Days**

**Date: 30 th August**

**Start Date: 30<sup>th</sup> August 2022**

**End Date: 4<sup>th</sup> September 2022**

**Venue: Dental Campus**

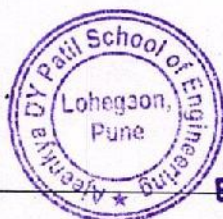

**Participants: ADYPU students and all faculty members**

#### **Introduction about the Program/activity:**

The NSS Unit of Dr. D Y Patil School Of Engineering and Technology organized "Ganesh Utsav" programme under the National Service Scheme (NSS) in the college premises. It was attended by faculty members and students from all over the campus. The event was held under presence of chief guest Dr. Kamaljeet Kaur Director of Ajeenkya D.Y. Patil School Of Engineering Technical Campus, Principal Dr. Faruq Sayyed and also Dean of Dental College.

#### **Brief Description about Program/activity:**

Under the Guidance of Asst. Prof. Dilip Ghule, NSS Program Coordinator, NSS volunteers organized many events during this festival. The students participated in every event very enthusiastically. Eventually, the ground attained a glorious look. The committee decided to proceed with the same inspiration, enthusiasm and zeal to encourage students.

**Principal**  
**Ajeenkya DY Patil School of**  
**Engineering, Lohegaon, Pune**

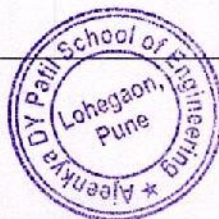

The event was commenced with the welcoming Lord Ganesha on 30<sup>th</sup> of August. Every year, ADYPU celebrates Ganesh Chaturthi in their campus. For five days, the students and faculty members celebrated the festival with gaiety and grandeur. The entire student community of ADYPU devoted a lot of time and sweat in the decoration and management of the event - right from the aarti of the Lord Ganesha to the naivadyam.

### Event Feedback Report

**Name of the event:** Cleanliness activity under Puneet Sagar Abhiyan at Indrayani River

Sr. No	Day and Date	Time	Schedule Details
1.	Saturday 26/11/2022	8 am to 2 pm	Reported time at location – 8 am Activity duration time – 8.15 am to 10.30am Reported time in college – 2.00 pm

### **Objective of Puneet Sagar Abhiyan:**

To clean the plastic waste from seashores/ivers across the country

### **Activity conducted at Indrayani River Bank (Charholi Khurd):**

1. Collected the solid waste like plastic waste, glass bottles nearby river bank.
2. Spread the awareness in the people about the importance of cleanliness nearby region by mouth publicity

### **Details of the activity:**

1. Ajeenkya DY Patil School of Engineering cadets went for cleanliness activity at Indrayani River near Charholi (Khurd) under the theme of Puneet Sagar Abhiyan on occasion of World River Day. Cadets were divided into three teams having 12 cadets in each team, each team having one team leader and one care taker. Team leader worked on distribution of safety gloves, mask, garbage bag and equipment required for activity. Care taker looked up on safety of cadets during activity. First aid kit was with Cadet Priyal Kalal for the treatment of cadets from injury.

Details of team leader and care taker:-

Team	Team Leader	Care taker
1	Cdt Mansi H. Gitte	Cdt Anand Darekar
2	Cdt Rohan Mane	Cdt Bhagwat Koli
3	Cdt Nikhil Pawar	Cdt Tanmay Chikane

  
**Principal**  
Ajeenkya DY Patil School of  
Engineering, Lohagaon, Pune

#### Details of team locations

2. Respective teams went at their locations for cleanliness of river bank. Cadets collected near bout 25 plastic waste bags. Approximately 30 kg of plastic waste collected from river bank along with more than 100 glass bottles near water body.
3. Team leaders reported to the local authority about activity completed under the Puneet Sagar Abhiyan and local authority helped for transportation of collected waste.
4. Cadets were spread the awareness in the people about the importance of cleanliness nearby region by mouth publicity.
5. All cadets came safely in college and each cadet shared their experience and learning on activity.

## Activity: "World AIDS Day "

**Duration: 2 Hours**

**Date: 1<sup>st</sup> December 2022**

**Start Date: 1<sup>st</sup> December 2022**

**End Date: 1<sup>st</sup> December 2022**

**Venue: Dental Campus**

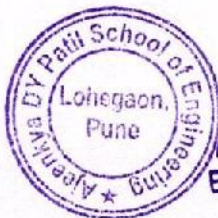

### Introduction about the Program/activity:

On **World AIDS Day**, the NSS unit along with almost 100 students organized a program in **Dr. D.Y. Patil School of Engineering** to spread the awareness among everyone. The program comprised performances which focused on providing society with knowledge of HIV-AIDS and reducing its stigma from society.

### Brief Description about Program/activity:

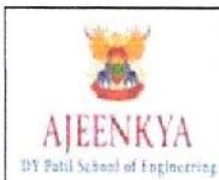

The NSS volunteers performed street play in the campus of Dr. D.Y. Patil School Of Engineering on 5th Oct 2022. The play was witnessed by around 250 students. The play was directed by the volunteers themselves where they shared facts and medically accurate information about HIV and AIDS. It was meant to bring awareness to the audience regarding the contemporary issues faced by people with AIDS in society.

Students who performed in the play were wearing the same-colored clothes i.e., Red and Black. In western culture, these are the two most sinister colors, as red typically conveys the meaning of blood, and black is that of darkness. Being a very striking combination, they can also convey a sense of power.

## **Activity: "Blood Donation Activity"**

**Duration: 2 Hours**

**Date: 22<sup>nd</sup> December 2022**

**Start Date: 22<sup>nd</sup> December 2022**

**End Date: 22<sup>nd</sup> December 2022**

**Venue: Seminar Hall**

**Participants: Students along faculty members**

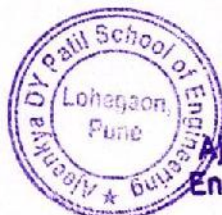

### **Introduction about the Program/activity:**

A **Blood donation camp** was organized by our **NSS unit**, through which more than 150 units of blood was donated by both students and the staff members of our **Dr D.Y. Patil School Of Engineering** college.

### **Brief Description about Program/activity:**

It is a way of our college in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the health experts. We need 12 million units of blood every year but just about nine million units are being donated.

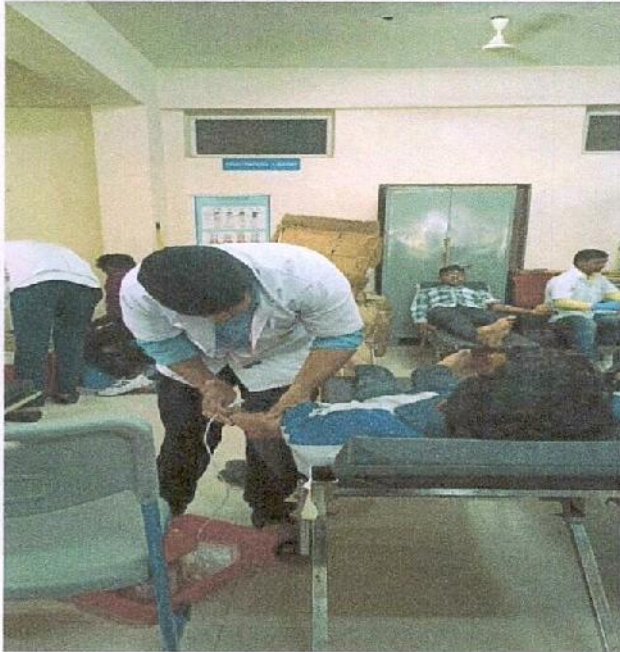

Our college has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing people at the camp our NSS volunteers brought awareness to them about the shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable people. Donation of blood is very critical and crucial for saving the lives of many patients and those who have met with accidents. It is such a great service or contribution to society and people living in it.

**Principal**

**Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune**

On 22<sup>nd</sup> December 2022 (Thursday), the camp was organized. The camp took place in the Seminar Hall of the college. The function started around 9 o'clock in the morning, with the students donating blood. The senior students at the school too participated in the program.

3. TREE PLANTATION
4. WATERING OF PLANTS
5. VOTE OF THANKS

#### Details of the event:

Ajinkya D.Y.Patil school of Engineering is blessed with a huge campus full of greenery.

To maintain the green environment and Biodiversity, Tree plantation drive was organized as an action for restoring Environment.

Principal

Ajeenkya DY Patil School of Engineering, Lohegaon, Pune

This good cause was carried out in presence of Director, Dr.Kamaljeet Kaur mam, Principal Dr.F.B.Sayyad sir, Dr.S.M.Khairnar sir, and head of the first year engineering department, teachers, non-teaching staff & students. It was conducted by the hands of our enthusiastic students at our institute campus.

Director and all the eminent persons were welcomed by offering plants.

Director Dr..Kamaljeet Kaur mam guided about the value of tree plantation and how this activity can affect the biodiversity of the campus.

In view of the biodiversity of bel plant we have planted 51 bel plants. Aegle marmelos commonly known as bilwa or bael is an important medicinal plant in Ayurveda. The English name for bael is stone apple, as its rather large fruit is like pale yellow to golden orange when ripe. In Sanskrit, it is called bilva or sriphal or shivadruma (the tree of shiva), while in Hindi, it is referred to as bel.

According to Ayurveda, it is a healing tree which gives strength to the body, and this accreditation seems also largely due to its diverse medicinal properties as all parts of this tree, namely, root, leaf, trunk, fruit, and seed, are used to cure various human ailments and diseases.

Bel Patra is considered a powerhouse of healing and medicinal properties. Including Bel Patra leaf in your daily routine will help you have a disease-free and healthy life. Bel Patra has religious significance and is an auspicious one offered to impress Lord Shiva.

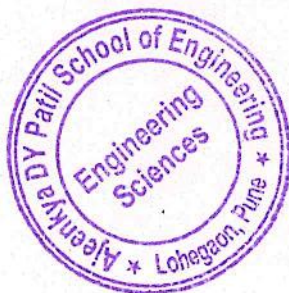

Heronry *birds*, crows also use this *tree* as a nesting site, Fruit and seed of bel trees are a major source of food for birds and certain animals.

This is clear that when these plants will grow it will be of great benefit to our campus.

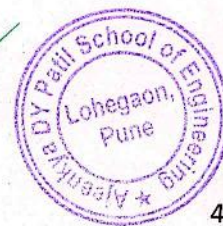

After plantation, watering was done to the plants and it'll be go on as our students promised that they will do watering every day to these plants.

Vote of thanks was delivered by Dr.Pragati Deore.

Overall, it was full of entertainment, enthusiastic as well as motivational event to encourage all. Students enjoyed a lot and they happily planted all the trees.

It was conducted by the hands of our enthusiastic students at our institute campus.

Director and all the eminent persons were welcomed by offering bouquets.

Director Dr..Kamaljeet Kaur mam guided about the idea of distribution of neck belts and chains to stray dogs within the campus and how this activity can affect the biodiversity of the campus.

Neck belts and chains were handed over to the security guards and they assured that they will take care of these dogs. This is clear that when these dogs will grow it will be of great benefit to our campus for the night security, they can save the campus from thieves and any unwanted incidents.

Dogs are very helpful for mankind, they are very much useful for safety purpose, they became very friendly with the security guards of the campus and their everyday food and shelter is taken care of by these security guards within the campus premises.

A handwritten signature in green ink, appearing to be "A" followed by a flourish.

### Event Report

Academic Year: 2022-2023- Semester-II

Name of the event: Vegetable Seed Sowing and Water Pots for Birds: Promoting Sustainability and Biodiversity at ADYPSOE

Date and Time	16 /06/2023, 1:00pm – 3:00pm
Event Venue	ADYPSOE campus, Near Canteen area
Organized by	Biodiversity club
Targeted Audience	STUDENTS
Resource Person	1) DR.KAMALJEET KAUR, PUNE 2) DR.F.B. SAYYAD, PRINCIPAL, ADYPSOE, PUNE

### Event Contents:

1. DIGGING SOIL FOR PLANT BEDS
2. VEGETABLE'S SEED SOWING
3. WATER POTS PUTTING FOR BIRDS
4. WATERING TO PLANTS

Principal

Ajeenkya DY Patil School of Engineering, Lohegaon, Pune

#### Details of the event:

ADYPSOE recognizes the importance of sustainable practices and biodiversity conservation. To promote these values among students and maintain a greener campus, a vegetable seed sowing and water pots for birds activity was organized by the Biodiversity Club. This event aimed to engage students in hands-on gardening, educate them about the benefits of growing their own food, and contribute to the well-being of local bird populations. Organic vegetable seeds, carefully chosen to suit the local climate and growing conditions, were provided to each participant. In small groups, participants enthusiastically prepared their plant beds, sowed the seeds, and covered them with organic mulch. They learned about the importance of organic farming, reducing reliance on chemical pesticides, and the potential for growing their own fresh produce.

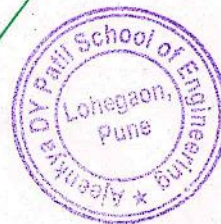

Water Pots for Birds: Alongside the vegetable seed sowing, participants also engaged in a creative and eco-friendly activity: making water pots for birds. The group learned about the significance of providing water sources for birds, especially during hot and dry seasons. Using recycled materials such as terracotta pots, saucers, and colorful paint, participants transformed simple objects into attractive bird water stations. The activity not only promoted resourcefulness and recycling but also highlighted the importance of creating a bird-friendly environment on campus. Participants strategically placed these water pots in areas with natural vegetation, encouraging the presence of birds and enhancing the college's biodiversity. The vegetable seed sowing and water pots for birds activity at ADYPSOE campus successfully brought together students, faculty, staff, and the local community in a shared mission of sustainability and biodiversity conservation. Through hands-on gardening and creative recycling, participants learned valuable skills, developed a deeper connection with nature, and actively contributed to a green campus environment.

**Subject: Request to Eliminate Plastic Usage**

Dear Sir / Madam,

We are deeply committed to promote environmental sustainability and reducing the usage of plastic in our daily lives. As a reputable vendor/shopkeeper in our campus, your influence and actions can significantly contribute to preserving our planet for future generations. Plastic pollution has become a pressing global issue, causing irreparable harm to our environment, wildlife, and human health. With the rising awareness about the impact of plastic waste, it is crucial for businesses like yours to take a proactive stance in minimizing plastic consumption. I kindly request your cooperation in the following measures that can help mitigate the use of plastic within your establishment:

**Plastic Bag Elimination:** Please discontinue the use of single-use plastic bags. Encourage your customers to bring their reusable bags or offer alternative eco-friendly packaging options, such as paper bags or fabric totes.

**Plastic Straws, spoons, forks and Utensils:** Consider switching to biodegradable or reusable alternatives for plastic straws and utensils. Use **steel or metallic things** in place of plastic.

**Plastic Water Bottles:** Refrain from selling or promoting single-use plastic water bottles. Encourage the use of refillable water bottles and consider providing water stations or filtered water dispensers in your establishment.

**Awareness Campaign:** Display educational materials and signage in your store to inform customers about the environmental impacts of plastic and the importance of sustainable practices. This will help raise awareness and encourage responsible consumer behavior.

By adopting these measures, your business will not only contribute to the well-being of our environment but also attract environmentally conscious customers who appreciate businesses that align with their values. Thank you for your attention to this matter. Your commitment to reducing plastic usage will undoubtedly have a lasting impact on our environment and our shared future.

**Subject: Request to Clean Cupboards and Collect Plastic Waste for Recycling**

Dear Sir / Madam,

As a concerned member of our college, we are writing to draw your attention to an important matter related to environmental sustainability and waste management within our departments. Plastic pollution has emerged as a significant global concern, and it is our responsibility as an educational institution to lead by example and promote eco-friendly practices. In line with this objective, I would like to request your support in initiating a cleanliness drive within our department, focusing specifically on cleaning cupboards and collecting plastic waste for proper recycling. We propose the following actions:-

**Cupboard Cleaning:** Encourage all department staff to thoroughly clean their respective cupboards and storage spaces. This activity will help to identify any plastic waste that may have accumulated over time.

**Plastic and E- Waste Collection:** Allocate designated collection bins in strategic locations throughout the department to collect the identified plastic waste. Our house keeping staff will reach to you to collect the same on Friday, 16<sup>th</sup> June 2023.

**Monitoring and Evaluation:** Implement a monitoring system to track the progress of the cleanliness drive and plastic waste collection. Regularly review and evaluate the effectiveness of the initiative, and make any necessary adjustments to ensure its success.

By undertaking these measures, we can create a culture of environmental consciousness within our department and contribute to the larger goal of sustainable waste management on our campus. This initiative will not only benefit the environment but also foster a sense of pride and responsibility among the members of our department.

We kindly request your support and guidance in implementing this cleanliness drive under Biodiversity Club. Your leadership and influence will inspire others to participate actively in this endeavor, promoting a greener and more sustainable college community. Thank you for your attention to this matter. Together, we can make a significant difference in creating an environmentally friendly campus and shaping responsible citizens for the future.

**Subject: Request to Clean Cupboards and Collect Plastic Waste for Recycling**

Dear Sir / Madam,

As a concerned member of our college, we are writing to draw your attention to an important matter related to environmental sustainability and waste management within our departments. Plastic pollution has emerged as a significant global concern, and it is our responsibility as an educational institution to lead by example and promote eco-friendly practices. In line with this objective, I would like to request your support in initiating a cleanliness drive within our department, focusing specifically on cleaning cupboards and collecting plastic waste for proper recycling. We propose the following actions:-

**Cupboard Cleaning:** Encourage all department staff to thoroughly clean their respective cupboards and storage spaces. This activity will help to identify any plastic waste that may have accumulated over time.

**Plastic and E- Waste Collection:** Allocate designated collection bins in strategic locations throughout the department to collect the identified plastic waste. Our house keeping staff will reach to you to collect the same on Friday, 16<sup>th</sup> June 2023.

**Monitoring and Evaluation:** Implement a monitoring system to track the progress of the cleanliness drive and plastic waste collection. Regularly review and evaluate the effectiveness of the initiative, and make any necessary adjustments to ensure its success.

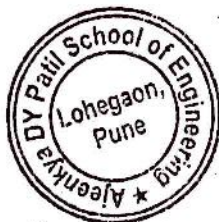

By undertaking these measures, we can create a culture of environmental consciousness within our department and contribute to the larger goal of sustainable waste management on our campus. This initiative will not only benefit the environment but also foster a sense of pride and responsibility among the members of our department.

We kindly request your support and guidance in implementing this cleanliness drive under Biodiversity Club. Your leadership and influence will inspire others to participate actively in this endeavor, promoting a greener and more sustainable college community. Thank you for your attention to this matter. Together, we can make a significant difference in creating an environmentally friendly campus and shaping responsible citizens for the future.

**Subject: Request to Eliminate Plastic Usage**

Dear Sir / Madam,

We are deeply committed to promote environmental sustainability and reducing the usage of plastic in our daily lives. As a reputable vendor/shopkeeper in our campus, your influence and actions can significantly contribute to preserving our planet for future generations. Plastic pollution has become a pressing global issue, causing irreparable harm to our environment, wildlife, and human health. With the rising awareness about the impact of plastic waste, it is crucial for businesses like yours to take a proactive stance in minimizing plastic consumption. I kindly request your cooperation in the following measures that can help mitigate the use of plastic within your establishment:

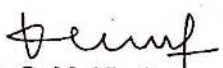

**Plastic Bag Elimination:** Please discontinue the use of single-use plastic bags. Encourage your customers to bring their reusable bags or offer alternative eco-friendly packaging options, such as paper bags or fabric totes.

**Plastic Straws, spoons, forks and Utensils:** Consider switching to biodegradable or reusable alternatives for plastic straws and utensils. Use steel or metallic things in place of plastic.

**Plastic Water Bottles:** Refrain from selling or promoting single-use plastic water bottles. Encourage the use of refillable water bottles and consider providing water stations or filtered water dispensers in your establishment.

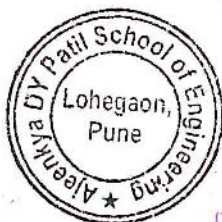

**Awareness Campaign:** Display educational materials and signage in your store to inform customers about the environmental impacts of plastic and the importance of sustainable practices. This will help raise awareness and encourage responsible consumer behavior.

By adopting these measures, your business will not only contribute to the well-being of our environment but also attract environmentally conscious customers who appreciate businesses that align with their values. Thank you for your attention to this matter. Your commitment to reducing plastic usage will undoubtedly have a lasting impact on our environment and our shared future.

<b>Venue</b>	Zila Parishad Primary School Harantale Vasti Harantale Road, Lohegaon, Pune, Maharashtra, 411047 Pune
<b>Organized By</b>	Civil Engineering Department

#### Event Details:

Students of civil Engineering Department organized a social activity to Visit and Providing Financial support to Zila Parishad Primary School Harantale Vasti Harantale Road, Lohegaon, Pune, Maharashtra, and 411047 Pune.

The activity was organized under guidance of Dr. Kamaljeet Kaur (Director: Technical Campus) Dr.F.B.Sayyad (Principal DYP SOE) and Lt. Col. Sanjay Karodpati (HOD Civil Engineering Department). Rajesh Katdare as Faculty representative

In Zilha Parishad Primary School, the 80% students are the orphan kids whereas remaining students are from the below poverty line families. Because of the nonpaying of the electricity bill the power supply of school is shut off by the msedcl. Due to the non-availability of the power supply the teachers and students are facing lots of problems of to carry out their day to day activities at school

The main aim of the activity to provide the financial support of Rs 6730/- for paying electricity bill of Zila Parishad Primary School Harantale.

#### Event Details:

Mr. Shubham Bhutkar and civil Engineering Department organized a social activity to Conduction of Covid awareness programme and distribution of safety kit at Harantale Vasti Harantale Road, and Lohegaon village Pune, Maharashtra, 411047

The activity was organized under guidance of Dr.Ashok Kasanale (Principal DYP SOE) and Lt. Col. Sanjay Karodpati (HOD Civil Engineering Department). Rajesh Katdare as Faculty representative.

Following are the key points are discussed and made them aware:

- Importance of using Personal Protective Equipment to ensure safety of peoples from COVID
- Etiquettes to be followed by general public once, they step out of their house
- Awareness around discarding the waste (like used masks, etc) and waste from hotspot areas
- Precautions to be taken by the vulnerable group (like small children, elderly, people staying in highly dense areas)
- Etiquettes to be followed in possible crowded areas like sabzi mandi, community toilet, public stand post.
- Get vaccinated as soon as it's your turn and follow local guidance on vaccination.
- Keep physical distance of at least 1 metre from others, even if they don't appear to be sick. Avoid crowds and close contact.

### Event Report

Academic Year: 2019-20

Semester-II

Name of the event: Medical Camp by NSS Unit

Date and Time	03/12/2019
Event Venue	Naigaon
Organized by	NSS Unit
Targeted Audience	Naigaon people from all walks of life
Resource Person	NSS Unit

#### Details of the event:

The NSS Unit of Dr. D Y Patil School of Engineering organized a medical camp on 03/12/2019 in Naigaon, with the aim of providing healthcare services to people from all walks of life. The event aimed to address the healthcare needs of the local community and promote awareness about various health-related issues.

The objective was:

1. To provide medical assistance and consultations to individuals from diverse backgrounds.
2. To raise awareness about common health concerns and promote preventive healthcare practices.
3. To facilitate access to medical resources and services for underprivileged sections of society.
4. To foster a spirit of social responsibility and community engagement among the NSS volunteers.

Health Check-ups: A team of healthcare professionals conducted comprehensive health check-ups for all participants. These check-ups included measuring vital signs, conducting physical

  
Principal  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

examinations, and recording medical histories. The attendees had the opportunity to consult with the medical professionals and discuss their health concerns in detail. The doctors provided advice, diagnosis, and prescriptions as necessary. They also emphasized the importance of follow-up visits and adherence to prescribed treatments. Alongside the medical consultations, informative sessions were conducted to educate participants about various health issues. Topics covered included hygiene practices, prevention of common diseases, and importance of vaccinations, nutrition, and mental health. The medical camp also provided specialized services such as eye examinations, and blood pressure screenings. Participants were referred to appropriate healthcare facilities for further treatment if required.

The medical camp organized by the NSS Unit of Dr. D Y Patil School of Engineering in Naigaon was a resounding success in achieving its objectives. It played a vital role in addressing the healthcare needs of the community, especially for those who lacked access to medical services. The event also helped raise awareness about important health-related issues and promote preventive healthcare practices among participants.

The dedication and efforts of the NSS volunteers, along with the support of medical professionals, contributed to the smooth execution of the camp. The event not only provided immediate medical assistance but also created a lasting impact on the overall well-being of the participants.

The NSS Unit of Dr. D Y Patil School of Engineering remains committed to organizing such initiatives in the future, with the goal of making a positive difference in the lives of people and fostering a healthier community.

510

The Department of Civil Engineering of Dr. D. Y. Patil School of Engineering organized visit to ZILHA PARISHAD SCHOOL, HARANTALE on occasion of Chairman Ajeenkya D Y Patil Birthday on 23<sup>RD</sup> DECEMBER 2019.

Visit was organized with the prior permission and guidance of honorable Director of DYPSOE, Lohegaon. Principal and initiative of our HOD Prof.S.Karodpati and other staff of our civil Dept.

On the 23<sup>rd</sup> December 2019 Staff and students from Dr. Dy. Patil College of Engg. Lohegaon had the pleasure of visiting this Harantale village school.

The Government funding for the school is not adequate and it is through the donations from charity that further progress is made. We had distributed 29 shoes and writing material (like 2 lines, 4 lines, block note book, Pencils, Eraser, Sharpener etc.) along with 20 slates for all Primary and Anganwadi Students.

Mrs. Trupti Todkar was our host and introduced us to her staff and to the enthusiastic children. As we arrived at lunch time we saw the children eating their lunch on the porch right in front of their classrooms.

When we reached students showed a wonderful presentation of life cycle called "PATH NATYA". The energy among them was the next level. Then they come up with some poems, stories and much more.

Then we had an interactive session with them. We asked each one of them what they want to be?? Children were having different answers some wanted to become a Farmer, Doctor, Teacher, Solider, Police, Scientist, and many more ....

Then when we asked that why they want to choose this particular profession the answer that every child gave surprised us. They said "we want to help our parents in their work and want to serve the nation" Some students with an emotional said that they can't see their parents working so hard hence they want to make a robot just to help their parents in work.

We wished Good luck to all them for their ambitions.

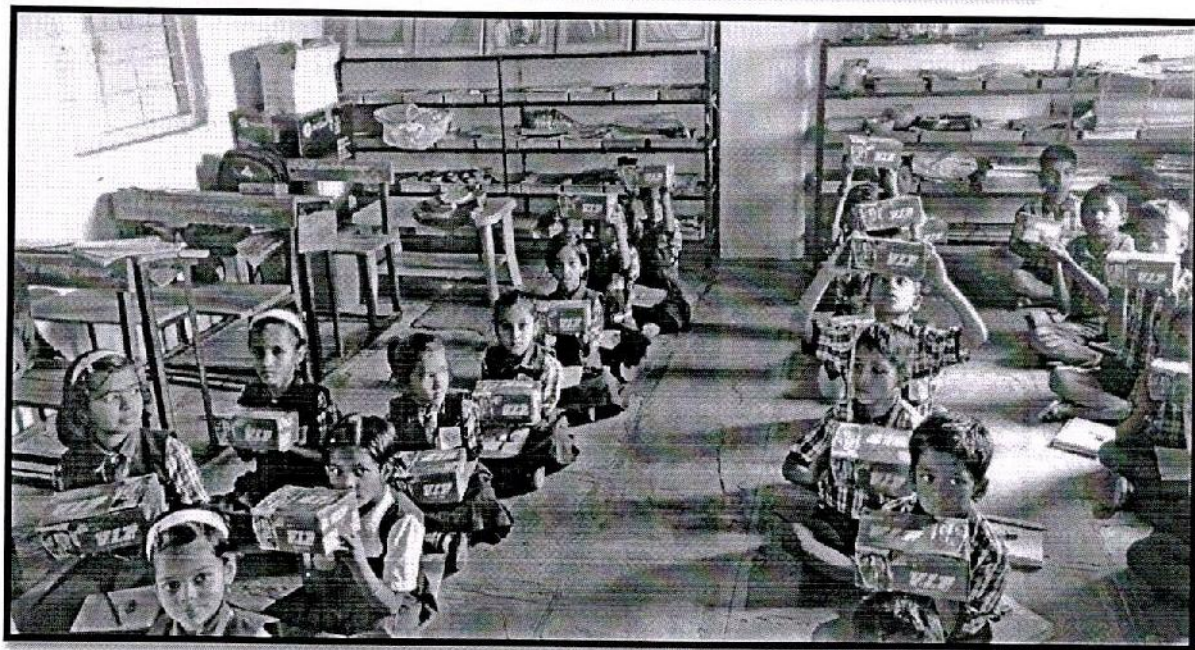

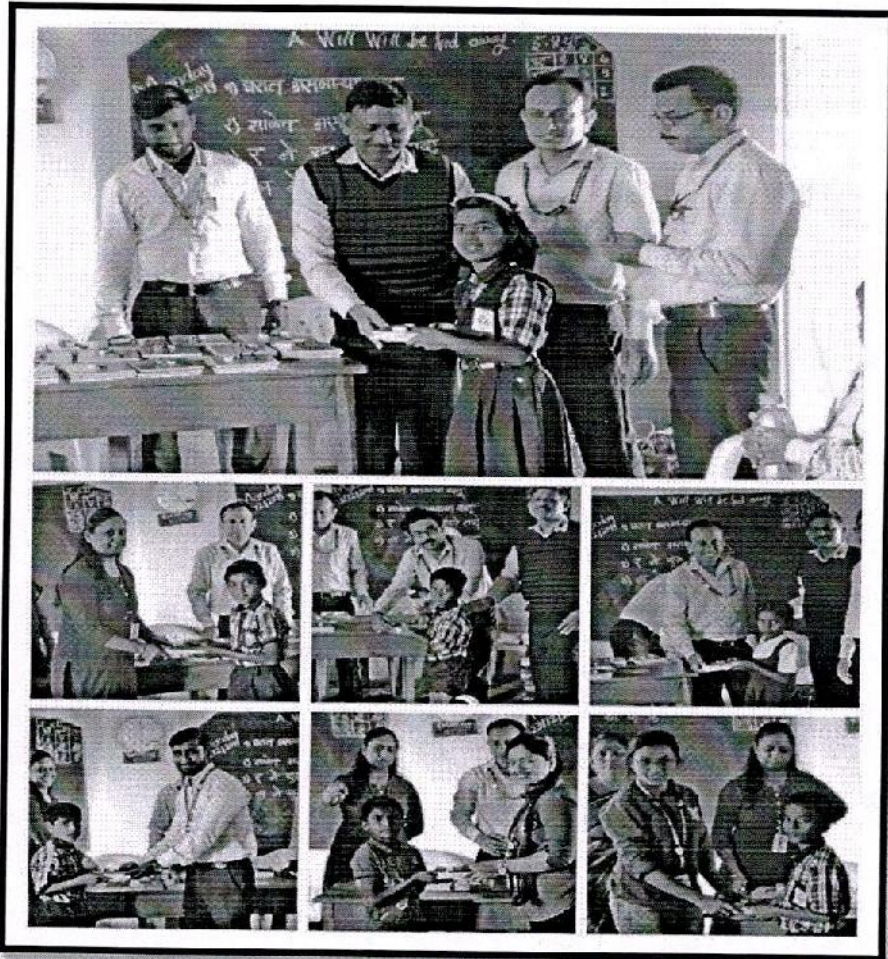

Every student was very happy after receiving all these.

  
Principal

Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

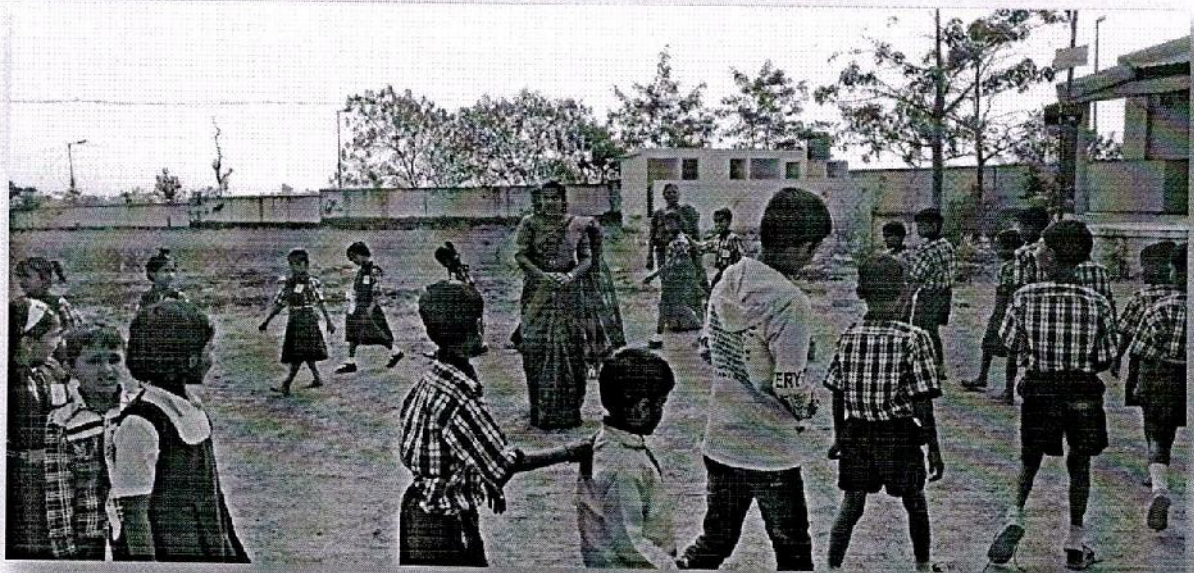

Later we played different games with them. Children also performed dances .It was a great pleasure to get associated in this endeavor.

Resource Person	NSS Unit

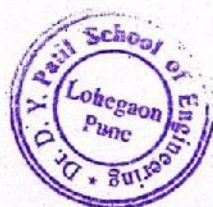

**Details of the event:**

The NSS (National Service Scheme) unit of Dr. D Y Patil School of Engineering organized an Education Awareness Rally on 12<sup>th</sup> September 2018 in Lohegaon. The primary objective of the rally was to raise awareness about the importance of education and promote the need for equal access to education among the local community. The Education Awareness Rally commenced at 10:00 AM from the Dr. D Y Patil School of Engineering premises. A total of 50 enthusiastic NSS volunteers, including students participated in the rally. The rally route covered key areas within Lohegaon, including the main market, residential neighborhoods, and Bus Station. The carefully planned route aimed to maximize visibility and engagement with the local residents.

**Sloganeering:** The NSS volunteers carried placards and banners with powerful slogans highlighting the significance of education. They chanted motivating slogans throughout the rally to attract attention and convey the message effectively.

**Interaction with the Community:** The NSS volunteers actively engaged with the local community, interacting with residents, shopkeepers, and pedestrians. They initiated conversations about the importance of education, answered queries, and shared success stories to inspire individuals to pursue education.

1

  
**Principal**  
Ajeenkya DY Patil School of  
Engineering, Lohegaon, Pune

The Education Awareness Rally received significant support and collaboration from various stakeholders. The local administration extended their cooperation by providing necessary permissions for conducting the event. The local police department ensured the safety of the participants and managed traffic during the rally. Moreover, local NGOs and educational institutions actively supported the initiative by contributing to the resources and spreading the word. The Education Awareness Rally organized by the NSS Unit of Dr. D Y Patil School of Engineering in Lohegaon was a resounding success. The event effectively conveyed the importance of education and stimulated the community's interest in acquiring knowledge. The rally provided an opportunity for direct interaction with the local population, enabling the NSS volunteers to address their concerns and motivate them towards pursuing education.

The efforts made during the rally are expected to have a long-term impact on the community by inspiring individuals to value education and seek equal educational opportunities. It is anticipated that this initiative will contribute to the overall development and upliftment of the society. Overall, the Education Awareness Rally achieved its objective of raising awareness about education and garnered significant support from the community. The NSS unit of Dr. D Y Patil School of Engineering can be commended for their commitment and dedication in organizing such a meaningful event.

#### Details of the event:

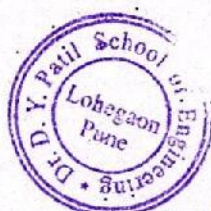

On 13th September 2018, the NSS (National Service Scheme) unit of Dr. D Y Patil School of Engineering organized a cleanliness rally and street play event in Lohegaon. The objective of the event was to promote cleanliness awareness among students and the local community.

The event commenced with a cleanliness rally led by the NSS volunteers. Students, faculty members, and local residents actively participated in the rally, carrying placards and banners with slogans promoting cleanliness and sanitation. The rally aimed to create awareness about the importance of keeping our surroundings clean and maintaining good hygiene practices.

Following the rally, a captivating street play was performed by the NSS volunteers. The play revolved around the theme of cleanliness and portrayed various scenarios highlighting the consequences of unhygienic practices. It emphasized the need for a clean and healthy environment for the overall well-being of society. The play successfully engaged the audience and conveyed the message effectively.

After the street play, interactive sessions were conducted by the NSS volunteers. They engaged with the audience, answered questions, and provided practical tips on waste management,

1

Name of the event: Cyber Security Awareness Event

Date and Time	14/09/2018
Event Venue	Lohegaon
Organized by	NSS Unit
Targeted Audience	Lohegaon people from all walks of life
Resource Person	NSS Unit

### Details of the event:

The NSS (National Service Scheme) unit of Dr. D Y Patil School of Engineering organized an enlightening event on "Cyber security and Fraud Transactions Awareness" on 14<sup>th</sup> September 2018. The event aimed to educate the students and Lohegaon people from all walks of life about the growing concerns of cyber security threats and fraudulent transactions in the digital era. The NSS unit, in collaboration with cyber security experts Prof. Kundan Saraf facilitated a range of activities and presentations to raise awareness among the participants.

The event commenced with an inaugural ceremony where the NSS unit coordinator, faculty members, and distinguished guests addressed the audience, emphasizing the significance of cyber security in today's interconnected world. They highlighted the alarming rise in cybercrimes and the importance of staying vigilant and informed.

Following the inauguration, a series of informative sessions were conducted by cyber security experts. The sessions covered various aspects of cyber security, including common types of cyber threats, data breaches, social engineering, phishing attacks, and secure online practices. The speakers shared real-life examples and case studies to illustrate the potential risks and consequences associated with cybercrimes.

Principal  
Ajeenkya D. Y. Patil School of  
Engineering, Lohegaon, Pune

In addition to the sessions and workshops, the NSS unit set up informative booths and exhibitions to showcase the latest cyber security tools, technologies, and best practices. The participants had the opportunity to explore interactive displays, engage in hands-on demonstrations, and gain practical knowledge about securing their digital lives.

The "Cyber security and Fraud Transactions Awareness" event organized by the NSS unit of Dr. D Y Patil School of Engineering proved to be highly informative and enlightening. The event successfully educated the people about the risks associated with cybercrimes and the essential steps to protect themselves and their digital assets. By fostering awareness and providing practical guidance, the event played a crucial role in equipping the students and people with the knowledge and skills necessary to navigate the digital landscape securely. The NSS unit, along with the cyber security experts and professionals, deserves appreciation for their efforts in promoting a safer digital environment.

**Details of the event:**

The NSS Unit of Dr. D Y Patil School of Engineering in Lohegaon organized an awareness rally on water conservation and use on 13<sup>th</sup> September 2018. The objective of the event was to educate the community about the importance of water conservation, sustainable water usage, and the need to protect this vital natural resource. The event aimed to create awareness and motivate individuals to adopt responsible water practices. The event organizers had meticulously planned the route, ensuring maximum visibility and participation from the community. The rally featured a variety of activities to engage participants and raise awareness about water conservation. Participants carried vibrant banners and posters displaying catchy slogans and messages promoting water conservation. The posters highlighted the importance of saving water and the consequences of its wastage.

The rally successfully drew the attention of the community, generating widespread awareness about water conservation and use. The vibrant slogans, engaging street play, and interactive sessions made a significant impact on the participants. The local residents and passersby actively participated in the event and expressed their commitment to adopting water-saving practices in their daily lives.

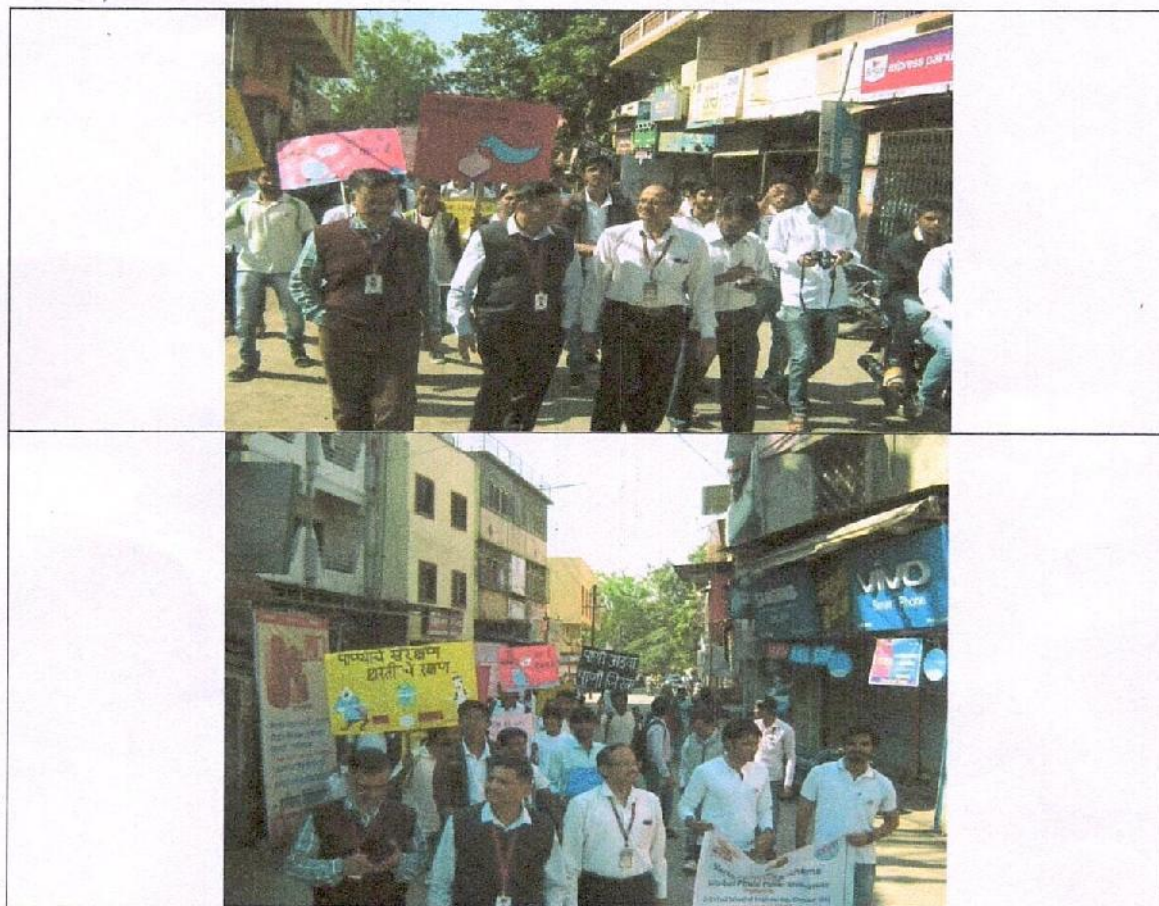

Principal  
Dr. D. Y. Patil School of  
Engineering, Lohegaon, Pune

The NSS Unit of Dr. D Y Patil School of Engineering's awareness rally on water conservation and use was a resounding success. It effectively disseminated knowledge about the importance of water conservation, garnered community support, and encouraged individuals to make conscious efforts to conserve water. The event played a vital role in promoting sustainable water management practices and creating a sense of responsibility among the participants and the wider community. Through such initiatives, we can collectively work towards preserving this precious resource for future generations.

## Event Report on “Tree Plantation”

Dr. D Y Patil School of Engineering Lohegaon undertook the planting of trees near the college campus on Friday, 12 October 2018, to commemorate Vruksha Ugao, Jeevan Dilaao movement. This event was organized as part of our continuing efforts to raise the level of environmental awareness in the community and Institutional Campus to express the joy of being inspired by Sri Satya Sai Baba through an act of benevolence to the community.

On a beautiful sunny day, about 80 members of all age groups (Students, youth and adults) gathered near proposed Ganesh Temple to perform the tree planting. They enthusiastically rolled up their sleeves and joined for Tree plantation event. Our common goal was the greening of the community. By the end of the event, 10 saplings had been planted at planned location.

### Preparing for the event

Considerable brainstorming and planning went into putting this event together and the plan has run smoothly without any hindrances. Essential items such as mulch, fencing for the plants, water transport containers and so on were procured ahead of time and distributed to the main venue on the day of the event. About 10 saplings were provided without cost by gardening department of DYPTC.

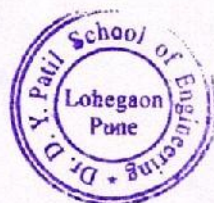

### Planting of Trees

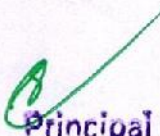

For the above Event, as per the Instructions of Hon' Chairman Dr. Ajeenkya D Y Patil, dignitaries from the D Y Patil Technical Campus marked their presence. Dr. E. B. Khedkar, Vice Chancellor of Ajeenkya D Y Patil University & Director DYPTC contributed wholeheartedly for the event. Prof. A. P. Deshmukh, Dean Academics of Dr. D. Y. Patil School of Engineering and Heads of various departments also accorded the function. Female faculties and students also contributed in the event as per the direction of Dr. E B Khedkar and Prof. A P Deshmukh.

Whole event was coordinated by Prof. Sachin Jadhav, NSS Programme Officer, Prof. V M Ghule, Prof. K S Marathe and Prof. V G Patil faculties of Mechanical Engineering Department of DYPSEO.

### Summary of Event:

1. Date :12.10.2018
2. Samithi: Dr. D Y Patil School of Engineering Lohegaon.
3. Location: Near the college campus.
4. No. of Male :26
5. No. of Male Youth:41
6. No. of Mahila :16
7. No. of Hours: 6 hrs.
8. Bring of Description of Seva: Tree plantation.

#### Event Details:

As a part of continuous celebration of ensuing Founder's day of Dr. D. Y. Patil Technical Campus, Charholi via Lohegaon, Pune on dated 22/12/2018, the civil Engineering Department of Dr. D.Y. Patil School of Engineering conducted a **"Garbage segregation awareness program at Pride world city** near our DYPTC, Lohegaon on dated 22/12/2018 at 4.30 pm onwards. The students of TE and BE were trained to address the issue.

The target group was residents of Pride city which mostly comprised housewives, who were explained by the students, the ill effects of non-segregation of domestic waste, safety measures to be taken while handling LPG gas cylinder at home and also CNG pilings etc.

There was also an interactive session with residents and Engineering Staff of Pride World city's construction who unanimously resolved to contribute to individual and public measures taken in day to day life to address the burning environmental issues like water pollution and wastage, effective garbage disposal, air pollution etc.

Prof. J. D. Dalvi, Prof. R. C. Katdare, Prof. Tushar Salunke, and Prof. S.P Bijwe along with Mr. Kailas Dhage and students of Civil Engineering department of from DYPSOE participated. The said program could be done effectively only due to Great Cooperation of Mr. Kulkarni, Project Manager, Mr. Bhoite, Asst. Project manager and other Engineering Staff of construction wing of Pride world City, Charholi, via Lohegaon. The photographs of the program are enclosed.
