5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.

The Alumni Association of Ajeenkya D Y Patil School of Engineering ,Lohegaon Pune was registered on 05/10/2017 to develop a strong alumni connect between the alumni, College and ongoing the students.

Vision

- Alumni Association serves as a linkage for establishing a symbiotic relationship between College and former graduates.

Mission

- To establish and strengthen a long lasting relationship with our Alumni, engaging them in the continuing branding of the College.
- To develop strong connect between the alumni and ongoing students to bridge the gap of Communication.
- Developing students with global competence via alumni connect.

Scope:

- The association strives to establish a bond between the College and alumni so that alumni participates in various activities of college and use their skills and expertise for betterment of ongoing students.

Objectives:

- To maintain database of past students.
- To arrange Alumni Meet every year.
- To arrange governing body meeting whenever necessary.
- To arrange felicitation of alumni conducting activities for the institute in AGM.
- To arrange technical seminars and lectures of alumni to use their expertise and skills for betterment of present students and development of the institute.

DY PATIL GROUP

Vision

Empowerment through quality technical education

Mission

M1: To achieve excellence in teaching, learning and research

M2: To impart skill-based education to meet the needs of industry and Society

M3: To excel as a center of excellence in technical education

M4: To inculcate social & ethical values among the students

Quality Policy

We strive to impart quality technical education through academic excellence and provide the best facilities to satisfy the needs & expectations of the students & stakeholders.

1. Aims & Objectives:

- 1 To bring all the old students of Dr. DYPSOE College under one vibrant forum for exchange of experience and knowledge and develop a strong network among themselves for bonding and fellowship and their career advancement.
- 2 To establish a forum to preserve the memories, associations and traditions of the institution.
- 3 To maintain a database containing information such as name, permanent address, mobile number and mail id, years of study, qualifications and present occupation of members of the Association.
- 4 To encourage, foster and promote close relation between Dr. DYPSOE College and its Alumni for the growth of the institution in the areas of industry interaction, admissions, internships and placement.
- 5 To make optimum use of alumni expertise to conduct Alumni – student knowledge exchange programs like professional lectures, FDPs, training programs, conferences etc.
- 6 To organise and promote get-togethers, sport and cultural activities and competitions.
- 7 To help and encourage outstanding students among the alumni for pursuing higher studies.
- 8 To enlist the interest and services of alumni in strengthening and improving the infrastructural facilities of the Institution.
- 9 To receive/raise/collect donations, funds and other receipts for the fulfillment of the aims and objectives of the Association, to utilize such funds in such manner as the Executive Committee may consider necessary.
- 10 To do all such acts and deeds and things as are incidental to and as the association deems appropriate in attainment of its aims and objectives.

2. Membership Fee:

Life Member: One time subscription of Rs.100/.

2.1 The one time subscription fee may be revised after discussion in the Executive Committee and approval of Alumni Association.

2.2 All Life Members shall have the right to vote or be a candidate for any elected post.

3. Management of the association:

The entire management of the association shall be vested with the Executive Committee and it shall be responsible for the discharge of the duties connected with the affairs of the association.

3.1 The Executive Committee shall consist of :

- a) President: Principal is the ex officio President
- b) Vice President (Elected)
- c) Secretary: nominated by the president from among the faculty.
- d) Two Joint Secretaries (Elected)
- e) Treasurer: nominated by the president from among the faculty
- f) Five members (Elected)

4. Power of Executive Committee :

4.1 The Executive Committee shall normally meet once in a month.

4.2 The Secretary may, whenever he finds it necessary call for an Emergency meeting with the consent of the President or on the requisition of 5 members of the Executive Committee in writing.

4.3 Notices of all the meetings giving the place, date and time shall be sent by the Secretary to the registered addresses of the members with an agenda for the meeting one week before the date of the meeting.

4.4 The minimum number shall be 1/5th of the Elected Members of the Committee.

4.5 The meeting of the Executive Committee will be presided over by the President and in the event of the President being not present or not being able to participate in the meeting; one of the Vice -President will preside.

4.6 If the Elected Vice-Presidents are also not present, then the Executive Committee can choose one of the Members amongst themselves to chair that committee meeting alone.

4.7 All questions arising at any meeting of the Executive Committee shall be decided by a majority of the Members present and in case of equal votes, the presiding Member shall have a second or casting vote.

4.8 No rule shall be passed, annulled or modified except by a resolution supported by 3/5th of the Members in a General Meeting convened.

4.9 No act or resolution of the Executive committee shall be deemed to be invalid by reasons of such act or resolution having been done or passed during any vacancy in the Executive Committee.

4.10 No resolution passed by the Executive Committee at a meeting shall be brought up for reconsideration unless after the expiry of three months from the date of the resolution, and unless fresh information likely to affect the decision not available at the time of passing the original resolution, is placed before the Executive Committee for its reconsideration.

5. General Body Meeting :

5.1 The Executive Committee shall convene a General Body Meeting of all the Members once every year hereinafter referred to as annual General Body Meeting, on or before every year.

5.1.2 The notice shall be sent to the members by one or more of the following modes:

a) by Internet

b) by circulation among members

5.1.3 The notice shall also be affixed to the Notice Board of the Association.

5.1.4 The notice shall specify the day, hour and place and the object of the Meeting and in case any amendment of a by-law or objects of Association as contained in the memorandum, is intended to be proposed, shall contain a copy of every such amendment.

5.2 The Association at its Annual General Body Meeting shall appoint each year any Chartered Accountant or Accountants to be the auditors of the Association on such terms as to the remuneration as may be approved by the Association.

5.3 The Executive Committee shall maintain or cause to be maintained proper accounts of the transactions and assets of the Association and the accounts shall be given in such form as may be directed by the Executive Committee in consultation with the Association's auditors.

5.4 The Executive committee shall prepare and lay before the Association at the Annual General Body Meeting every year an audited statement of accounts and receipts and expenses of the year ended 31 st March of that year in a form as may be directed by the Executive Committee in consultation with the auditor together with the report of the Association's auditor thereon.

PRINCIPAL
ADYPSOE, PUNE

5.5 An accidental delay in receipt of the notice by one or more Members shall not render the meeting void.

5.6 The General Body Meeting shall be presided over by the President of the Executive Committee or in his absence by one of the Vice Presidents.

5.7 If the Vice-Presidents are also not present then the Members present can elect one amongst themselves to chair and preside over the meeting.

5.8 The quorum for the General Body Meeting shall be 15 (fifteen).

5.9 If the minimum quorums of 15 Members are not present at the General Body Meeting the General Meeting will be held after one hour at the same venue. In such a postponed General Body Meeting minimum quorum will not be insisted.

6. Duties of the honorary secretary :

The Honorary Secretary shall maintain records of proceedings of the Alumni and of the Governing Body and shall perform such other duties as the President of the Governing Body may be General or special orders direct.

7. Powers and duties of the Treasurer :

7.1 The Treasurer shall be responsible for the keeping of proper accounts and for the discharge of such duties as may from time to time be entrusted to him by the Executive Committee.

7.2 The Treasurer shall receive all moneys on behalf of the Executive Committee and deposit the same in any bank or banks or in any institution approved by the Executive Committee in the name of the Association who may open separate accounts in the name of different committees of the Association

7.3 The Treasurer jointly with the Secretary or one of the Office Bearers as decided by the Executive Committee shall have power to draw moneys from such bank or institution and disburse moneys payable by the Executive Committee or the Association according to the resolutions or the rules or regulations and by-laws passed under these rules.

7.4 The Treasurer shall maintain records of the receipts and disbursements during each month and circulate an abstract of the same to the Executive Committee quarterly with a consolidated statement of accounts.

7.5 The Treasurer shall prepare the annual accounts of the Association, have them audited by the auditor duly appointed by the General Body in its election, and submit annually for

approval of General Body such audited accounts and the balance sheet for each financial year.

8. General :

8.1 The Association may use or be used in the name of the Secretary.

8.2 All documents by and in favors of the Association and all entries in the government and other public registers in respect of lands and buildings paying revenue to government and other authorities shall be respectively executed and caused to be made in the name of the Association by the Secretary.

8.3 The Executive Committee shall have powers to frame by-laws consistent with the spirit of the constitution of the Association on all matters and stated objectives on which the constitution is silent or in order to supplement the same keeping in view the stated objectives.

9. Members not to receive profits

The funds and the properties of the Association however derived shall be applied solely towards the promotion of the objectives of the Association and no proportion thereof shall be paid or transferred or distributed directly or indirectly whether by share of profits to the Members of the Association but nothing herein contained shall be understood to prevent the payment in good faith or reasonable and proper remuneration to or reimbursement of hotel, traveling and other expenses incurred while on business of the Association by any Officer or servant of the Association or to any Member of the Executive Committee of the Association.

Event Report

Academic Year: 2023-24

Semester-I

Name of the event: Alumni Meet 2023

Date and Time	22/07/2023 10.00 am onwards
Event Venue	Auditorium
Organized by	ADYPSOE Alumni Coordinators
Targeted Audience	All Passed out students from 2014 Batch
Resource Person	NA

Details of the event:

The Alumni Meet for the 2014-20 batch of ADYPSOE was a memorable event that brought together former students to reconnect, share experiences, and contribute to the college's development. The event aimed to strengthen the bond between the alumni and their alma mater, while also obtaining valuable feedback from them to enhance the college's overall growth and improvement

Activities and Highlights:

Registration and Welcome: The event kicked off with a warm registration process, where alumni were greeted by the organizing committee. They received welcome kits that included college memorabilia and event schedules.

Inaugural Address given by Dean Alumni: Then Principal Sir, Director Madam along with distinguished faculty members, addressed the gathering, expressing their delight in welcoming back their former students. They emphasized the importance of alumni in contributing to the college's growth and encouraged them to share their valuable experiences.

Principal
 Ajeenkya DY Patil School of
 Engineering, Lohegaon, Pune

Standup Comedian Mr. Vaibhav Gupta continued with his comedy in the event. This refreshed the Alumni with his comedy.

Alumni Sharing Sessions: The event consisted of various interactive sessions where alumni from all branches shared their post-college experiences, career journeys, and insights gained in their respective fields. This not only inspired current students but also provided an opportunity for networking among the alumni.

Alumni Feedback and Suggestions: A dedicated feedback session was conducted to gather suggestions and ideas from the alumni regarding the college's development. Alumni provided valuable input on academic programs, infrastructure, extracurricular activities, and alumni engagement initiatives.

Networking and Socializing: Informal networking sessions were organized to allow alumni to reconnect with old friends, make new connections, and strengthen their professional networks. These interactions facilitated potential collaborations and job opportunities.

Alumni Feedback Sharing:

The feedback received from the alumni was constructive and valuable. Some of the key points included:

Academic Excellence: Alumni appreciated the quality of education and the dedication of faculty members. They suggested more practical-oriented learning opportunities, industry collaborations, and exposure to the latest technologies and trends.

Infrastructure: While the existing infrastructure was praised, some alumni suggested upgrades to certain facilities such as the library, laboratories, and sports amenities to meet current standards.

Career Support: Alumni emphasized the importance of robust career counseling and placement support for students. They recommended stronger ties with industries to enhance internship and job placement opportunities.

Alumni Engagement: The need for regular alumni engagement activities and better communication channels between the college and its alumni were highlighted. Alumni expressed a keen interest in giving back to their alma mater through guest lectures, mentorship programs, internships, and scholarships.

The Alumni Meet 2023 was a resounding success, fostering a strong camaraderie among the alumni and the college community. The valuable feedback shared by the alumni played a pivotal role in guiding the college's development initiatives, ensuring that it continues to evolve as a center of academic excellence. The event ended on a high note with promises of staying connected and contributing to the growth and success of the institution in the years to come.

ALUMNI MEET 2022

Date: 01/05/2022

Time: 05 pm to 08 PM

Venue: Dr. D Y P SOE

Pune

Agenda:

To create a platform for interactive session with all Alumni working in different fields.

- To bridge the gap between industry and academics

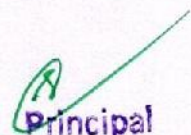

Dr. D.Y.Patil School of Engineering, Department of Mechanical Engineering arranged Alumni Meet 2022 on 1st July. Taking into consideration the current Pandemic situation meet was organized in college. The meet started by welcoming Alumni which was done by Mesa students on behalf of Mechanical Engineering Department.

Prof. P. P. Khairnar addressed the meet and discussed with students how they can help to bridge the gap between curriculum and industry.

Prof. R. N Garad (Head of Department) addressed Alumni and discussed about the new developments in college and the curriculum. He said that college can facilitate the alumni in enhancing their qualification through PG Diploma courses and PhD programs. He urged the alumni to contribute in enhancing Knowledge and skill domains of current students by conducting guest lectures, webinars, seminar. He also expressed that alumni can contribute in a big way in taking their Alma mater to the next level by instituting awards, prizes, joint projects and donation to the corpus fund. He also offered alumni, to utilize existing laboratory space for their startups activities. Some of alumni expressed their views about the college and alumni meet. Special emphasis should be given on developing effective communication skill along students. Alumni doing freelancing work have shown their willingness to teach Design engineering software like Catia, Ansys to the present student

Prof. P. R. Nawathe Mechanical, DYPSOE proposed vote of thanks to all people involved in the successful conduct of the event.

ALUMNI MEET 2022

Date : 13/05/2022
Time: 05pm to 08 pm
Venue: Dr. D.Y.P. SOE
Pune

Agents : To Create a platform for interactive session with all Alumni working in different fields.
To Bridge the gap between industry and academics.

Dr. D. Y. Patil School of Engineering, Department of Civil Engineering Arranged Alumni Meet 2022 on 13th May 2022. Taking in to consideration the current Pandemic situation. The meet was organized in college. The meet started by welcoming Alumni which was done by CESA student on behalf of Civil Engineering Department.

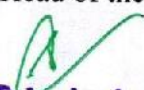

Prof. J. D. Dalvi addressed the meet and discussed with students how they can help to bridge the gap between curriculum and industry.

Prof. S. M. Karodpati (Head of the Department) addressed Alumni & discussed about the new development in college and the curriculum. He said that college can facilitate the alumni in enhancing their qualification through PG diploma courses and PhD programs. He urged the alumni to contribute in enhancing Knowledge and skill domains of current students by conducting guest lectures, webinars and seminar. He also expressed that alumni can contribute in a big way in taking their Alma mater to next level by instituting awards, Prizes, joint projects and donation to the corpus fund. He also offered alumni to utilize existing laboratory space for their startups activities. Some of alumni expressed their views about the college and alumni meet. Special emphasis should be given on developing effective communication skill along students. Alumni doing free lancing work have shown their willingness to teach Design engineering software like AutoCAD/ Revit to present student Prof. R. C. Katdare Civil Engineering, DYPSOE proposed vote of thanks to all people involved in successful conduct of the event.

Alumni Meet Report

Name of the Event: Cherrio Bash 2K22

Date and Day: 27th May 2022 Friday

Time: 2.00 PM – 8.00 PM

Venue: ADYPU Auditorium

No. of Participants: 41

Report:

Computer Engineering Department had organized Alumni Meet on 27th May 2022 Friday from : 2.00 PM – 8.00 PM at ADYPU Auditorium. The Alumni Meet was organized for the Alumni from the first passed out batch-2019 to the most recent batch 2021.

Ms.Shreeya Lad one of our Alumni interacted with students and shared her experience with them regarding academics, how to prepare for interviews and how to build self confidence.

After the Speech, there was an Interaction Session with the Alumni in which the present students asked their queries to the Alumni. The Alumni shared their experiences of interviews, studies, exams with their juniors. They also gave their guidance on Trending Technologies, Interview Preparation, Handling Failures etc.

Then there was an Interaction Session between Alumni and Teachers in which thoughts, feelings and college days memories were exchanged.

At the end there was a Event for Audience and Feedback Form Filling.

The Alumni expressed their pleasure of meeting their Teachers, Batch mates and Juniors, re-experiencing old memories and enjoying the Quiz Competition. The guidance given by the Alumni was very valuable for their juniors and present students.

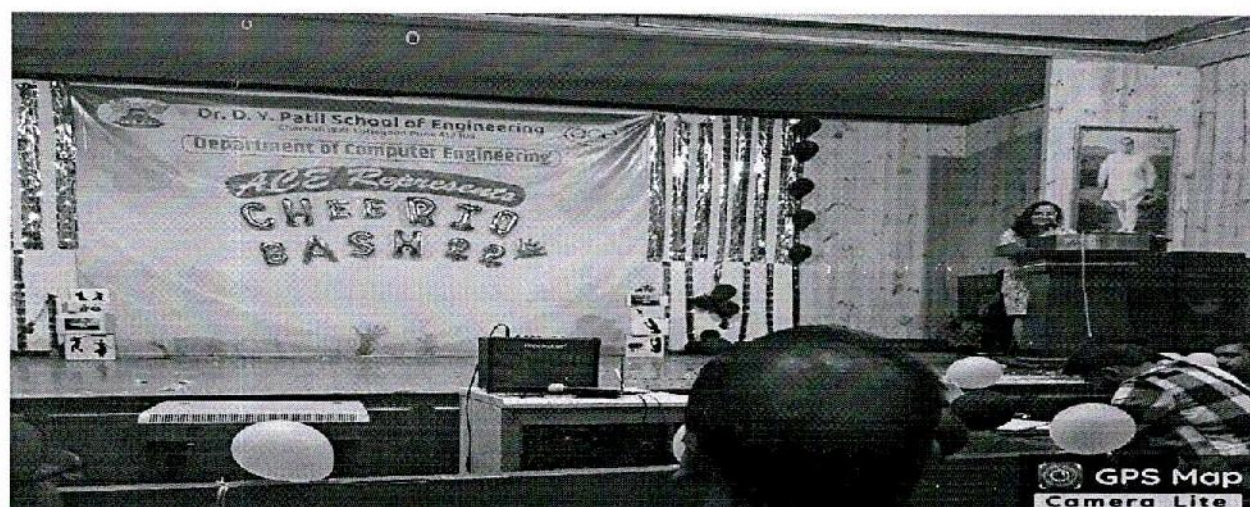

The event was appreciated by Principal Dr Farook Sayyad. The Head of the Department-Dr Pankaj Agarkar gave complete support to the organization of the event. The event was successfully coordinated by Alumni Coordinator-Prof Ajita Mahapadi, assisted by ACE Coordinator Prof Nilesh Pinjarkar.

Alumni Meet Report

Name of the Event: Online Alumni Meet 2021

Date and Day: 14th August 2021 Saturday

Time: 2.00 PM – 4.00 PM

Venue: Microsoft Teams Online Platform

No. of Participants: 30

Youtube Link of Event: <https://www.youtube.com/watch?v=5r0XjJcW1Ks>

Report:

Computer Engineering Department had organized Online Alumni Meet on 14th August 2021 from 2.00 PM to 4.00 PM on Microsoft Teams. The Alumni Meet was organized for the Alumni from the first passed out batch-2014 to the most recent batch 2020.

“Multimedia Quiz Competition for Alumni” was the main attraction of this event. The Winners of this Quiz Competition- Mr Ramedra Raj Singh (2020 Batch) and Mr Ankit Gupta (2018 Batch) were awarded with the Cash Prize of Rs 1500/- and Rs 1300 respectively.

After the Quiz Competition, there was an Interaction Session with the Alumni in which the present students asked their queries to the Alumni. The Alumni shared their experiences of interviews, studies, exams with their juniors. They also gave their guidance on Trending Technologies, Interview Preparation, Handling Failures etc.

Then there was an Interaction Session between Alumni and Teachers in which thoughts, feelings and college days memories were exchanged.

At the end there was a Quiz for Audience and Feedback Form Filling.

The Alumni expressed their pleasure of meeting their Teachers, Batch mates and Juniors, re-experiencing old memories and enjoying the Quiz Competition. The guidance given by the Alumni was very valuable for their juniors and present students.

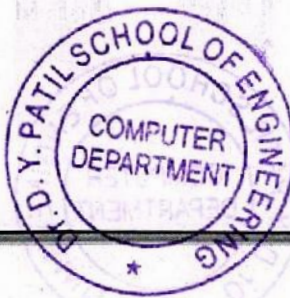

The event was appreciated by Principal Dr Farook Sayyad. The Head of the Department Dr Pankaj Agarkar gave complete support to the organization of the event. The event was successfully coordinated by Alumni Coordinator-Prof Monika Dangore, assisted by ACE Coordinator Prof Pooja Shinde.

ALUMNI MEET 2021

Date: 27/07/2021

Time: 11 am to 12 PM

Venue: MS Teams App

Agenda:

- **To create a platform for interactive session with all Alumni working in different fields.**
 - **To bridge the gap between industry and academics**
- 1) Dr. D.Y.Patil School of Engineering, Department of Civil Engineering arranged Alumni Meet 2021 on 27 July. Taking into consideration the current Pandemic situation meet was organized on online platform. The meet started by welcoming Alumni which was done by Prof. A. A. Ingle on behalf of Civil Engineering Department. Later Dr. Rajesh Katdare addressed the meet and discussed with students how they can help to bridge the gap between curriculum and industry.
 - 2) Prof. Lt. Col. Sanjay Karodpati (Head of Department) addressed Alumni and discussed about the new developments in college and the curriculum. Proposed NABL Accreditation of Lab was also apprised to alumni and appealed them to help college in getting Testing and consultancy work.
 - 3) HoD also offered alumni, to utilize existing laboratory space for their startups activities
 - 4) An Interactive session with students also revealed their inclination to participate in collaborative activities related to teaching learning and getting sponsorship for BE Projects.

The points of this interactive session are summarized below

- Special emphasis should be given on developing effective communication skill among students.
- Alumni doing free lancing work have shown their willingness to teach Civil engineering softwares like E-tab , BIM to the present students.
- Alumni showed their interest in proposed NABL Accreditation activity of Testing of Material Laboratory in which case they will sending material at their site.

Session was concluded with vote of thanks by Prof. Ramakant Koshti.

Name of the event: Virtual Alumni Meet 2021.

Date and Time	9/05/2021 12:00 pm to 2.30pm
Event Venue	MS Teams online meeting
Organized by	Prajakta Khairnar
Targeted Audience	Alumni (students of previous years)
Resource Person	NA

Details of the event:

1. To reunite the students
2. To interact with the Alumni
3. Enjoyment to students

Event Report:

The Virtual Alumni meet 2021 started with the registration of Alumni by sending them registration link of google form and Invitation letter. The aim of the meet was to reunite the students working in various places and to recollect, rejoice the college memories and helped to share their work experience. Around 35 students have been participated to facilitate the program. The meet is started with the welcome address. Our HoD Dr. S. M. Koli address to Alumni, expressed their views and best wishes to Alumni. Alumni had an interaction with the present students. The event was stimulating and enjoyable and simultaneously profitable as all members shared their views ideate and good numbers of new ideas, information and insights came up. EESA students organized different games for alumni for their fun.

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

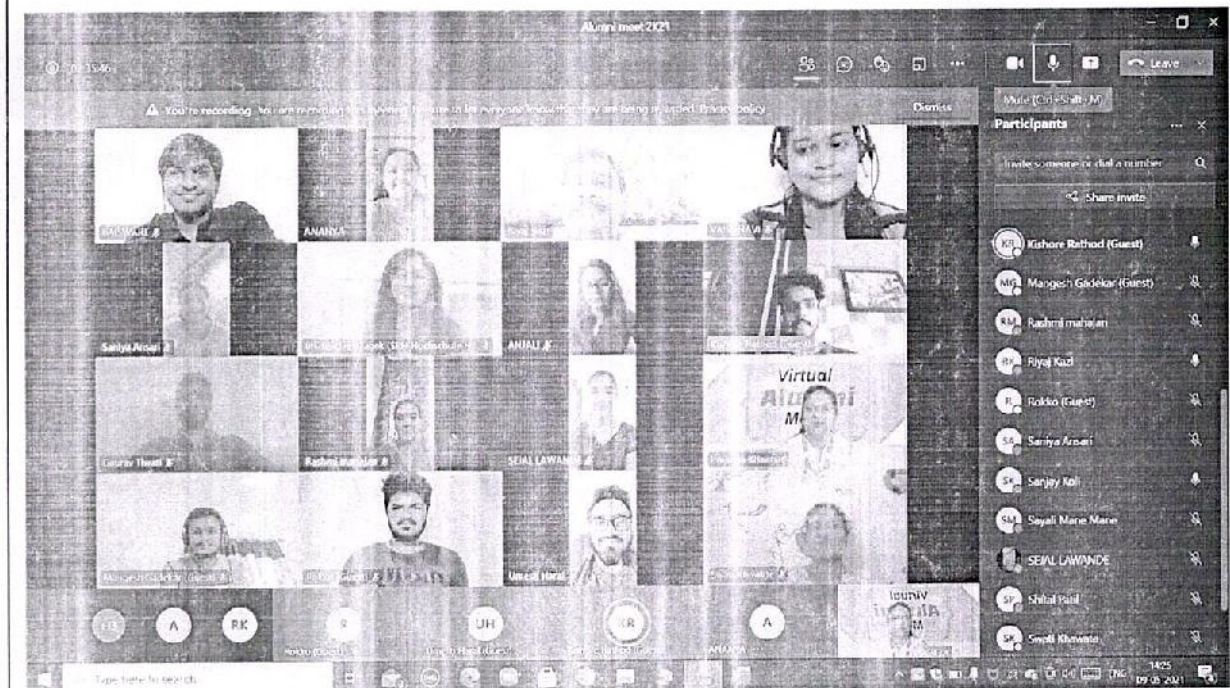

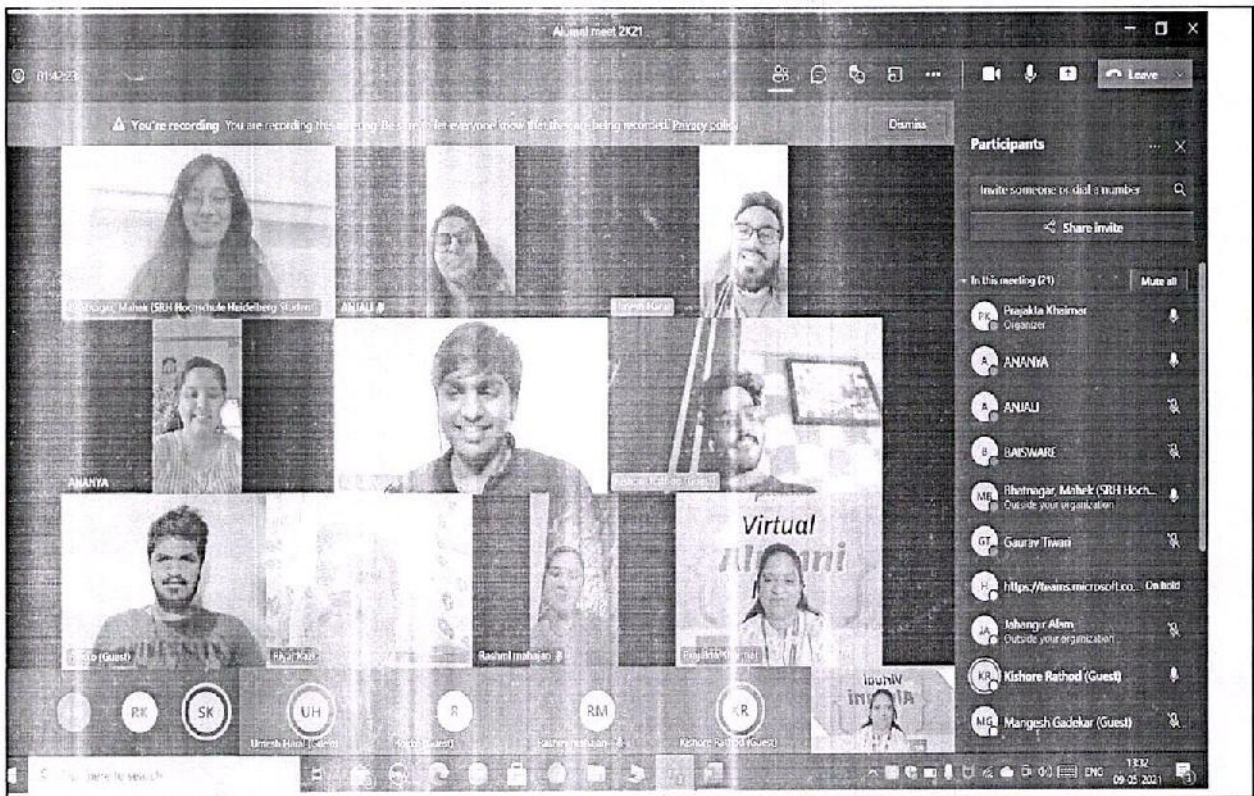

The alumni sincerely expressed gratitude to the HoD and EESA team for the guidance and support to make this event a grand success. Total number of 35 alumni attended this meet. This meet is organized by Alumni coordinator Prof Prajakta Khairnar.

ALUMNI MEET 2021

Date: 22/07/2021

Time: 11 am to 12 PM

Venue: Google Meet

Agenda:

- **To create a platform for interactive session with all Alumni working in different fields.**
- **To bridge the gap between industry and academics**

Dr. D.Y.Patil School of Engineering, Department of Mechanical Engineering arranged Alumni Meet 2021 on 22 July. Taking into consideration the current Pandemic situation meet was organized on online platform. The meet started by welcoming Alumni which was done by Prof. P. R. Nawathe on behalf of Mechanical Engineering Department.

Prof. P. P. Khairnar addressed the meet and discussed with students how they can help to bridge the gap between curriculum and industry.

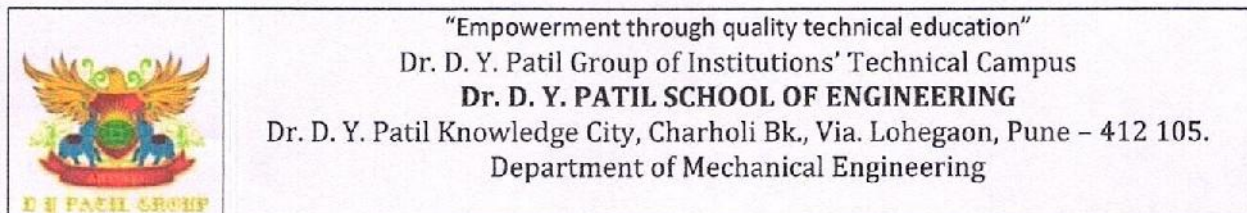

Prof. R. N Garad (Head of Department) addressed Alumni and discussed about the new developments in college and the curriculum. He said that college can facilitate the alumni in enhancing their qualification through PG Diploma courses and PhD programs. He urged the alumni to contribute in enhancing Knowledge and skill domains of currents students by conducting guest lectures, webinars, seminar. He also expressed that alumni can contribute in a big way in taking their Alma matter to the next level by instituting awards, prizes, joint projects and donation to the corpus fund.

He also offered alumni, to utilize existing laboratory space for their startups activities.

Some of alumni expressed their views about the college and alumni meet. Special emphasis should be given on developing effective communication skill among students.

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

Alumni doing free lancing work have shown their willingness to teach Design engineering softwares like Catia, Ansys to the present students.

Prof P. R Nawathe, Coordinator of Alumni and Assistant Professor, Department of Mechanical, DYPSOE proposed vote of thanks to all people involved in the successful conduct of the event.

Photos of the meet are attached:

EMPOWERMENT THROUGH ACADEMIC EXCELLENCE

Prof. Rohit Garad, welcome all and gave brief of Alumni Meet. He also made Alumni aware about their role in future work and shares vision of our Hon. Chairman Dr. Ajeenkya D Y Patil behind such meet. Prof. Rohit Garad emphasis on need of such regular Alumni Meet. It was underlined by Prof. Rohit Garad that management is always taking a step forward where there seems to be benefit of the Students and Alumni also play vital role in it. Through this activity if a good idea comes forward institute will be supporting the idea. He appealed alumni to take maximum of the same.

EMPOWERMENT THROUGH ACADEMIC EXCELLENCE

Prof. Rohit Garad interacted among Alumni during Programme. Give brief information about Future Programme.

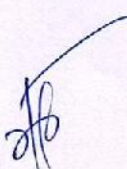

Prof. Paresh Khairnar delivers vote of thanks.

108 Alumni were present in Alumni Meet.

Fourth Alumni meet smoothly coordinated by mechanical department.

This program has created awareness among the Alumni. Alumni seem motivated and interested in joining such Meet. Mechanical Engineering Students Association (MESA) played an important role in smooth execution of the program.

Alumni Meet Report

Name of the Event: Alumni Meet for Passed out Batch 2018-19

Date: 06/02/20, Thursday

Time: 1.00 PM to 3.00 PM

Venue: Lab 331

No. of Students: 45 Alumni

Report:

Computer Engineering Department had organized Alumni Meet for Passed Out Batch 2018-19 on 6th February 2020 Thursday at Lab 331. Around 45 Alumni came for the Meet.

As the start of the event, the Alumni were welcomed by BE,TE,SE Organizing Committee Members. There was a funny interaction organized by BE Students. The Alumni shared their experiences, memories, unforgettable moments spent during their college days. They also shared their present work experiences and guided SE,TE,BE students about Corporate Work Culture.

The Credit Pattern and Percentage Pattern Toppers of the batch were felicitated by the Teachers. The Parents of some Alumni were also present for the Alumni Meet. They expressed their joy of being part of their children's Alumni Meet. The Head of the Department Dr Pankaj Agarkar and Teachers guided the Alumni and expressed best wishes for their future.

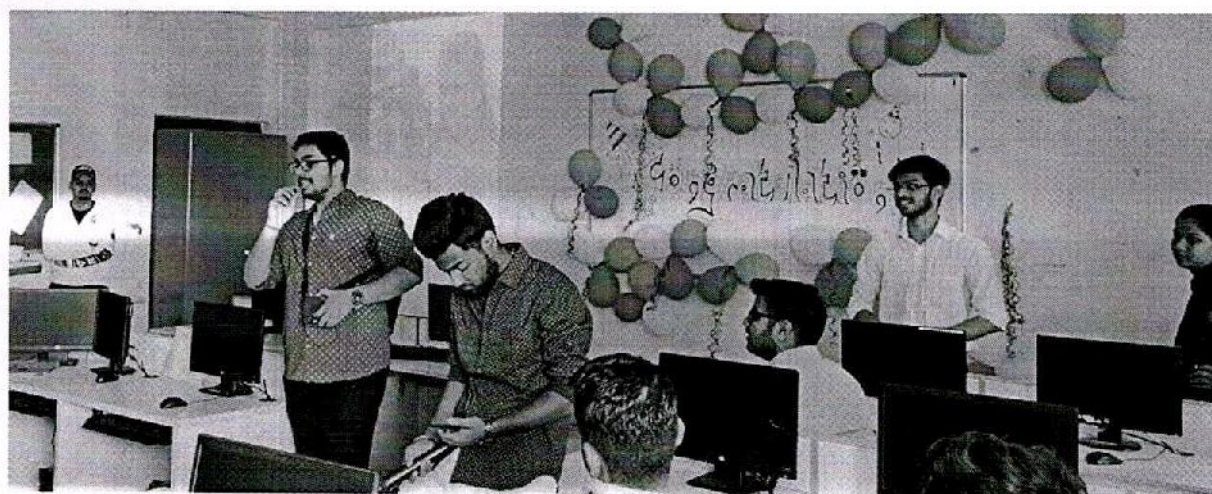

The Alumni Students became Members of Alumni Association by filling the Alumni Association Registration Form and paying Alumni Registration Fees.

The Alumni expressed thanks to Head of the Department, Alumni Coordinator and Organizing Committee for organizing a memorable event for them.

Event Report

Academic Year: 2019-20

Semester-II

Name of the event: Alumni Meet 2020

Date and Time	06/02/2020, 2.30pm
Event Venue	Seminar Hall ,Room no 242
Organized by	Prajakta Khairnar
Targeted Audience	Alumni (Previous years students)
Resource Person	Nil

Event Contents:

1. To reunite the students
2. To interact with the Alumni
3. Enjoyment to students

Details of the event:

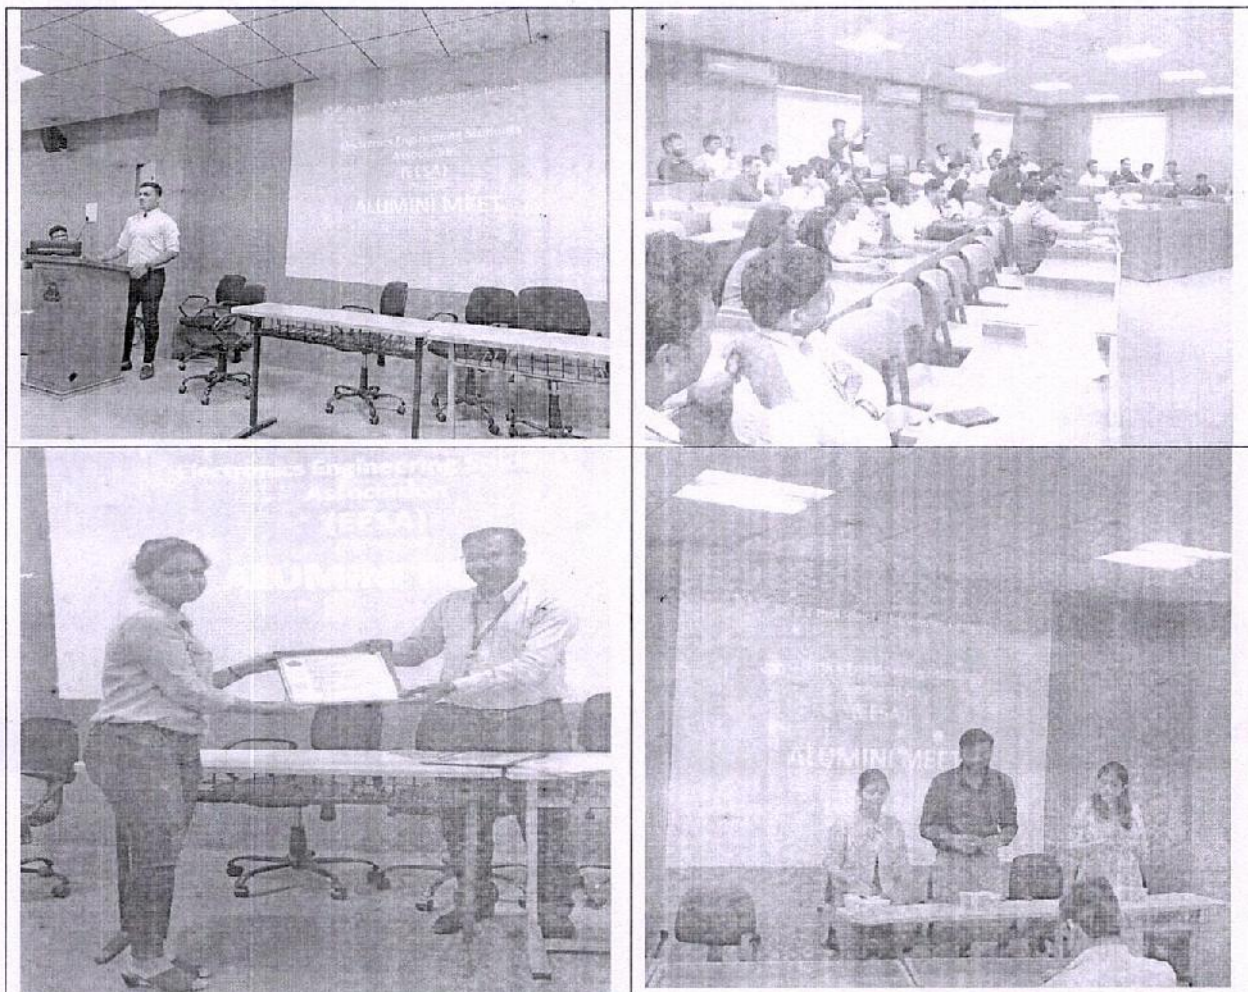

The Alumni meet started with the registration of Alumni and with High tea and snacks to the Alumni. The aim of the meet was to reunite the students working in various places and to recollect, rejoice the college memories and helped to share their work experience. Around 25 students have been participated to facilitate the program. Alumni had an interaction with the present students. The event was stimulating and enjoyable and simultaneously profitable as all members shared their views ideate and good numbers of new ideas, information and insights came up. Our HoD Dr. S. M. Koli expressed their views and best wishes to Alumni. EESA students organized different games for alumni for their fun.

Principal

PROF. KOSHTI FELICITATING PROF. KATDARE

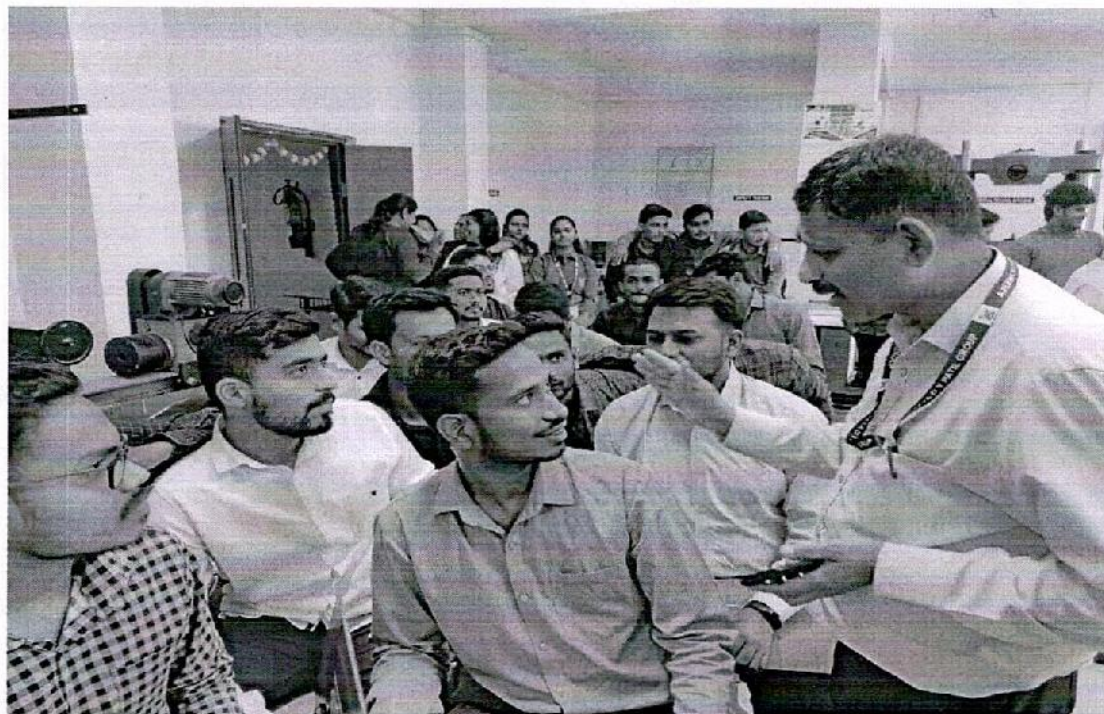

The event started with the felicitation of Prof. Katdare by Prof. Koshti. Alumni were called on stage for felicitation. Prizes, gifts (Diary and pen) were distributed along with Degree certificate.

Many alumni shared their experiences of college life and gave tips to get better in respective fields. One Alumnus told that apart from academic learning, focus on skills like CAD, etc. to stand out from the crowd. Also alumni shared experiences from on-site works. Prof. Katdare asked the alumni to help out their junior student in getting ahead in their careers.

H.O.D Lt. Col. Sanjay Karodpati encouraged students to do hard work in their respective field of work to achieve success. The program concluded with some fun and a vote of thanks. Alumni gave their feedback about the program on the boards arranged by CESA.

Alumni Meet Report

Name of the Event: Alumni Meet for Passed out Batch 2017-18

Date: 15/02/19, Friday

Time: 1.00 PM to 3.00 PM

Venue: Lab 331

No. of Students: 50 Alumni

Report:

Computer Engineering Department had organized Alumni Meet for Passed Out Batch 2017-18 on 15th February 2019 Thursday at Lab 331. Around 50 Alumni came for the Meet.

As the start of the event, the Alumni were welcomed by BE, TE, SE Organizing Committee Members. Interaction session was organized by BE Students. The Alumni students were asked to share their experiences, memories, unforgettable moments of their college days. They also shared their present work experiences and guided SE, TE, BE students about Corporate Work Culture.

The Credit Pattern and Percentage Pattern Toppers of the batch were felicitated by the Teachers. The Parents of some Alumni were also present for the Alumni Meet. They expressed their joy of being part of their children's Alumni Meet. The Head of the Department Dr S S Das and Teachers guided the Alumni and expressed best wishes for their future.

The Alumni Students became Members of Alumni Association by filling the Alumni Association Registration Form and paying Alumni Registration Fees.

The Alumni expressed thanks to Head of the Department, Alumni Coordinator and Organizing Committee for organizing a memorable event for them.

Event Contents:

1. Discussion with Alumni and Students

Details of the event:

We invited our 2018 passed out students so that the present students can interact with them and our alumni can guide them for future journey. The main agenda is to make our students aware about the industrial trends, current situation in market, requirements from company from fresher's etc. Our students asked many questions to our alumni and they solved the queries.

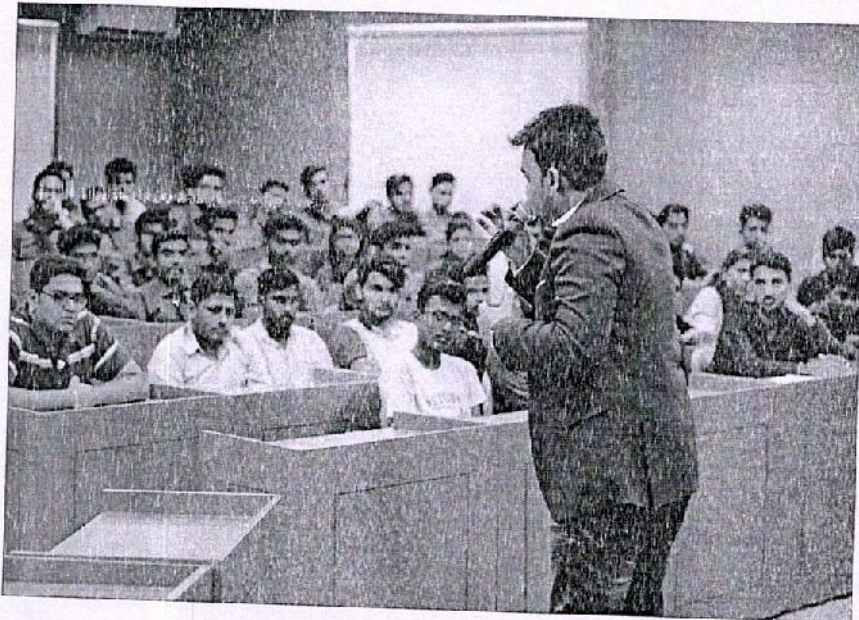

Alumni guided our students for how to prepare for placements and what is the environment in company. Importance of technical skills, communication skills were discussed by our alumni and our students learned a lot from them.

Session was concluded by Q&A session and vote of thanks given by Prof. Rashmi Mahajan.

Alumni Meet Report

Name of the Event: Alumni Meet for Passed out Batch 2018-19

Date: 06/02/20, Thursday

Time: 1.00 PM to 3.00 PM

Venue: Lab 331

No. of Students: 45 Alumni

Report:

Computer Engineering Department had organized Alumni Meet for Passed Out Batch 2018-19 on 6th February 2020 Thursday at Lab 331. Around 45 Alumni came for the Meet.

As the start of the event, the Alumni were welcomed by BE,TE,SE Organizing Committee Members. There was a funny interaction organized by BE Students. The Alumni shared their experiences, memories, unforgettable moments spent during their college days. They also shared their present work experiences and guided SE,TE,BE students about Corporate Work Culture.

The Credit Pattern and Percentage Pattern Toppers of the batch were felicitated by the Teachers. The Parents of some Alumni were also present for the Alumni Meet. They expressed their joy of being part of their children's Alumni Meet. The Head of the Department Dr Pankaj Agarkar and Teachers guided the Alumni and expressed best wishes for their future.

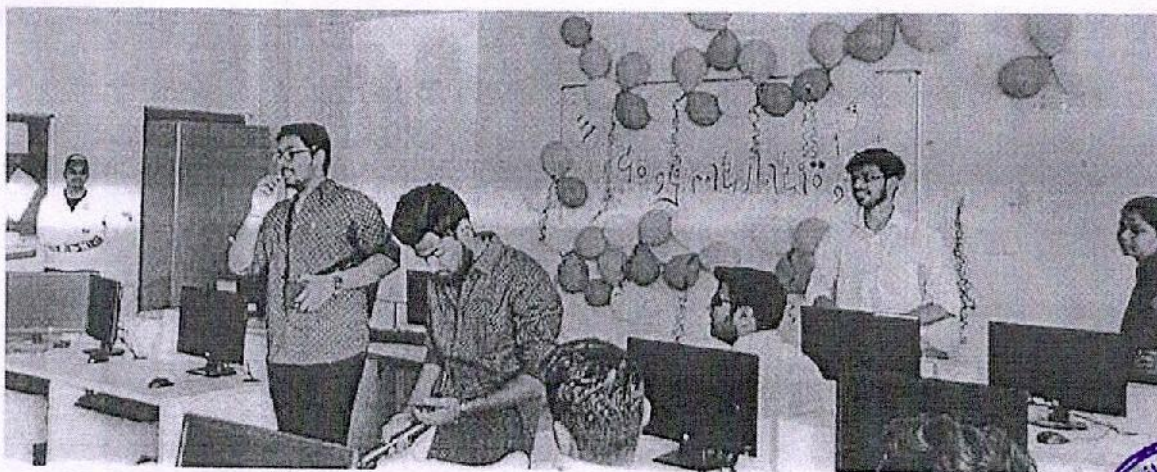

The Alumni Students became Members of Alumni Association by filling the Alumni Association Registration Form and paying Alumni Registration Fees.

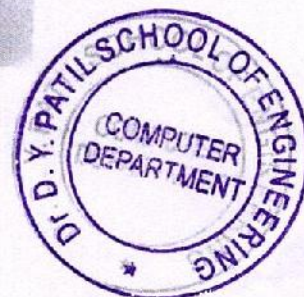

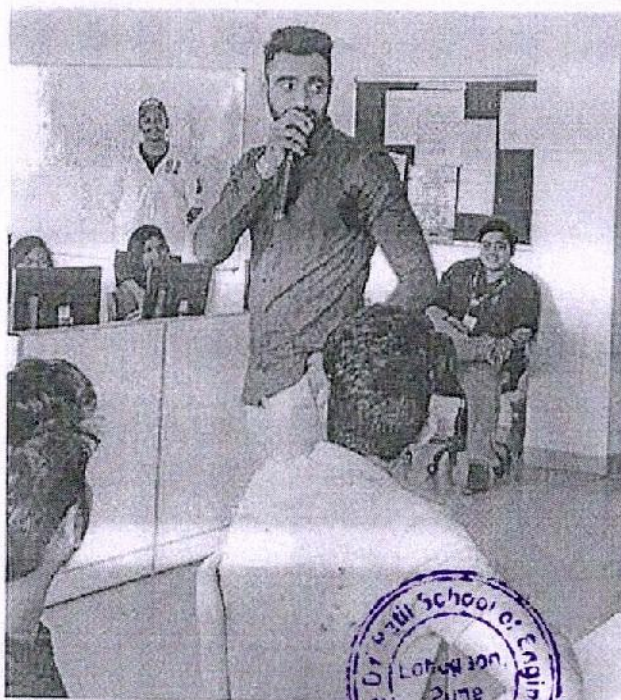

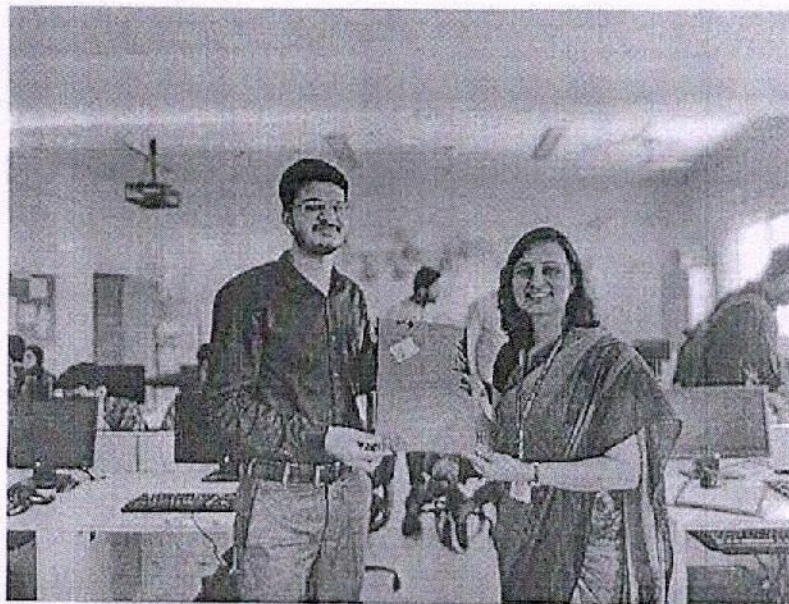

The Alumni expressed thanks to Head of the Department, Alumni Coordinator and Organizing Committee for organizing a memorable event for them.

Subject: Request for permission to organize a seminar on "Entrepreneurship: From an engineer's point of view" by Alumni .

Through: HoD (Dr. Pankaj Agarkar)

Respected Sir,

The Department of Computer Engineering, is organizing seminar on "Entrepreneurship: From an engineer's point of view" by our Alumni. The speaker for this session will be Mr. Anshuman Vats. This seminar is for the SE ,TE & BE Computer department students on 29th August 2021 from 3:30pm to 5pm.

May I request you to give the permission to organize this event.

Thanking You,

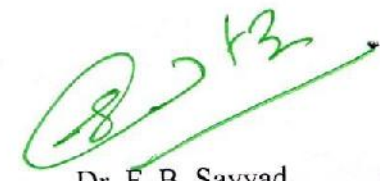

Yours Faithfully,

Prof. Ajita Mahapadi

Seminar on "Entrepreneurship: From Engineer's point of view by Alumni"

Name of the Event: Seminar on "Entrepreneurship: From Engineer's point of view by Alumni".

Date: 29/08/2022

Time: 3:30 PM to 5.00 PM

Venue: Lab Nos 331

Students: Students from SE,TE,BE Computer Engineering Department

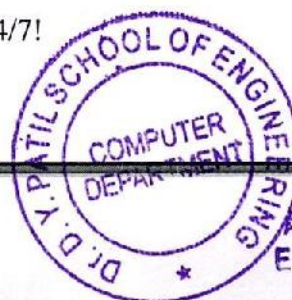

Report:

Computer Engineering Department organized a Seminar on "Entrepreneurship: From Engineer's point of view by Alumni" from 3:30 PM to 5.00 PM for SE ,TE,BE Students of Computer Engineering. The lecture was headed by Mr. **Anshuman Vats** who is working in **Leanafy | Indianapolis, US**.

When studying in colleges, students are not aware about workplace expectations. Hence awareness is to be created by exposing them with real-time workplace. Internships works very well to bridge the gap between academia and industry, some of the universities in India (ex: VTU) has already made it mandatory as a part of engineering curriculum. By working on internship, engineering graduates not only learn in terms of their job expectations but also learn about other behavioral aspects. These behavioral aspects include written and oral communication with colleagues and seniors, taking complete ownership of the given work, delivering quality output and learning on real-time tasks. Also by attending company level common activities like team meeting, offsite-workshops and company all-hands meeting interns can build big picture of how an organization functions.

Along with internship students can be made aware about the corporate world by having different engagement programs with the industry. Some of them include having guest lectures by experts, 1:1 mentoring, having experts as project guide, having industry experts as extended faculty etc. The activity of setting up a business or businesses, taking on financial risks in the hope of profit.

- You are responsible for everything!
- You will almost always be on a financial risk!
- You would probably forget what vacations are!
- You won't be working 9-5; You will be working 24/7!

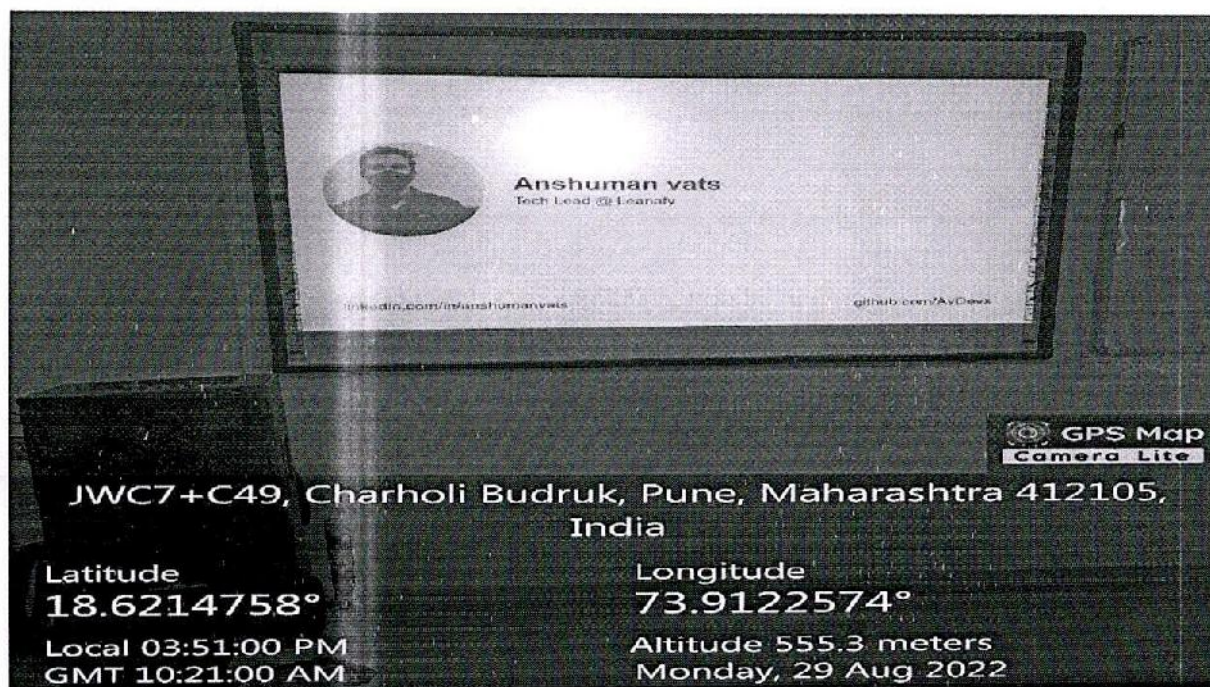

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

- You will be your own Boss, Manager, Developer, Intern!

Working on that one idea that genuinely interests you and you can figure out a way to make money out of it. Why would you not give it a shot?

The session was followed by student questions where they inquired more about how to bridge gap between academics and industry and its scope.

Date and Time	13 th -5-2023 , 1.00 p.m to 2.00 pm
Event Venue	Computer Department
Organized by	Prof: Amruta Chitari
Targeted Audience	SE&TE Computer Students
Resource Person	Mr. Mukesh Iyer

Event Contents:

- Bridging the gap between Curriculum & Industry
- New technologies that should understood by the students.

Details of the event:

The Department of Computer Engineering of Ajeenkya D Y Patil School of Engineering ,Pune, has organized a Seminar on " Bridging the Gap between Curriculum & Industry by Alumni" on 13th May 2023 from 1pm to 2pm for TE & SE students . Our Alumni " Mr Mukesh Iyer pass out BE from our college in AY 2020. Now working as an Backend Developer in Validus Mumbai .

The Session was online held on Micosoft teams started with introductory speech by Prof. Amruta Chitari and the it is followed by Mr.Mukesh Iyer . He initially started with session introduction to Bridging gap between Curriculum & Industry.And also in these session he covered up with following points:

- Brief introduction to Testing

Event Contents:

- Inauguration speech and welcome
- Information on Web development
- Hands on activities by students
- Students question answering

Details of the event:

A seminar on **Web Development** is organized by Prof. Sanjana Desai of E&TC department on 11th May 2023. This event is organized online on MS Teams for all students of E&TC department.

The program is started with the inauguration speech and welcome address by Prof. Shourya . **Miss Ritika Singh , Web developer at Intelligent Tag, Pune** was the guest for this event. She has started her seminar with the information of Web development. Then, she explained some commands of website development. She has also explained knowledge of website creation & mobile app development with some examples like flipcart, amazon etc. and shared her knowledge with students. Also she shared career opportunities in web developing and software companies. Then, Students of E&TC department execute some commands of web development. After that she has explained best resume formats, interview skills, group discussion knowledge etc. At last students ask some question to Ritika, . she also answered all questions.

To
The Principal,
ADYPSOE, Pune

Subject: Request for permission to conduct cleanliness activity and
consequent the budget

Through: HOD (Civil Engineering) & Environmental Club

Respected Sir,

As per Environmental Club Event of civil engineering department, we are going for cleanliness Drive at Charholi road (back of ADYPSOE). We require the cleanliness material for this activity. List of materials and its prizes as mentioned.

Budget of the event:

Sr. No.	Items	Nos of Item	Amount
1	Snacks (tea and samosa)	-	300
Total =			300

Total = Three Hundred Only

May I request you to give the permission to conduct this event? I further request you to sanction the budget of Rs.300/-

Thanking You,

Yours Faithfully,

Event Report

Academic Year: 2022-23

Semester-II

Name of the event: Cleanliness Drive on Charholi gaon.

Date and Time	21 April 2023
Event Venue	Charholi hill (ADYPCOE In front of College)
Organized by	Department of Civil Engineering
Attendee's	15

Event Contents:

1. Importance of conservation of environmental Waste like Plastic and Glass Waste.
2. Reference for work collaboration of Department of Civil Engineering ADYPOE of collecting Waste from Charholi gaon (back side to ADYPU) like Plastic and Glass Waste.

Program Outcome:-

1. To minimize environmental impacts and maximize re-use, recovery, and recycling valuable materials and clean our environment.
2. Spreading awareness to the People.

Details of the event:

This event organized by Civil Engineering Department under the environmental club. Environmental club collected Plastic and Glass waste from from Charholi gaon back of ADYPSOE and club members help to collect the waste and distributes. This event was organised by Dr.Pallavi Kharat, Prof. Sarika Thombare and Prof. Shreedhar Patil under the guidance of Hod Lt. Col. Karodpati(Retd). The event executed by the Student co-coordinators and members of the environmental club. The club is based on

1

Engineering, Lohegaon, Pune

the need for conservation of environment. Students got an idea that by which or how we can minimize environmental impacts and maximize re-use, recovery, and recycling valuable materials and clean our environment. A clean environment not only motivates our students to work well. It also boosts the productivity of the workforce.

Event Report

Academic Year: 2022-23

Semester-I

Name of the event: Cleanliness Drive on hill.

Date and Time	26 November 2022
Event Venue	Charholi hill (ADYPCOE In front of College)
Organized by	Department of Civil Engineering
Attendee's	47

Event Contents:

1. Importance of conservation of environmental Waste like Plastic and Glass Waste.
2. Reference for work collaboration of Department of Civil Engineering ADYPOE of collecting Waste from Charholi hill like Plastic and Glass Waste.

Program Outcome:-

1. To minimize environmental impacts and maximize re-use, recovery, and recycling valuable materials and clean our environment.
2. Spreading awareness to the People.

Details of the event:

This event organized by Civil Engineering Department under the environmental club. Environmental club collected Plastic and Glass waste from Charholi hill in front of ADYPOCE and club members help to collect the waste and distributes. This event was organised by Dr.Pallavi Kharat, Prof. Sarika Thombare and Prof. Shreedhar Patil under the guidance of Hod Lt. Col. Karodpati(Retd). The event executed by the Student co-coordinators and members of the environmental club. The club is based on

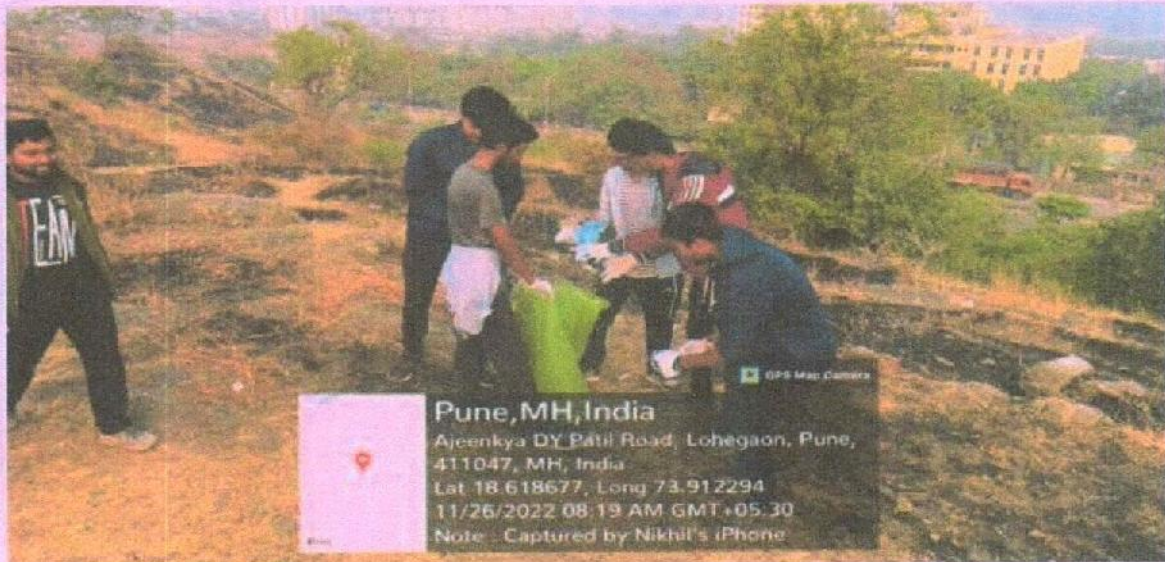

Principal

Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

the need for conservation of environment. Students got an idea that by which or how we can minimize environmental impacts and maximize re-use, recovery, and recycling valuable materials and clean our environment. A clean environment not only motivates our students to work well. It also boosts the productivity of the workforce.

Name of the event: Alumni Lecture on Start-up: Building own identity

Date and Time	29.11.2021
Event Venue	Online Platform
Organized by	E&TC Dept
Targeted Audience	BE (50)
Resource Person	Mr. Nagesh Jadhav

Event Contents:

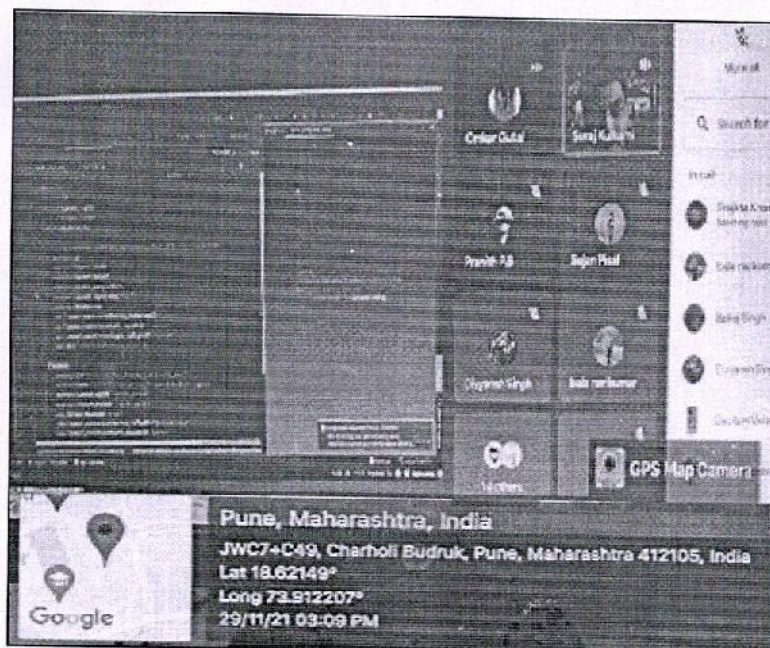

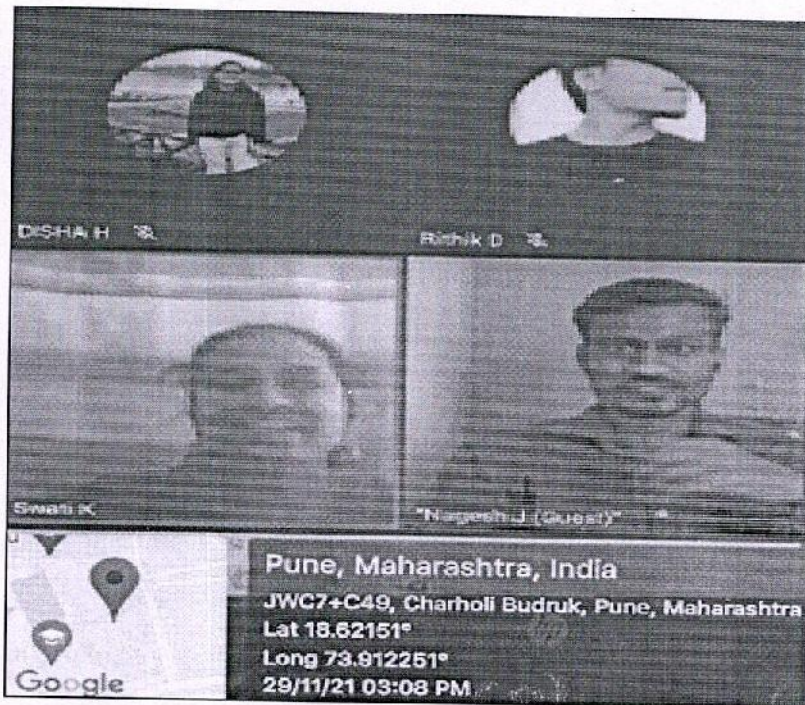

To start your own business requires lot many things and on top of that one should be prepared for all the challenges and fluctuating market situations. The E&TC Department has organized a guest lecture on Start-up: Building own identity so as to make our student aware about how they can create their unique identity by starting their own business.

Resource person, Mr. Nagesh Jadhav is our Alumni of 2020 batch. He Started a LED Light manufacturing firm during the lockdown period. He shared his experiences of journey of success from failure. He told about the market survey, quality of product, and how to face fluctuating market situations. We were pleased that our alumni can guide our students for their dreams and Mr. Nagesh showed his gratitude for inviting him for the lecture.

Greetings of the Day!

It gives us immense pleasure to announce that the Department of Computer Engineering, Dr. D Y Patil School Of Engineering (DYPSOE) Lohegaon, Pune is organizing a Seminar on "Business Development".

Kindly find event details

Date: Monday, 11th October 2021, 11:30 AM to 01:00 PM

Speaker:

Mr. Diwesh Dutt,

RS Medisteel, Care2Heal LLP,

Yugal Ras Pvt Ltd and Chocoholics,

Semester-II Academic Year 2021-22

Seminar on “How to bridge gap between academics and industry(Technical) by Alumni” Report

Name of the Event: Seminar on “How to bridge gap between academics and industry(Technical) by Alumni”.

Date: 13/05/2022

Time: 10.00 AM to 11.00 AM

Mode: Offline

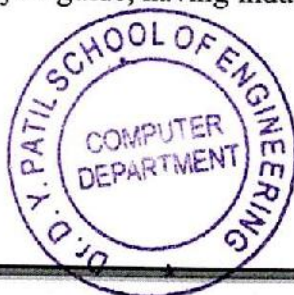

Students: Students from SE,TE,BE Computer Engineering and AI& DS Department

Report:

Computer Engineering Department organized a Seminar on “**How to bridge gap between academics and industry(Technical)**” for one hour from 10.00 AM to 11.00 AM for SE ,TE,BE Students of Computer Engineering and AI& DS Department(87). The lecture was headed by Ms. Shreya Lad who is working in LTI Airoli .

When studying in colleges, students are not aware about workplace expectations. Hence awareness is to be created by exposing them with real-time workplace. Internships works very well to bridge the gap between academia and industry, some of the universities in India (ex: VTU) has already made it mandatory as a part of engineering curriculum. By working on internship, engineering graduates not only learn in terms of their job expectations but also learn about other behavioral aspects. These behavioral aspects include written and oral communication with colleagues and seniors, taking complete ownership of the given work, delivering quality output and learning on real-time tasks. Also by attending company level common activities like team meeting, offsite-workshops and company all-hands meeting interns can build big picture of how an organization functions.

Along with internship students can be made aware about the corporate world by having different engagement programs with the industry. Some of them include having guest lectures by experts, 1:1 mentoring, having experts as project guide, having industry experts as extended faculty etc.

Principal
Ajeenkya DY Patil School of
Engineering, Lohagaon, Pune

Every individual must take a step to improve their capabilities which include students, faculty and organizations. The learning attitude is yet to be cultivated by different mechanisms using which individual can continue to enhance their knowledge and skills. This will also help an individual to become a life-long learner and adapt to changes as they face in future. With new technologies disrupting traditional ways (ex: Artificial Intelligence), having a learner mindset makes a huge difference.

The session was followed by student questions where they inquired more about how to bridge gap between academics and industry and its scope.

Event Report

Academic Year: 2021-22

Semester-I

Name of the event: **Alumni lecture on Campus to Corporate**

Date and Time	15/02/2022 Time: 03:00 pm- 04:00 pm
Event Venue	Online Platform
Organized by	E&TC Dept
Targeted Audience	BE (47)
Resource Person	Mr. Abhilash Sasane

Event Contents:

The environment in corporate world is very different than that of campus world. Skills like communication skills, management skills, time management skills, presentation skills etc are important and plays very important role for students when they enter the corporate world. Our alumni Mr. Abhilash himself a corporate person having more than 5 years of work experience guided students about such things.

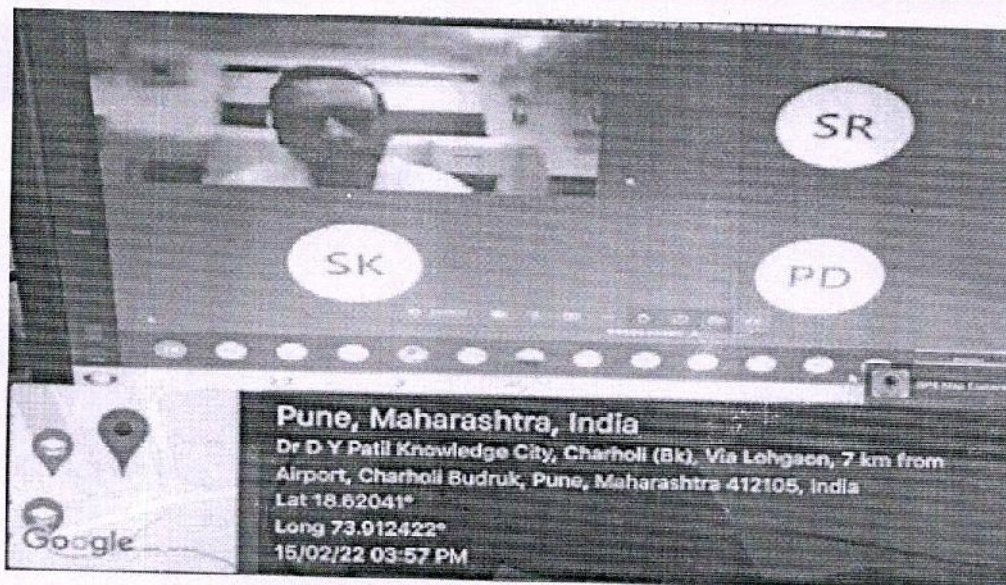

In company, students needs to focus on technical skills, and how they can learn new techniques quickly and adapt themselves to the new environment plays crucial part. Students asked their doubts to our alumni and he also guided them with different examples.

Our alumni gave vote of thank you to HoD and College for inviting him for guest lecture. We are always pleased to see that our alumni are active and helping our students for their future.

Academic Year: 2020-21

Semester-I

Name of the event: Seminar on Human Ethics

Date and Time	17/09/2021 2.00 to 3.00 pm
Event Venue	Dr D Y Patil School of Engineering
Organized by	Mechanical Department
Targeted Audience	60
Resource Person	Mr. Abhishek Bharti and Dattaprasad Suvarnkar (Vanderlande and Alumni of Mechanical Dept, DYPSOE)

Event Contents:

1. Positive Thinking
2. Self Esteem
3. Self-Worth
4. Self Confidence
5. Goal Setting
6. Time Management
7. Empathy
8. Body Language
9. Team work
10. Decision Making
11. Resume Writing
12. Interview Skills
13. Leadership Quality

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

Details of the event:

The department of Mechanical Engineering had organized seminar on “**Human Ethics**” for the benefit of pre-final year students of D Y Patil School of Engineering. Mr. Kaustubh Dhawale Alumni of Mechanical Dept, DYPSOE) were the resource persons for this training program.

During the formal inaugural session, Prof. Pooja R Nawathe, Coordinator of Alumni welcomed the gathering and also introduced resource persons to the students.

He explain Professional ethics are values that manage the attitude of a person or group of corporate/professional environment. It also provide guidelines on an environment on how a person should act towards other people and institutions Education is clearly about understanding (what to do?), learning skills (how to do?) and practicing the understanding & skills leading to fulfilment of one's purpose. It is not just about learning skills (how to do?). The subject which deals with “what to do” and “what not to do” is called value education – it facilitates development of Right Understanding. The subject which deals with “how to do” is called technical education or professional education – it facilitates development of skills. As there is a complementarity among them and are required, the priority need to be values, than skills. The impression on students on professional ethics are • Students respect professionalism • Students disagree dismissal of an employee who are against law • Students respect code of ethics Thus, education has an essential impact on the conduct and perception of the ethics of future professionals. Our college conducts a course to teach these skills through program. They include:

1. Positive Thinking

Positive thinking can help a personality in numerous ways. It leads an individual toward confidence and helps in looking for fine things in life. It brings in an innovative perspective that can craft all the difference in the world.

2. Self Esteem

Self-esteem contributes to a noteworthy position in ones motivation and triumph throughout the life. Low self-esteem may seize one back from succeeding in their respective avenues. On a contrast, having a strong self-esteem can help one accomplish because the individual moves across in his life with a positive attitude and believe in accomplishment of goals.

3. Self-Worth

Self-worth is the sense that one has positive qualities and has achieved good milestones in life. It is the sense of an individual's own importance or value as a person. However, there are numerous paths for a human being to value themselves and measure their worth as a human being, and several of these are more psychologically advantageous than others.

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

4. Self Confidence

One may be affluent and intelligent. But if one does not poise confidence then he cannot come out and speak. Self-confidence is important than the hard work. It can be obtained through practice

5. Goal Setting

Goal setting is the procedure of identifying something that you want to achieve and institute measurable goals in time bounded frames. It involves the growth of an action plan planned to stimulate and guide an individual to boost efficiency.

6. Time Management

“Until we can manage time, we can manage nothing” – Peter Drucker “Life and time are the world’s best teachers. Life teaches us to make good use of time and time teaches us the value of life”- APJ Abdul Kalam Time management is the route of classifying and scheduling how to manage time amid specific activities. Good time management allows an individual to work smarter. There are various methods and skills involved in time management. Few of them include avoiding delay, organizing work-life balance, utilizing waiting time productively; get ready with a ‘To-do list’, prioritizing tasks, and reinstating useless activities with productive activities.

7. Empathy

Empathy is the skill to comprehend another person’s difficulties and point of vision. It is the act of understanding, being responsive of, being aware to, and vicariously experiencing the thoughts, and experience of another of either the past or present without encompassing the feelings, thoughts, and practice fully conversed in a purposive explicit manner

8. Body language

Body language is an important communication skill. It is the unspoken factor of communication that we use to disclose our true emotions and feelings that includes posture, facial expressions and gestures. Positive body language adds vigor to the verbal ideas or messages that one wants to express, it will also help an individual to avoid sending confusing or mixed signals.

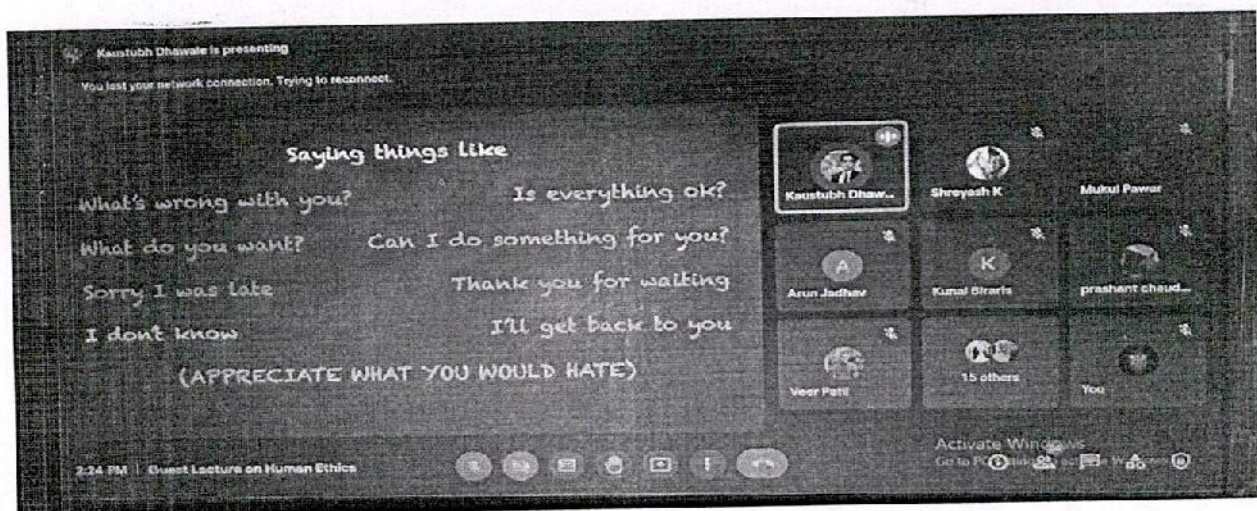

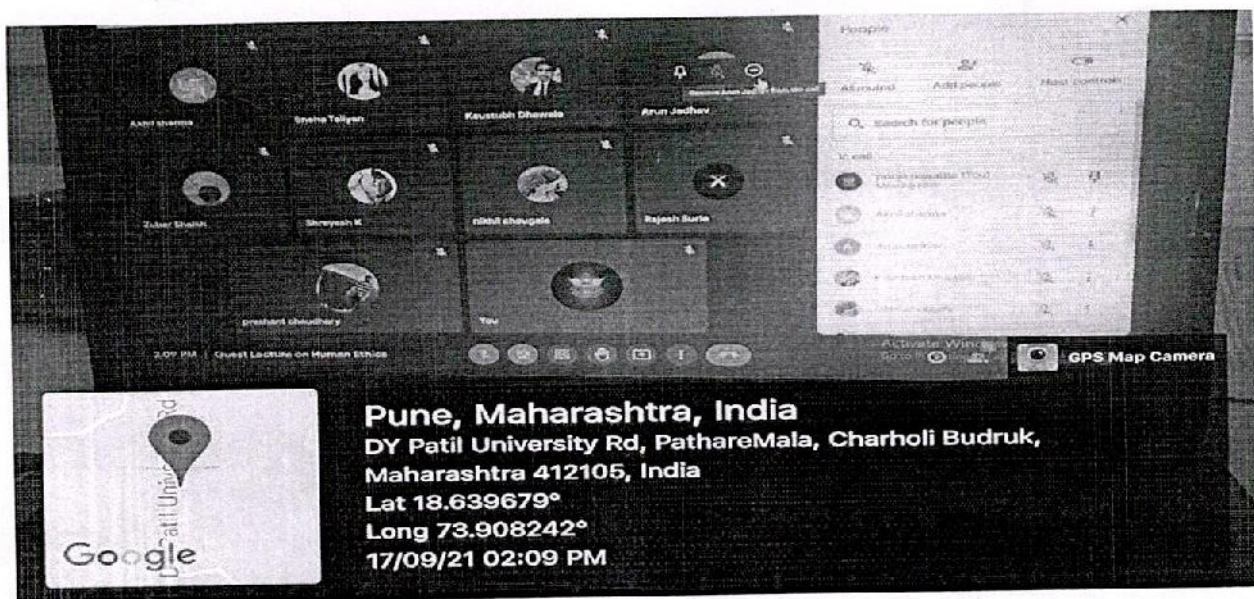

9. Team work

It is very significant to have an efficient team leader who motivates the team towards the goal directed behavior. Effective Teamwork includes: • Understanding team goal and objectives • Knowing the roles and responsibilities in the team • Respecting others thoughts, opinions, perspectives • Sharing the knowledge and expertise • Appreciating others contribution • Resolving conflicts with empathy Team work makes Dream works.

EVENT REPORT ON NAILED TREE CONSERVATION

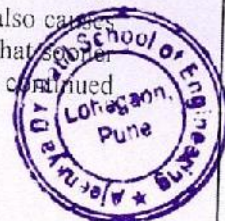

Hammering anything into a tree is intrusive and will cause harm, a tree is a living organism and an injury such as this is damaging. The outer bark layer on a tree stem protects against disease and decay, anything that breaches it can allow the entry of harmful organisms. The significance of any harm will depend on a number of factors such as the extent of the injury, the species and age of the tree and its overall condition. For example, a single nail is unlikely to cause great harm to an established tree that has natural durability such as oak or sweet chestnut but it could be more harmful to a tree with lower durability such as birch or poplar.

We the NSS unit of DYP SOE organized an event today that is nailing tree conservation 13th February 2022 to address the same problem. 40+ students were gathering to take part in this wonderful offline event following all covid protocol taking the permission from college.

The NSS members assembled in college today at 9:30 am and brought the necessary tools like Hammer, Stapler remover pincers etc. We had started our mission of make Nail Free event starting from our college area in charoli via lohgaon to entire porwal road area in lohgaon.

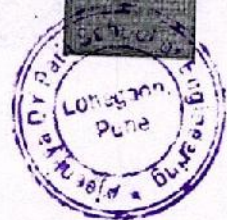

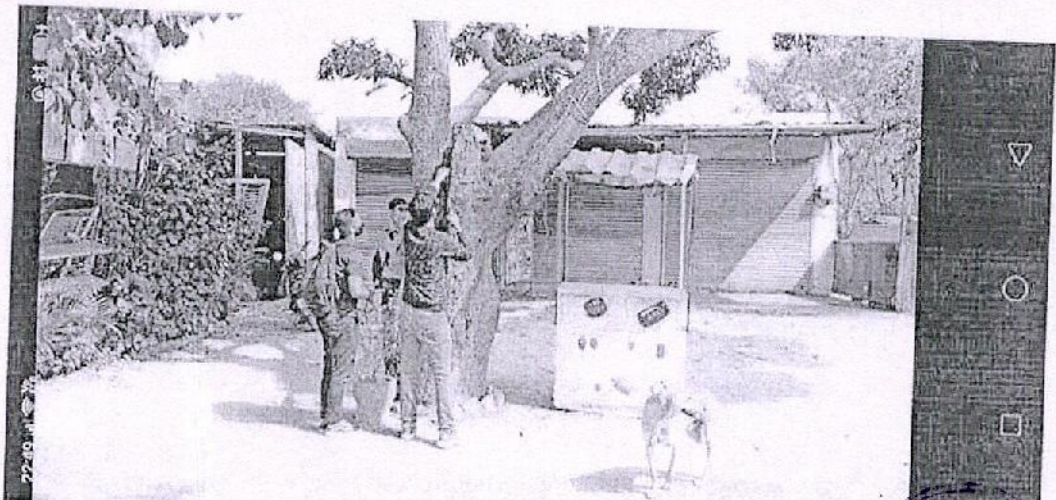

We started our mission from removing clipping Nails, Pins and other sharp objects stuck in precious trees. The event was carried from 10 am to 12 pm, and we successfully plucked out huge number of sharp objects stuck in tree which were hurting them. This event not only make free the precious tree from harmful object but also increase their lifecycle which is our main mission. The deep embedded nail, rod or metal wire, which eventually disappears into tree trunk and no more visible to human eye, could result in mishaps as well. If you search the web, you'll come across incidents where people lost their limbs or reported serious injuries after the chainsaw bounced back on the victims after striking against the metal nails, rods and metal wires inside the tree-trunk. It also causes damage to the equipments. So, it's better to check such practices when we know that sooner or later every tree is going to be axed, especially if the government and the public continued to maintain their passiveness towards this highly sensitive issue of tree abuse and intentional deforestation.

What we did today, didn't free all the trees from pain however this is just a mere beginning our NSS team will keep doing such tasks in future. The deep embedded nail, rod or metal wire, which eventually disappears into tree trunk and no more visible to human eye, could result in mishaps as well. If you search the web, you'll come across incidents where people lost their limbs or reported serious injuries after the chainsaw bounced back on the victims after striking against the metal nails, rods and metal wires inside the tree-trunk. It also causes damage to the equipments. So, it's better to check such practices when we know that sooner or later every tree is going to be axed, especially if the government and the public continued

EVENT REPORT ON NATIONAL VOTERS DAY

Tuesday, 25 January

National Voters' Day 2022 in India,

The National Voters' Day has been celebrated in India on 25 January every year since 2011 to mark the foundation day of Election Commission of India. The main purpose of the National Voters' Day celebration is to encourage, facilitate and maximize enrolment, especially for the new voters. Dedicated to the voters of the country, the day is utilized to spread awareness among voters and for promoting informed participation in the electoral process.

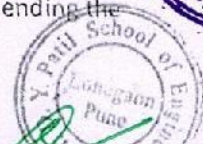

The NATIONAL Voters' Day was celebrated on 25th January, 2022, Tuesday by Dr. D Y Patil School of Engineering, Pune in association with NSS Unit of DYP SOE. It was great event and a step further towards spreading awareness about importance of voting and how every vote counts and how big of responsibility it is to vote.

The event was anchored by Ms. Sejal Lawande who welcomed all the Guests and principal sir as well. Our principal Sir, Prof. F.B. Sayyed then addressed all of us sharing their knowledge with us and taking out their precious time. As we proceed Ms. Rutuja Pandit gave us an informative speech on voting and importance of voters day and then Ms. Pratiksha Kanade gave all the guests brief information about NSS and What is NSS. We all then took voters day pledge which was recited by Ms. Pranali Mamadapure followed by a wonderful poem on voters day by Ms. Nita Koli. After,

On the occasion of Voters day our NSS team has arranged a Group discussion round for student various topic. We had a three round having three topic, with that we had three judges Chaitanya Bhosale Sir, Yogesh Mali sir, Nilesh Pinjarakar sir who judged the three winner of our group discussion 1st Winner is Mansi Ingle FE AIDS, 2nd winner Astha Raghuwanshi FE COMPUTER, 3rd place was occupied by Harshal Ghugal FE AIDS and Rakeshkumar Singh FE ENTIC. It was really fulfilling achievement as with student teachers are also enjoying this group discussion.

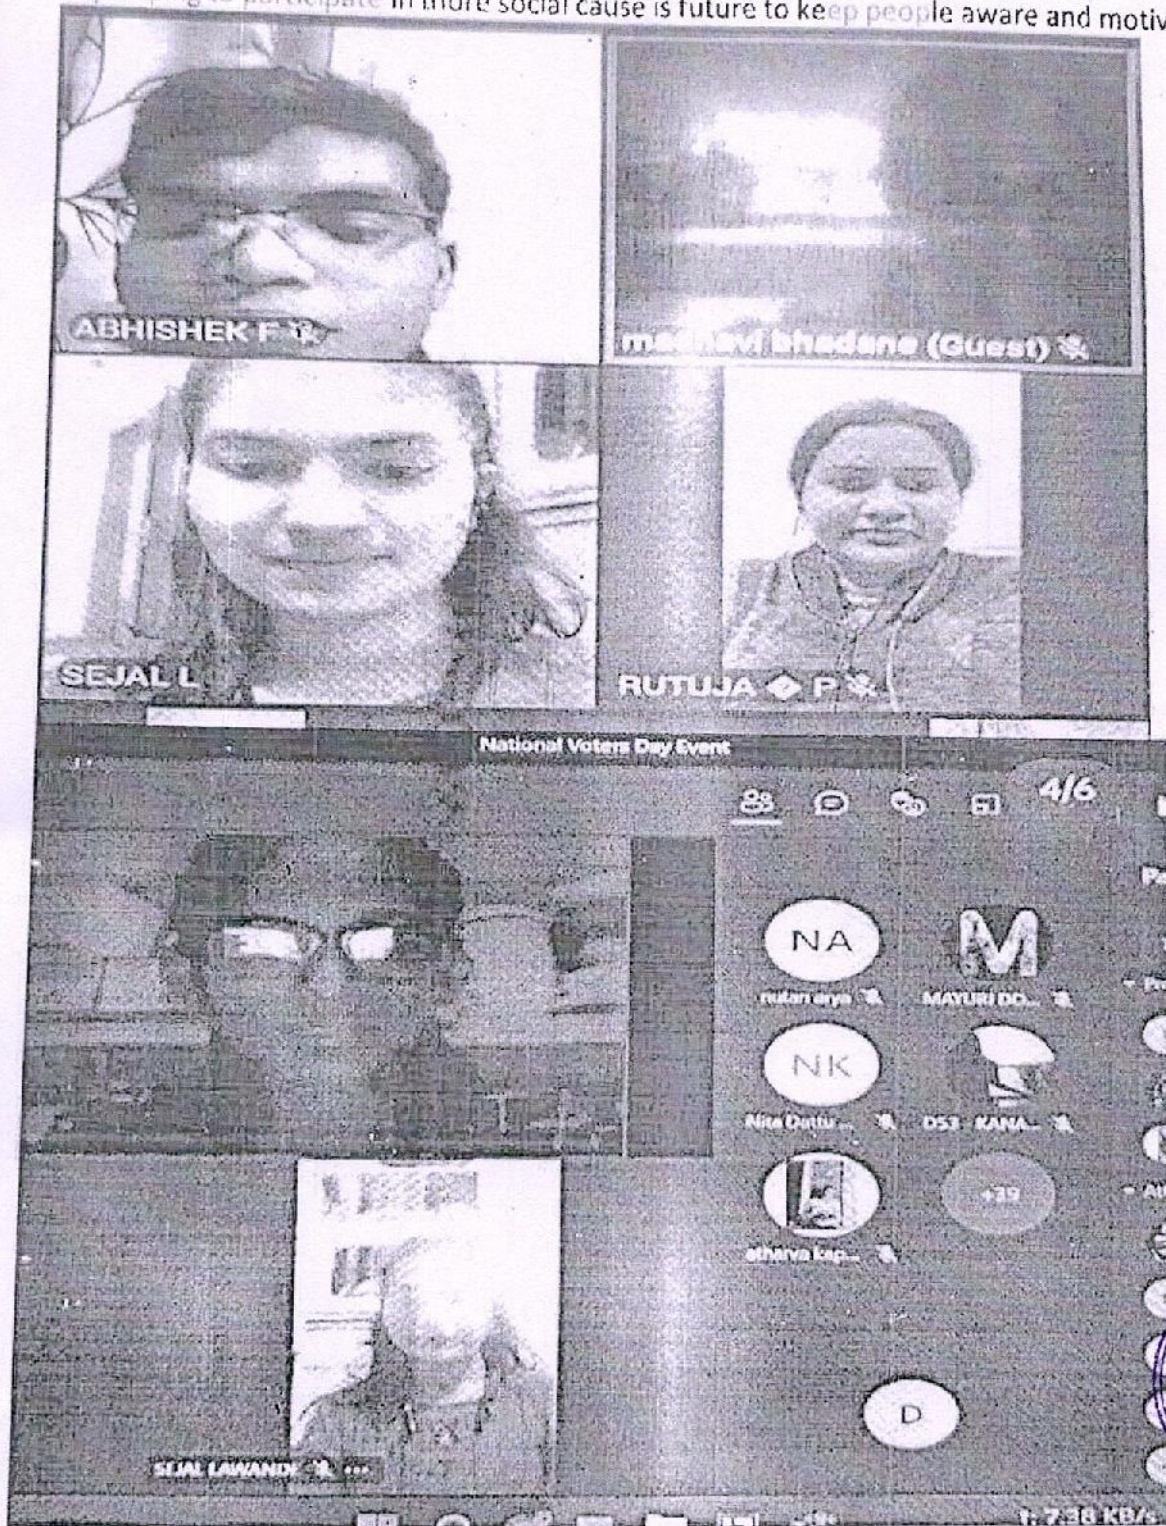

Then anchors the announced the winners of poster making and slogan making competition. The winners created mesmerizing posters and slogans and were applauded by all the guests.

In the end Ms. Mayuri Dongare gave a wonderful yet educational speech on how every vote counts followed by Ms. Pratiksha Kanade who gave the vote of thanks hence ending the event on a positive note. There was 30+ students where present in this events

Principal
Ajeenkya D Y Patil School of Engineering, Lohagaon, Pune

We were glad that we could spread awareness about importance of such great day. Hoping to participate in more social cause is future to keep people aware and motivated.

BLOOD DONATION CAMP REPORT

A Blood Donation Camp was organized by NSS Unit, D Y Patil School of Engineering, Lohagaon in association with Puna Serological Institute Blood Bank, Pune on the occasion of the 50th birthday of our beloved Honorable Chairman **Dr. Ajeenkya D Y Patil** and founders day on December 22, 2021, at D Y Patil School of Dental Lohagaon. The camp began at 10:00 A.M with a short inaugural function by Chief Guest of the Blood Donation Camp, **Mr. Prabhakar Bhagwat** and **Mr. Prabhakar Jadhav**, Trustee of D Y Patil Group in presence of **Dr. B Khedkar** Vice President of ADYPTC, **Dr. Ajay Patil** Principal Law College Nerul, **Dr. F B Sayyad** Principal DYPSOE, All HOD's and Faculties of DYPSOE.

Chief Guest **Mr. Prabhakar Bhagwat** encouraged all the donors by saying "Gift of Blood is Gift of Life". He thanked all the donors for the Noble steps they have taken and to help the fellow brethren. **Dr. B Khedkar** stressed on the growing need of blood in the state and commended the young volunteers for their noble act. **Dr. F B Sayyad** addressed the gathering, Blood cannot be manufactured - it only comes from generous donors to save the society and mankind, we should come forward for these Noble cause. 200 units of blood were donated by both students and the staff members of our ADYPTC. It is a way of D Y Patil School of Engineering's gesture in bringing a ray of hope to alleviate the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units.

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first-time donors at the camp our NSS volunteers brought awareness in them about the shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save the lives of innumerable persons. The donation of blood is very

Principal
Ajeenkya DY Patil School of Engineering, Lohagaon, Pune

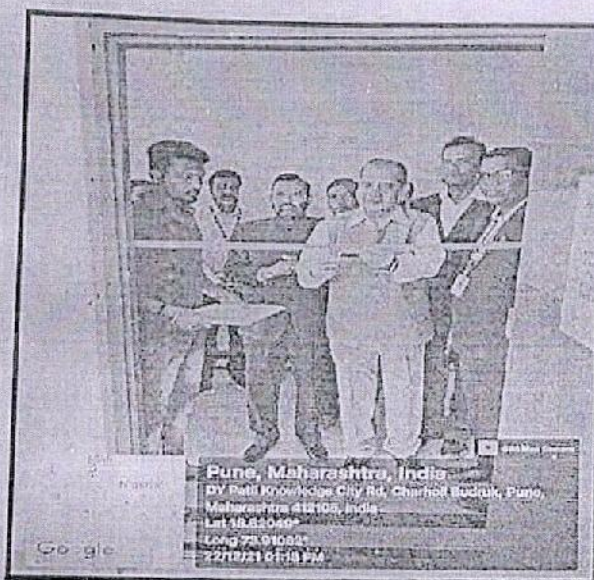

critical and crucial for saving the lives of many patients and those who have met with accidents.
It is such a great service or contribution to the society and people living in it.

NSS Visit to Worker Colony

On 19th February 2022, the National Service Scheme (NSS) unit of Dr. D Y Patil School of Engineering organized a visit to Worker Colony, located near our college campus. The purpose of this visit was to extend our support and raise awareness among the residents of the colony on the occasion of Chatrapati Shivaji Maharaj Jayanti. The event aimed to pay homage to the legendary Maratha warrior king and promote his ideals of courage, leadership, and social justice.

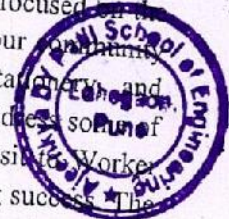

Objective:

To commemorate Chatrapati Shivaji Maharaj Jayanti and honor his legacy.

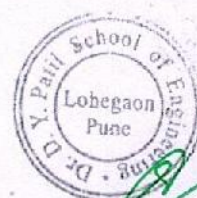

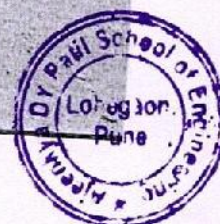

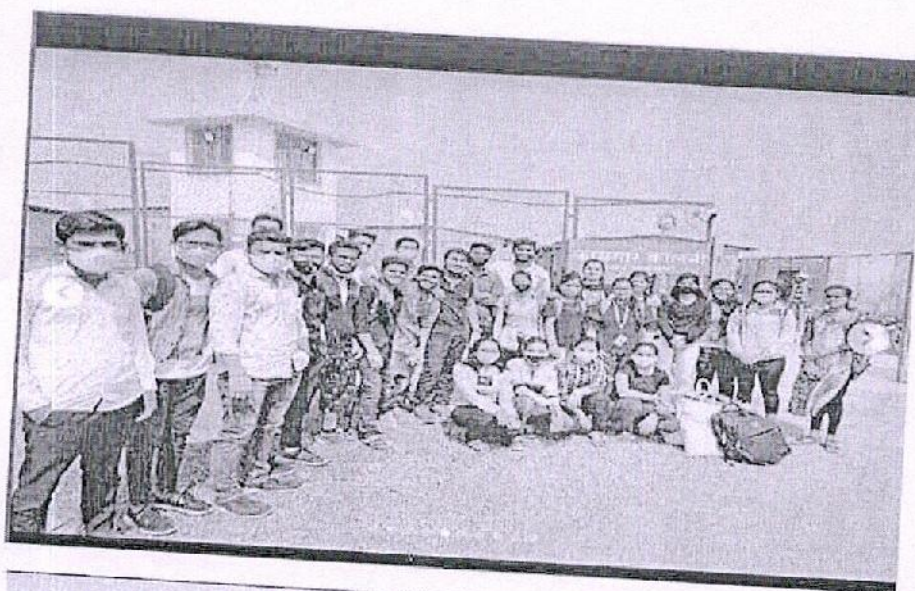

To provide support and engage with the residents of Worker Colony.

To raise awareness about Chatrapati Shivaji Maharaj's contributions to society and inspire the youth.

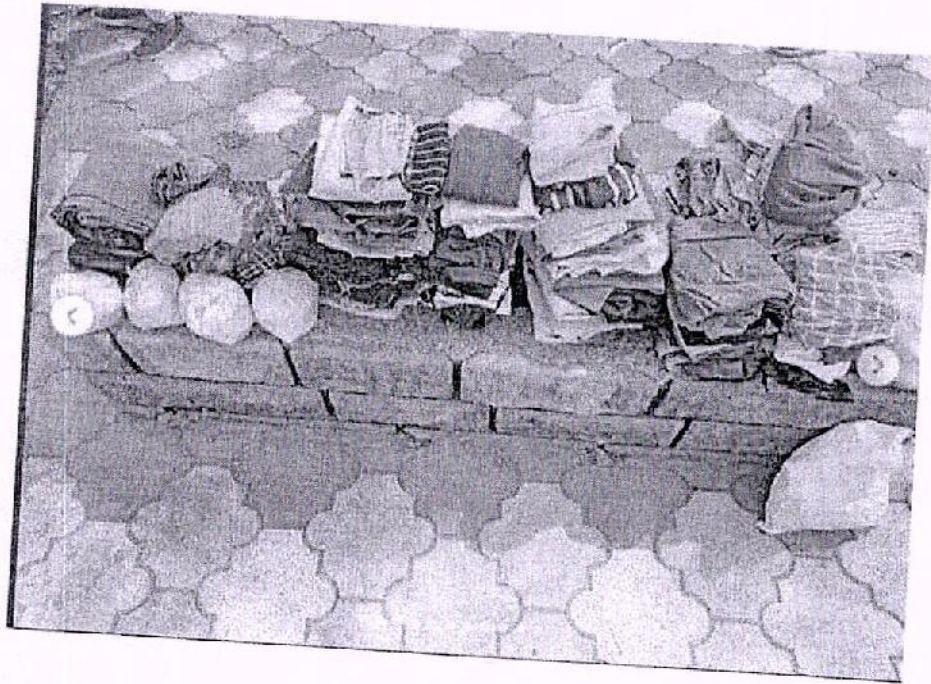

An interactive session was conducted to encourage dialogue and engagement with the residents of Worker Colony. Volunteers and residents shared their thoughts, experiences, and perspectives on the significance of Chatrapati Shivaji Maharaj in today's society. Discussions focused on the relevance of his principles in promoting social harmony and justice. As part of our outreach, the NSS unit distributed essential items such as hygiene kits, stationery, and educational materials to the residents of Worker Colony. This gesture aimed to address some of their immediate needs and demonstrate our commitment to their welfare. The visit to Worker Colony in commemoration of Chatrapati Shivaji Maharaj Jayanti was a resounding success. The event not only honored the memory of the great Maratha warrior king but also fostered a sense of unity, social consciousness, and community engagement among the residents. The NSS unit of Dr. D Y Patil School of Engineering remains committed to organizing such meaningful initiatives that contribute to the holistic development of society.

Event Report on Youth Day

The youth is important because they will be our future. Today they might be our partners, tomorrow they will go on to become leaders. The youths are very energetic and enthusiastic. They have the ability to learn and adapt to the environment. Similarly, they are willing to learn and act on it as well to achieve their goals. Our youth can bring social reform and improvement in society. We cannot make do without the youth of a country. Furthermore, the nation requires their participation to achieve the goals and help in taking the country towards progress.

The birthday of swami Vivekananda or Vivekananda Jayanthi is on 12 January the government of India in 1984 declared this day as a national youth day. From then in India national youth day is celebrated every year on 12 January. It is a very important day for every Indian especially for the youth and children of India.

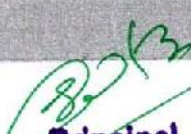

On behalf of 25TH National youth day our NSS of DYP SOE has attend the national youth day inauguration by our Honourable Prime minister Shri Narendra Modiji hosted by Pondicherry. It was 2 day event the festival began on the occasion of National Youth Day on January 12 to celebrate the birth anniversary of Swami Vivekanand. Youth Affairs secretary Usha Sharma said that the festival aims to shape the minds of India's youth and transform them into a united force for nation-building. She said that this year, in view of the emerging COVID-19 situation, the festival has been scheduled to be held virtually.

The inauguration was followed by the National Youth Summit which aims to galvanize, ignite, unite and activate the youth towards nation-building, to unleash the true potential of our demographic dividend. During the summit, the youth will get an opportunity to express their views on current issues like the environment, climate change, SDG Led Growth, technology, entrepreneurship and innovation, indigenous and ancient Wisdom, national character, nation-building among others.

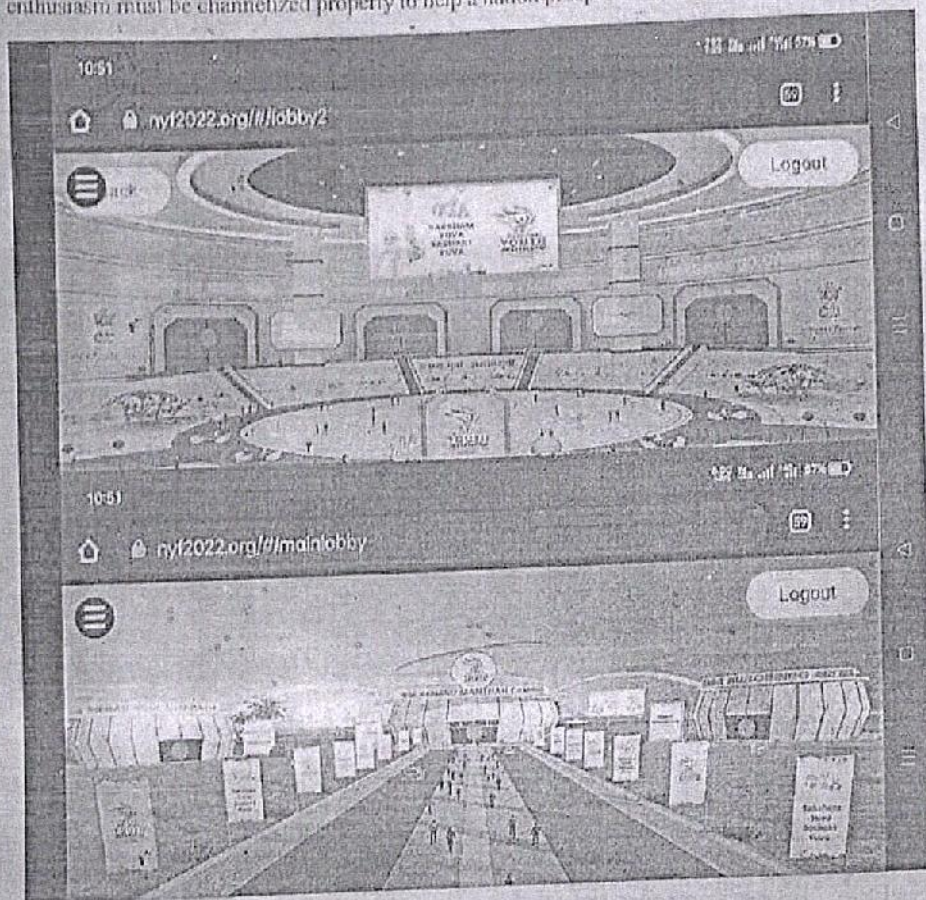

"The Festival also provides an arena, by creating a mini-India, where youth interact in formal and informal settings and exchange their social and cultural uniqueness. This blend of diverse socio-cultural milieu creates Ek Bharat Shrestha Bharat," the secretary said.

Our NSS team also conducted small online event meeting regarding National youth day. 25+ student were present at online event which was started at 6 pm on 12th January 2022. It was Started by a motivational Speech by our One of NSS team member. It was really wonderful event.

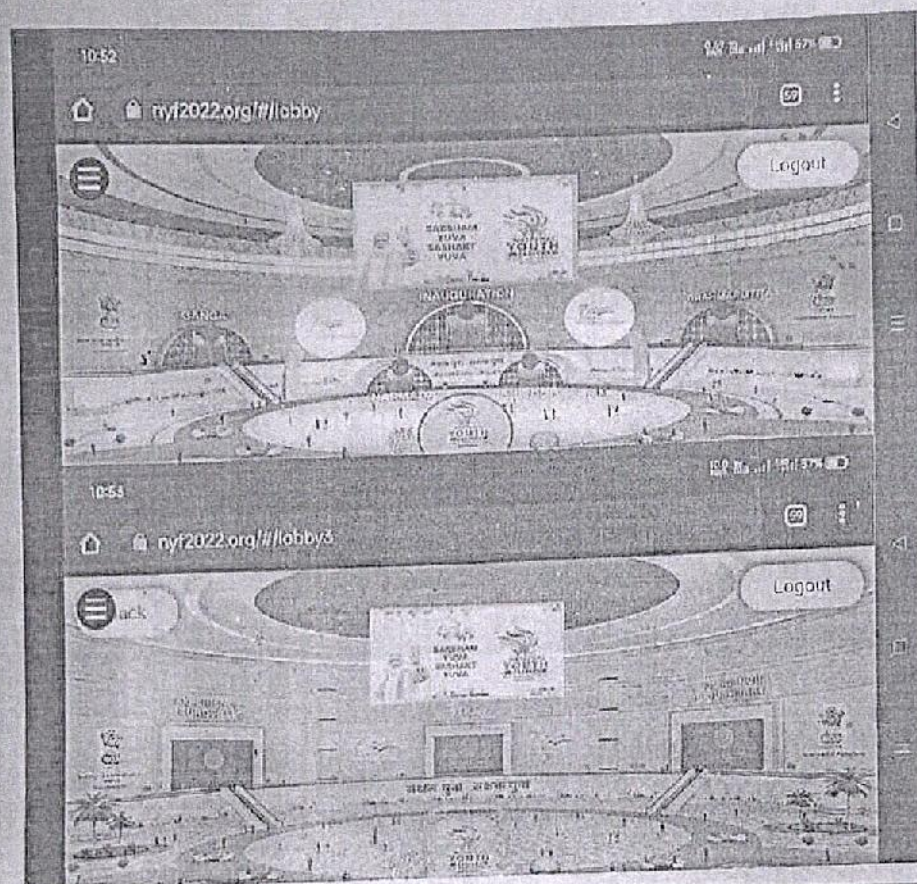

Principal
Ajeenkya DY Patil School of Engineering, Lohagaon, Pune

In short, our youth has the power to build a nation so we must give them the opportunity. They are the future and they have the perspective which the older generations lack. Their zeal and enthusiasm must be channelized properly to help a nation prosper and flourish.

Semester-I

Name of the event: Seminar on AI/ML

Date and Time	29/08/2020
Event Venue	Computer Department
Organized by	DYPSOE
Targeted Audience	Students and Staff
Resource Person	Mr. Ruchin Dhama(Alumni), Research Engineer in Samsung, Bangalore

Introduction:

The AI/Machine Learning lecture, presented by Ruchin Dhama alumnus, aimed to provide attendees with insights into the latest advancements and applications in the field of artificial intelligence and machine learning. The lecture took place on 29/8/2020 at DYPSOE and was attended by a diverse group of 120 individuals interested in exploring this rapidly evolving domain.

Key Points Discussed:

Introduction to AI and Machine Learning:

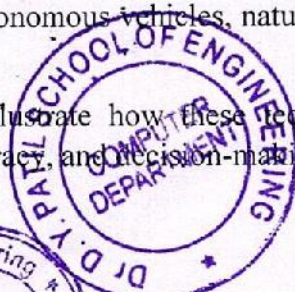

The presenter began the lecture by introducing the basic concepts of artificial intelligence and machine learning, highlighting their significance in various industries.

Key terminologies such as supervised learning, unsupervised learning, and reinforcement learning were explained to provide a foundation for the subsequent topics.

Applications of AI and Machine Learning:

The lecture delved into the diverse applications of AI and machine learning across multiple sectors, including healthcare, finance, autonomous vehicles, natural language processing, and robotics.

Real-world examples were shared to illustrate how these technologies are transforming industries and improving efficiency, accuracy, and decision-making processes.

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

Deep Learning and Neural Networks:

The presenter discussed deep learning techniques and the role of neural networks in enabling advanced AI applications.

Different types of neural networks, such as convolutional neural networks (CNNs) and recurrent neural networks (RNNs), were explained, along with their specific use cases.

Challenges and Ethical Considerations:

The lecture emphasized the challenges associated with AI and machine learning, including data privacy, bias, and accountability.

Ethical considerations in AI, such as fairness, transparency, and responsible AI development, were addressed to create awareness among the attendees.

Future Trends and Opportunities:

The presenter shared insights into the emerging trends in AI and machine learning, including areas such as explainable AI, federated learning, and edge computing.

Attendees were informed about potential career opportunities in this field and the importance of continuous learning to stay up-to-date with the evolving technology landscape.

Q&A Session:

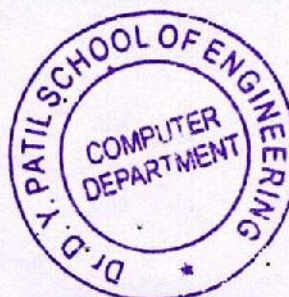

Following the lecture, a question-and-answer session allowed attendees to engage with the presenter and seek clarifications on specific topics. Some of the key questions raised during the session included:

1. How can AI be effectively applied in the healthcare sector while ensuring patient privacy?
2. What are the potential risks associated with deploying AI algorithms without proper validation?
3. How can bias in AI algorithms be mitigated to ensure fair and unbiased decision-making?
4. What skills and knowledge are required to pursue a career in AI and machine learning?

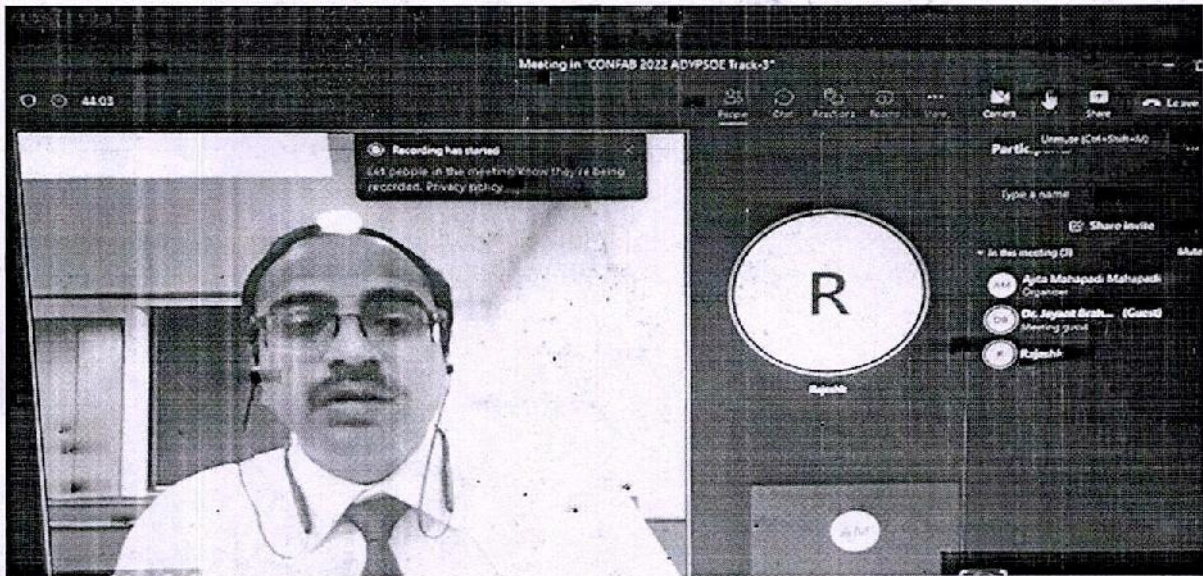

Conclusion:

The AI/Machine Learning lecture delivered by the alumnus provided attendees with a comprehensive overview of the field and its applications. The presentation covered essential topics such as AI fundamentals, applications, deep learning, ethical considerations, and future trends. The event fostered an environment for knowledge sharing and encouraged participants to explore the potential of AI and machine learning in their respective domains. The Q&A session allowed for valuable interactions between the presenter and the attendees, addressing their queries and concerns. Overall, the lecture successfully fulfilled its objectives of educating and inspiring individuals in the field of AI and machine learning.

Introduction:

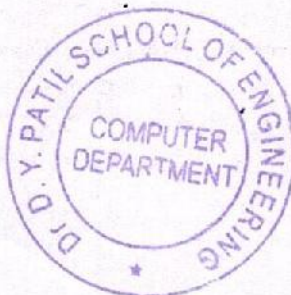

The alumni lecture on "How to Become a Dynamic Consultant" aimed to provide attendees with valuable insights and practical advice on developing the skills and qualities necessary to excel in the field of consulting. The lecture took place on 09/03/2021 and was attended by more than 80 individuals aspiring to pursue a career in consulting.

Key Points Discussed:

Introduction to Consulting:

The presenter began by introducing the concept of consulting, emphasizing its role in providing specialized expertise and problem-solving for clients across various industries.

The different types of consulting, including management consulting, strategy consulting, and technology consulting, were explained to give attendees a broad understanding of the field.

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

Essential Skills for a Consultant:

The lecture focused on the essential skills required to become a dynamic consultant, including strong analytical abilities, effective communication and presentation skills, critical thinking, and problem-solving capabilities.

The presenter emphasized the importance of adaptability, creativity, and the ability to work well under pressure in the dynamic consulting environment.

Building a Strong Foundation:

Attendees were provided with guidance on how to build a strong foundation for a consulting career.

The presenter recommended pursuing relevant educational qualifications, such as a degree in business, economics, or a related field, to gain a solid understanding of fundamental business concepts.

Gaining Practical Experience:

The lecture highlighted the significance of gaining practical experience to enhance consulting skills.

Attendees were encouraged to seek internships, co-op opportunities, or entry-level positions in consulting firms to gain exposure to real-world projects and client interactions.

Developing Consulting Competencies:

The presenter discussed various competencies and techniques that consultants should develop, such as data analysis, research skills, problem structuring, and client relationship management.

Attendees were advised to engage in case studies, participate in consulting competitions, and take advantage of networking opportunities to sharpen their consulting skills.

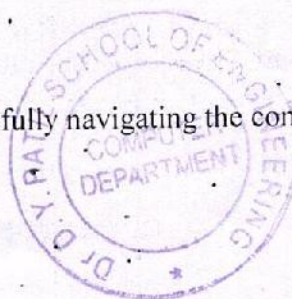

Continuous Learning and Professional Development:

The importance of continuous learning and professional development in the consulting field was emphasized.

The presenter encouraged attendees to stay updated with industry trends, attend workshops and conferences, pursue advanced certifications, and seek mentorship from experienced consultants.

Navigating the Consulting Job Market:

The lecture addressed strategies for successfully navigating the consulting job market.

Principal
Ajeenkya DY Patil School of Engineering, Lohegaon, Pune

Attendees were provided with tips on crafting a compelling resume, preparing for case interviews, and showcasing their skills and experiences effectively during the recruitment process.

Q&A Session:

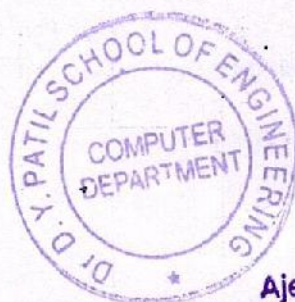

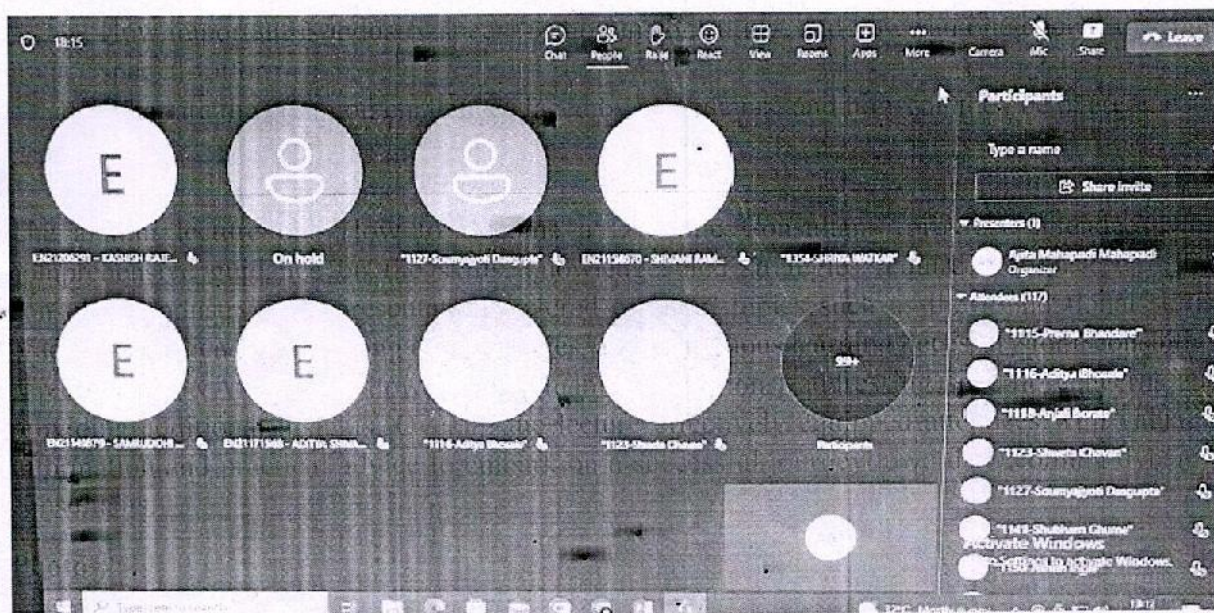

Following the lecture, a question-and-answer session allowed attendees to interact with the presenter and seek further insights. Some key questions raised during the session included:

1. How can one effectively manage the work-life balance in a demanding consulting career?
2. What are some recommended resources for self-study and skill development in consulting?
3. How important is industry specialization in consulting, and how can one choose the right specialization?
4. What are the common challenges faced by consultants, and how can they be overcome?

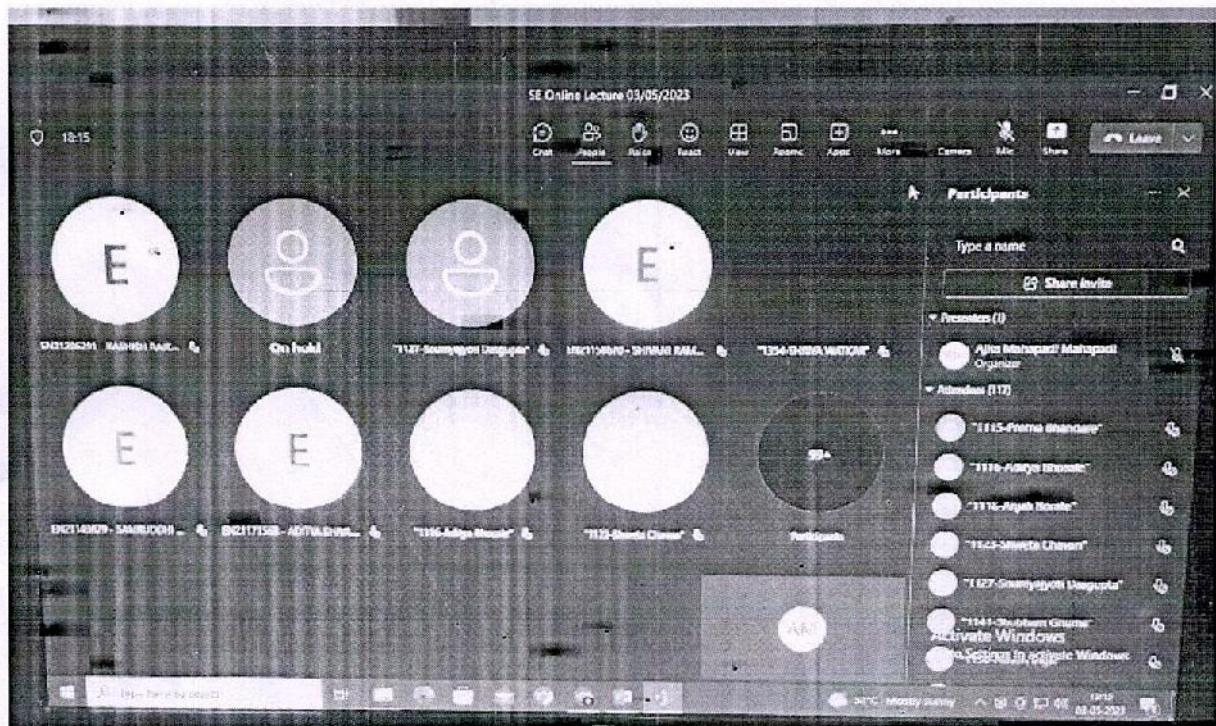

Conclusion:

The alumni lecture on "How to Become a Dynamic Consultant" provided attendees with comprehensive guidance on the skills, knowledge, and strategies required to succeed in the consulting industry. The presentation covered essential topics such as the foundational skills, practical experience, consulting competencies, and continuous learning necessary for a consulting career. The Q&A session allowed for valuable interactions, addressing specific concerns and providing additional insights. Overall, the lecture effectively equipped attendees with valuable information and practical advice to embark on a successful journey towards becoming dynamic consultants.

Name of the event: Alumni Guest Lecture on "Motivational speech on how do I prepare for Industry".

Date and Time	01/05/2021	12:00 pm to 1.00pm
Event Venue	MS Teams online meeting	
Organized by	Department of E&TC, DYPSOE	
Targeted Audience	E&TC Students (SE, TE, & BE)	
Resource Person	Mr. Sourav Mishra, Pune	

Details of the event:

1. Importance of positive thinking and attitude
2. Skills for development

Event Report:

The Department of E&TC organized an alumni guest lecture on title, "Motivational speech on how do I prepare for Industry" on 01/05/2021. The speaker of this program was Mr. Sourav Mishra an alumnus of batch 2019-20 who is presently working in software company in Pune. The guest lecture was arranged for E&TC students.

The presenter who himself is a source of motivation to students gave encouraging examples from his own life and inspired students to be a self-motivator. He discussed the importance of positive thinking and attitude which brings optimism into life and such constructive changes can make one brighter and more successful. This program helped students to be guided by a positive mind and driven by self-motivation. He also shared, how he faced the interview and what kind of skills are required for the students to develop, so that, they would be recruited. He imparted the

Guest Lecture Report

Name of the Event: Guest Lecture on Data Science by Mr Ashwath Kumar(Alumni)

Date: 1st April 2021 Thursday

Time: 11.30 AM – 1.00 PM

Venue: Microsoft Teams Online Platform

No. of Students: 160 from SE, TE, BE

Report:

Computer Engineering Department had organized a Guest Lecture by one of its most prominent Alumni- Mr Ashwath Kumar. The lecture was organized on Microsoft Teams Online Platform on 1st April 2021 from 11.30 AM to 1.00 PM where Mr Ashwath was addressing from Dublin, Ireland.

He is presently working as a Data Scientist at SSE Airtricity in Dublin, Ireland.

The topic of discussion was "Anomaly Detection in IOT Acquired Environmental Sensor Data", which was his Research Project for his Start up. In the beginning, he explained the background for the project and then he explained the project in its complete practical and business perspectives. The knowledge he shared was extremely vital as the students got to know the real world implementation of a Data Science Project.

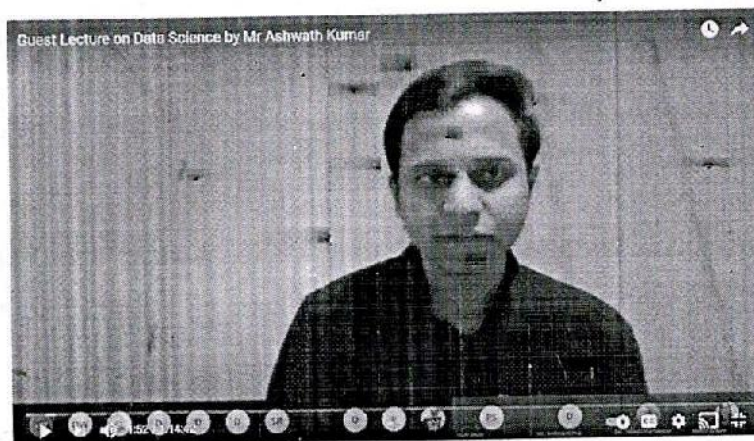

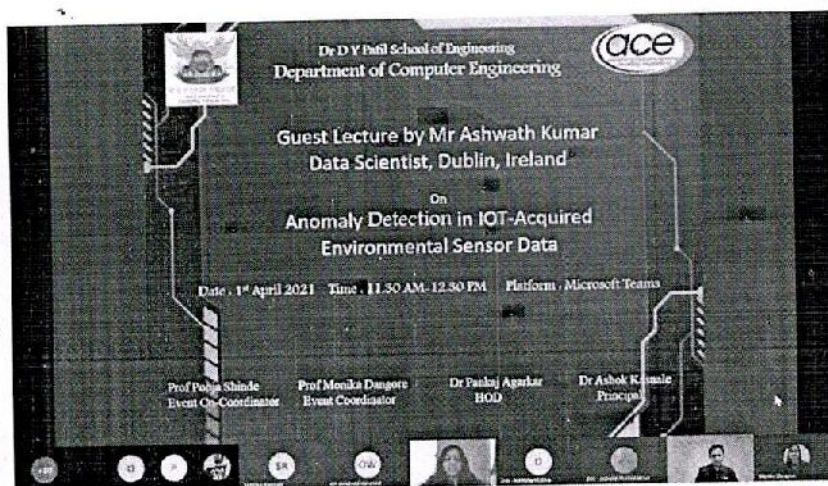

Mr Ashwath is MS in Data Science from Dublin. He was one of the brightest students of the College from 2016 Batch. Students asked him number of technical queries, queries related to higher education, importance of BE Project, his college experiences etc. Mr Ashwath gave complete guidance on various queries. The audience expressed that the lecture was very informative. The lecture was appreciated by Dr Pankaj Agarkar-HOD and all the staff members of the department. The anchoring was done by Prof Pooja Shinde and the event was coordinated by Prof Monika Dangore.

EVENT REPORT

Name of the Event	Conduction of Covid awareness programme and distribution of safety kit (Mask , Sanitizer etc)
Date	30/07/2020
Time	11.am
Venue	Harantale Vasti Harantale Road, and Lohegaon village Pune, Maharashtra, 411047
Organized By	Mr. Shubham Bhutkar is , student of final year civil at dypsoe and In association with Civil Engineering department

Event Details:

Mr. Shubham Bhutkar and civil Engineering Department organized a social activity to Conduction of Covid awareness programme and distribution of safety kit at Harantale Vasti Harantale Road, and Lohegaon village Pune, Maharashtra, 411047

The activity was organized under guidance of Dr.Ashok Kasanale (Principal DYP SOE) and Lt. Col. Sanjay Karodpati (HOD Civil Engineering Department). Rajesh Katdare as Faculty representative.

Following are the key points are discussed and made them aware:

- Importance of using Personal Protective Equipment to ensure safety of peoples from COVID
- Etiquettes to be followed by general public once, they step out of their house
- Awareness around discarding the waste (like used masks, etc) and waste from hotspot areas
- Precautions to be taken by the vulnerable group (like small children, elderly, people staying in highly dense areas)
- Etiquettes to be followed in possible crowded areas like sabzi mandi, community toilet, public stand post.
- Get vaccinated as soon as it's your turn and follow local guidance on vaccination.
- Keep physical distance of at least 1 metre from others, even if they don't appear to be sick. Avoid crowds and close contact.

Academic Year: 2019-20

Semester-II

Name of the event: **Seminar on Placement preparation**

Date and Time	20/02/2020
Event Venue	Computer Department
Organized by	DYPSOE
Targeted Audience	Students and Staff
Resource Person	Mr Prem Kakadê (Alumni), Associate Consultant in Atos Syntel, Pune

Introduction:

This report provides an overview of the placement preparation sessions conducted by alumni of DYPSOE. These sessions aim to equip students with the necessary skills and knowledge to succeed in their job placements. The report highlights the key topics covered, the alumni speakers, and the impact of these sessions on the students.

Sessions Overview:

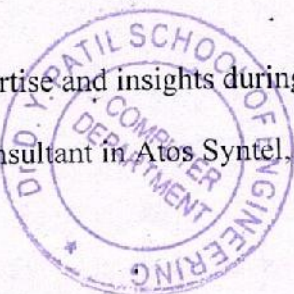

The placement preparation sessions organized by alumni were designed to cover various aspects of the job search process, interview skills, resume building, and professional development. The sessions were typically conducted in the form of interactive workshops or guest lectures.

Alumni Speakers:

The alumni contributed his expertise and insights during the placement preparation sessions:

Mr Prem Kakade, Associate Consultant in Atos Syntel, Pune

Key Topics Covered:

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

The sessions covered a wide range of topics relevant to placement preparation, including:

Resume/CV writing and optimization

Interview techniques and practice sessions

Effective communication and interpersonal skills

Industry-specific insights and trends

Negotiation skills and salary discussions

Session Format and Duration:

The sessions were organized in various formats, including:

Interactive workshops: These sessions involved hands-on activities, group discussions, and case studies to enhance the practical understanding of placement preparation.

Guest lectures: Alumni shared their experiences and expertise through presentations and interactive Q&A sessions.

Mock interviews: Some sessions included mock interview simulations to provide students with real-life practice and feedback.

The duration of each session typically ranged from one to three hours, depending on the topic and the depth of coverage.

Student Feedback and Impact:

Feedback from students who attended these sessions has been overwhelmingly positive. The sessions provided valuable insights, practical tips, and motivation to excel in their job search and placement process. Students expressed appreciation for the alumni's willingness to share their experiences and the relevance of the topics covered.

Some specific impacts reported by students include:

Enhanced understanding of industry expectations and job market trends

Improved resume/CV writing skills and optimization

Increased confidence in interview scenarios

Networking opportunities with alumni and industry professionals

Improved communication and interpersonal skills

Conclusion:

Principal
Ajéenkya DY Patil School of
Engineering, Lohegaon, Pune

The placement preparation sessions conducted by alumni have proven to be instrumental in equipping students with the necessary skills and knowledge for successful job placements. The expertise and insights shared by the alumni speakers have made a significant impact on the students' confidence and preparedness for the professional world.

These sessions have been a testament to the strong alumni network and the commitment of the alumni community to contribute to the development of future graduates of DYPSOE.

Event Report

Academic Year: 2019-20

Semester-I

Name of the event: Alumni Guest Lecture on employability skills

Date and Time	30/08/2019 3:00 pm to 4:00 pm
Event Venue	232, E&TC Dept.
Organized by	E&TC Dept.
Targeted Audience	BE (E&TC) students
Resource Person	Mr. Kaustubh Sakhare

Event Contents:

1. Preparation for placement drives
2. Requires skills for placements and industry

Details of the event:

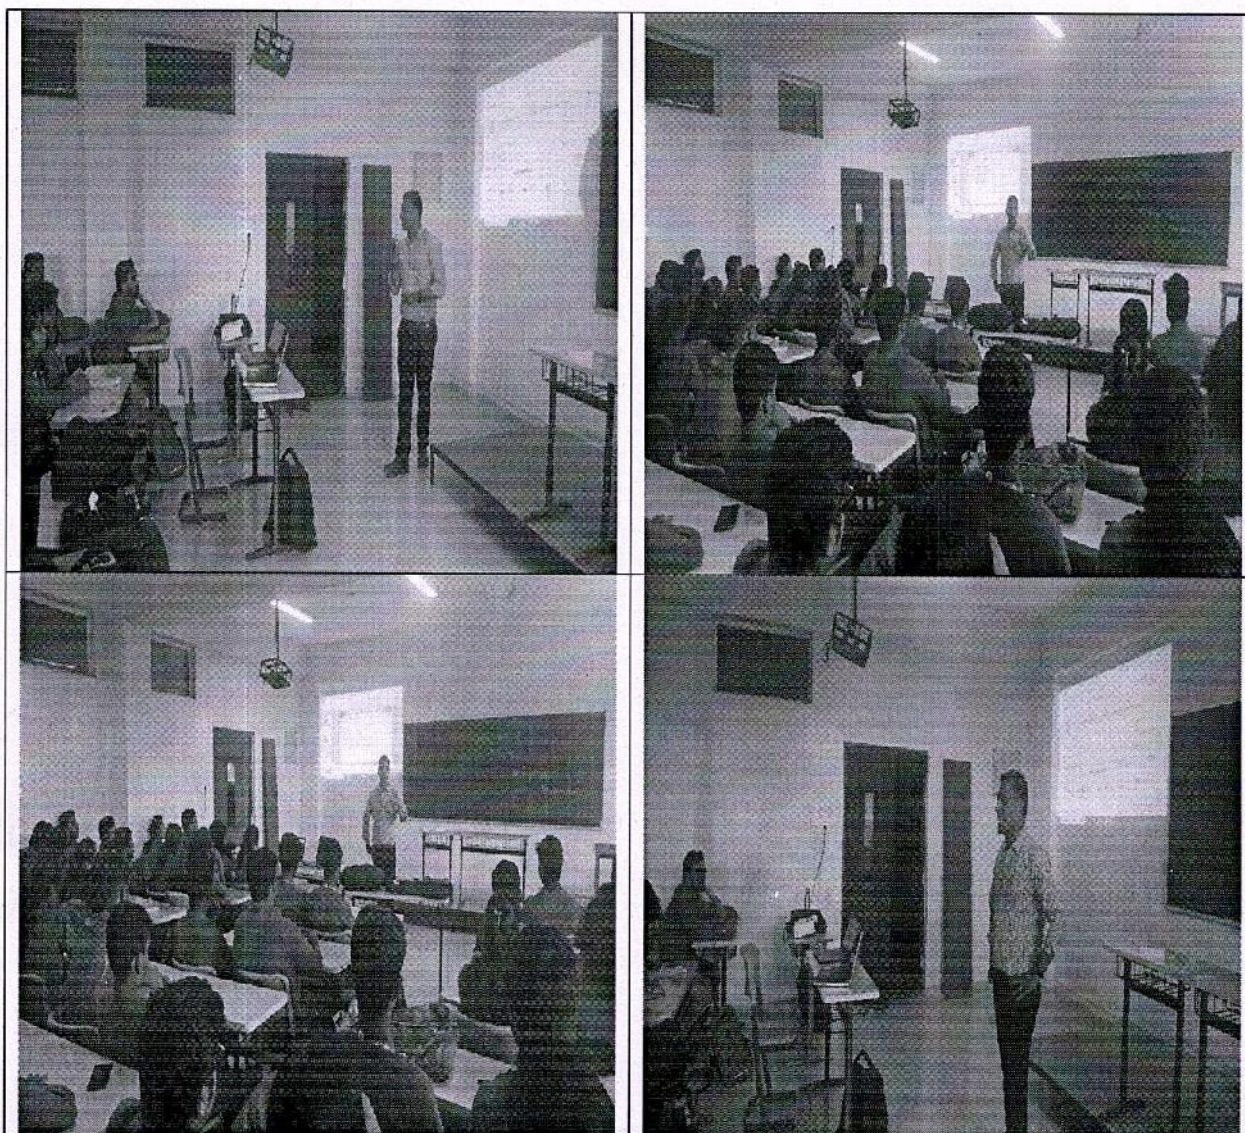

As students goes to the final year of engineering, placements activities begins at peak level. Well known MNC's approaches the campus for hiring the students and here begins the actual test for students. To make our student understand the requirement of industries, we invited our alumni for this purpose. In this session, various topics were discussed like how to prepare aptitude, how to develop the personality, how to have good communication skills, how to appear for interviews etc.

In this regards, our alumni plays very important role as they have gone through this phase and their guidance will play important role for our students. The session was concluded by Q&A session followed by vote of thank you by Mr. Pratik Shaha Sir.

Introduction:

This report provides a summary of a career counseling session conducted by an alumna/alumnus. The session aimed to provide guidance, insights, and advice to current students or professionals seeking career development support. The information shared in this report highlights the key topics discussed during the counseling session and the valuable insights provided by the alumni counselor.

Background:

The career counseling session was organized as part of an alumni engagement initiative at DYPSOE. The alumni counselor, Karunesh Singh is a successful professional with extensive experience in Sales Manager in Skill lync, viman nagar. They volunteered their time to share their expertise and help individuals navigate their career paths effectively.

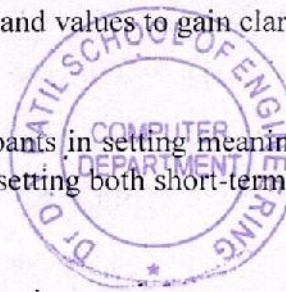

Key Topics Discussed:

Self-assessment:

Karunesh Singh emphasized the importance of self-assessment as the foundation for career planning. They discussed various self-assessment tools and techniques, such as personality assessments, skills inventories, and values clarification exercises. Participants were encouraged to reflect on their strengths, interests, and values to gain clarity about their career preferences.

Goal Setting:

The alumni counselor guided participants in setting meaningful and achievable career goals. They emphasized the significance of setting both short-term and long-term goals aligned with

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

individual aspirations. Participants were encouraged to define their goals in terms of specific objectives, timelines, and measurable outcomes.

Exploring Career Options:

Karunesh Singh provided insights on researching and exploring different career options. They discussed the significance of gathering information about potential careers, industry trends, and required qualifications. Practical tips were shared on utilizing online resources, networking, and informational interviews to gain deeper insights into various professions.

Resume and Cover Letter Writing:

The counselor addressed the essentials of creating an impactful resume and cover letter. They provided guidance on structuring resumes, highlighting relevant skills and experiences, and tailoring application materials for specific job opportunities. Participants received tips on showcasing their accomplishments effectively and capturing the attention of potential employers.

Interview Preparation:

The alumni counselor shared valuable insights on interview preparation techniques. They discussed common interview questions, strategies for effective communication, and the importance of conveying one's skills and experiences confidently. Practical advice was provided on conducting mock interviews, researching prospective employers, and preparing thoughtful questions to ask during interviews.

Conclusion:

The career counseling session conducted by Karunesh Singh proved to be an invaluable resource for participants seeking guidance in their career development journey. The session covered key topics such as self-assessment, goal setting, exploring career options, resume and cover letter writing, and interview preparation. The insights and advice shared by the alumni counselor equipped participants with practical tools and strategies to enhance their career prospects.

Semester-II

Name of the event: Medical Camp by NSS Unit

Date and Time	03/12/2019
Event Venue	Naigaon
Organized by	NSS Unit
Targeted Audience	Naigaon people from all walks of life
Resource Person	NSS Unit

Details of the event:

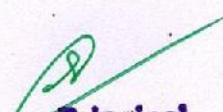

The NSS Unit of Dr. D Y Patil School of Engineering organized a medical camp on 03/12/2019 in Naigaon, with the aim of providing healthcare services to people from all walks of life. The event aimed to address the healthcare needs of the local community and promote awareness about various health-related issues.

The objective was:

1. To provide medical assistance and consultations to individuals from diverse backgrounds.
2. To raise awareness about common health concerns and promote preventive healthcare practices.
3. To facilitate access to medical resources and services for underprivileged sections of society.
4. To foster a spirit of social responsibility and community engagement among the NSS volunteers.

Health Check-ups: A team of healthcare professionals conducted comprehensive health check-ups for all participants. These check-ups included measuring vital signs, conducting physical

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

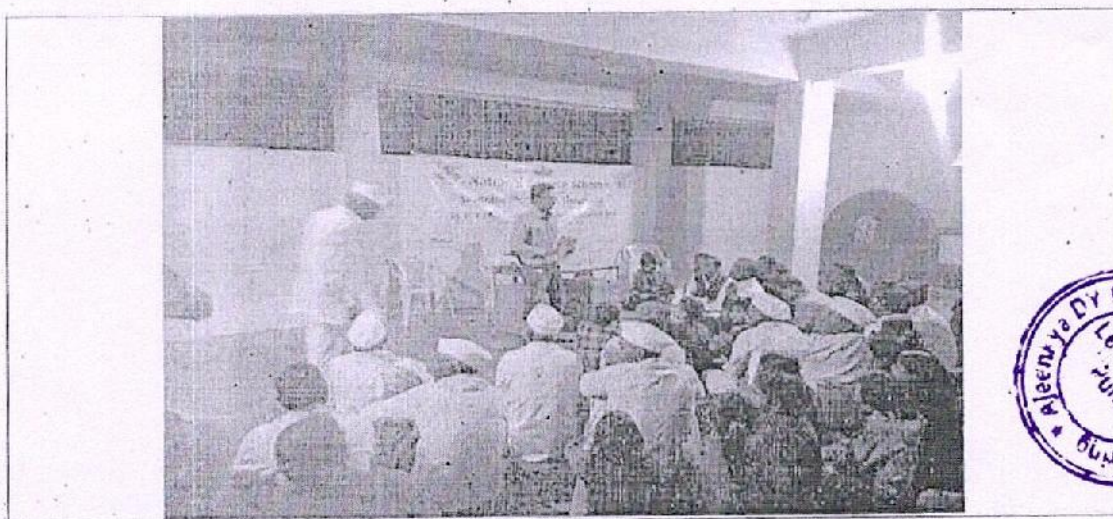

examinations, and recording medical histories. The attendees had the opportunity to consult with the medical professionals and discuss their health concerns in detail. The doctors provided advice, diagnosis, and prescriptions as necessary. They also emphasized the importance of follow-up visits and adherence to prescribed treatments. Alongside the medical consultations, informative sessions were conducted to educate participants about various health issues. Topics covered included hygiene practices, prevention of common diseases, and importance of vaccinations, nutrition, and mental health. The medical camp also provided specialized services such as eye examinations, and blood pressure screenings. Participants were referred to appropriate healthcare facilities for further treatment if required.

The medical camp organized by the NSS Unit of Dr. D Y Patil School of Engineering in Naigaon was a resounding success in achieving its objectives. It played a vital role in addressing the healthcare needs of the community, especially for those who lacked access to medical services. The event also helped raise awareness about important health-related issues and promote preventive healthcare practices among participants.

The dedication and efforts of the NSS volunteers, along with the support of medical professionals, contributed to the smooth execution of the camp. The event not only provided immediate medical assistance but also created a lasting impact on the overall well-being of the participants.

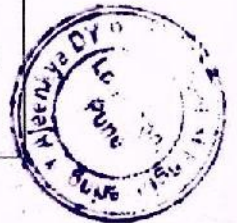

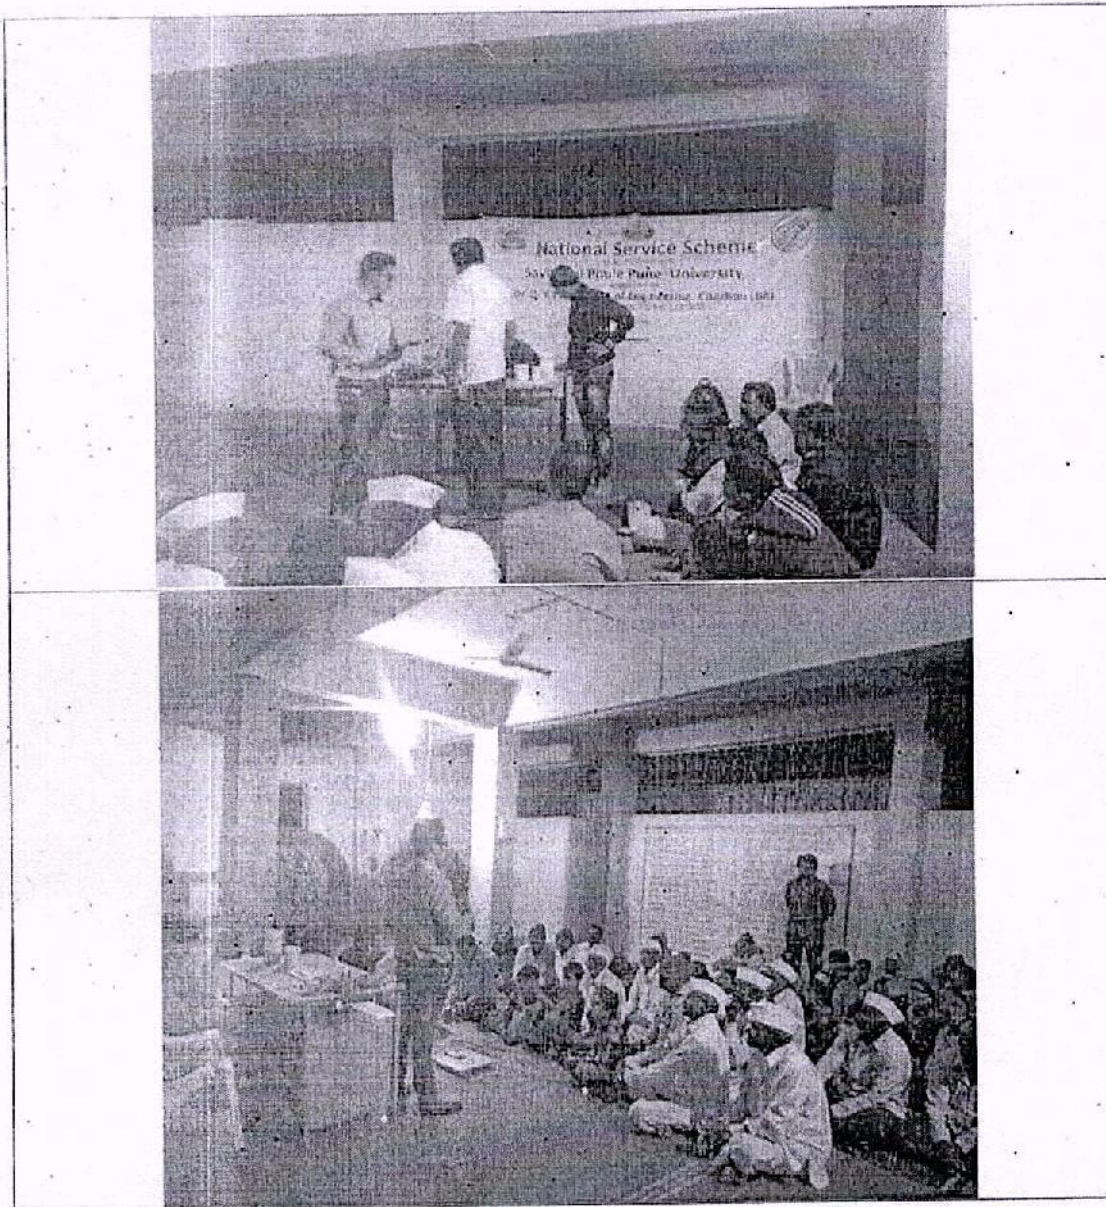

The NSS Unit of Dr. D Y Patil School of Engineering remains committed to organizing such initiatives in the future, with the goal of making a positive difference in the lives of people and fostering a healthier community.

VISIT REPORT

Location: ZILHA PARISHAD SCHOOL, HARANTALE

Date of Visit: 23RD DECEMBER 2019

Purpose of Visit: Distribution of stationary and shoes to school children on occasion of Honorable Chairman's birthday.

Principal
Ajeenkya DY Patil School of
Engineering, Lohagaon, Pune

510

The Department of Civil Engineering of Dr. D. Y. Patil School of Engineering organized visit to ZILHA PARISHAD SCHOOL, HARANTALE on occasion of Chairman Ajeenkya D Y Patil Birthday on 23RD DECEMBER 2019.

Visit was organized with the prior permission and guidance of honorable Director of DYPSOE, Lohegaon. Principal and initiative of our HOD Prof.S.Karodpati and other staff of our civil Dept.

On the 23rd December 2019 Staff and students from Dr. Dy. Patil College of Engg. Lohegaon had the pleasure of visiting this Harantale village school.

The Government funding for the school is not adequate and it is through the donations from charity that further progress is made. We had distributed 29 shoes and writing material (like 2 lines, 4 lines, block note book, Pencils, Eraser, Sharpener etc.) along with 20 slates for all Primary and Anganwadi Students.

Mrs. Trupti Todkar was our host and introduced us to her staff and to the enthusiastic children. As we arrived at lunch time we saw the children eating their lunch on the porch right in front of their classrooms.

When we reached students showed a wonderful presentation of life cycle called "PATH NATYA". The energy among them was the next level. Then they come up with some poems, stories and much more.

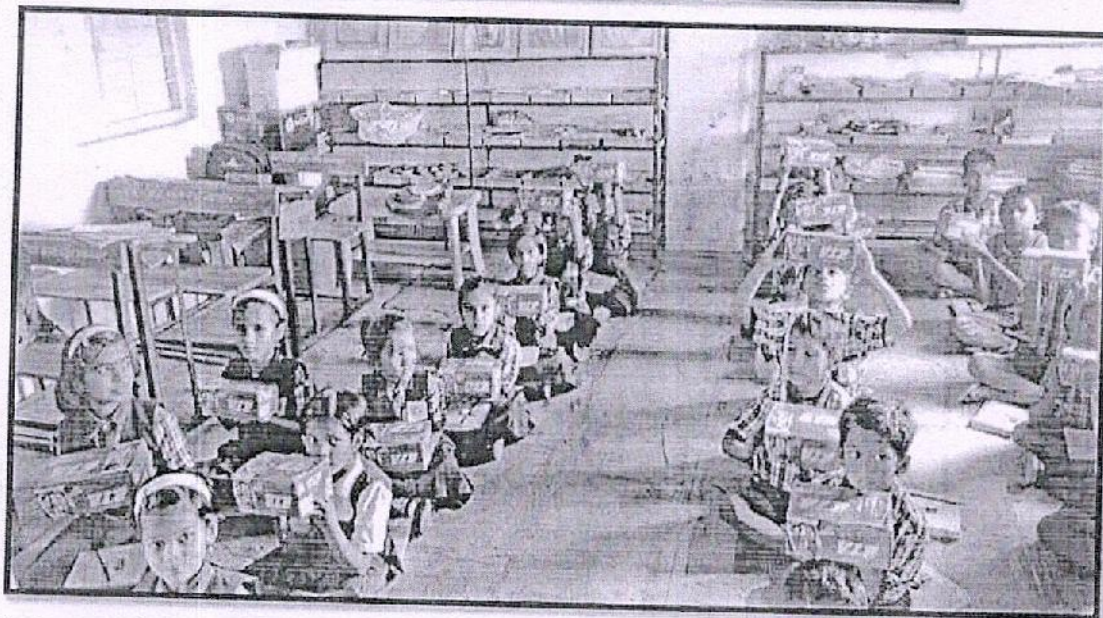

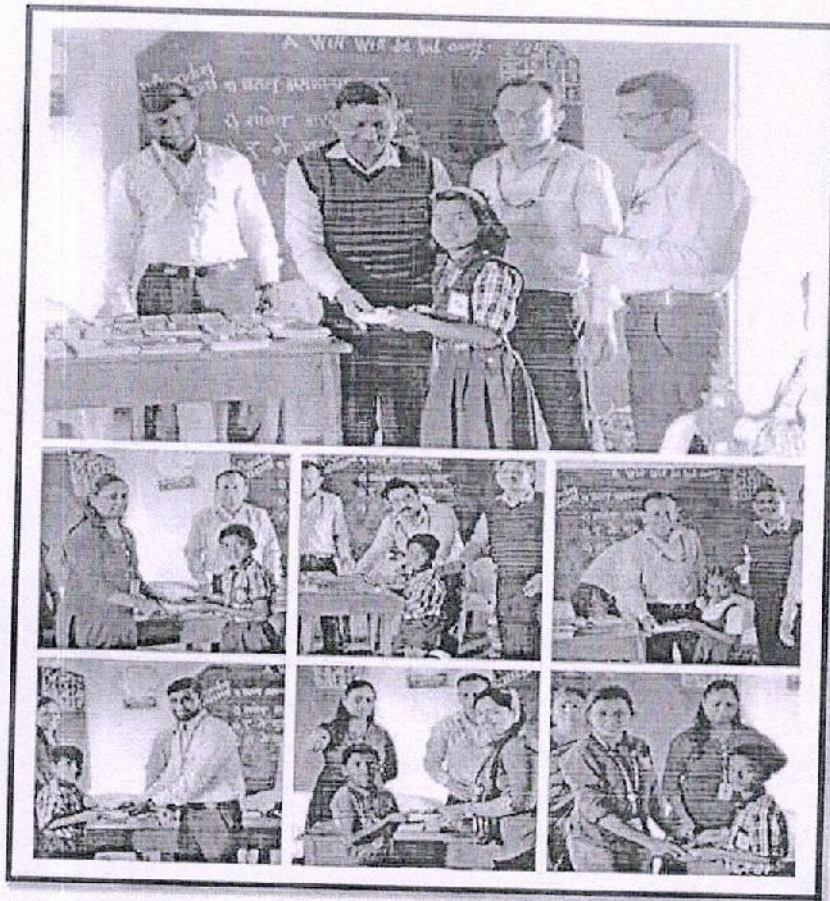

Then we had an interactive session with them. We asked each one of them what they want to be?? Children were having different answers some wanted to become a Farmer, Doctor, Teacher, Solider, Police, Scientist, and many more

Then when we asked that why they want to choose this particular profession the answer that every child gave surprised us. They said "we want to help our parents in their work and want to serve the nation" Some students with an emotional said that they can't see their parents working so hard hence they want to make a robot just to help their parents in work.

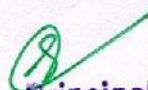

We wished Good luck to all them for their ambitions.
Every student was very happy after receiving all these.

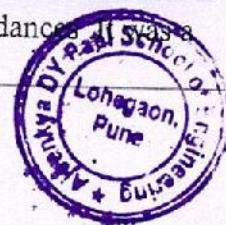

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

Later we played different games with them. Children also performed dance with great pleasure to get associated in this endeavor.

Special Camp Report 2019-20

Dr. D.Y. Patil School of Engineering, Lohegaon

NSS Camp held at – Dehugaon, Pune

From 18th February 2020 to 24th February 2020

491

Report on NSS Special Camp held at Dehugaon

The students of Dr. D.Y Patil School of Engineering participated in the N.S.S Special Camp at the village Dehugaon from 18th February to 24th February 2020. The number of students from DYP SOE participated in the camp were 28 along with 3 faculty members and 1 technical assistant. The camp created awareness on various issues like- Swachh Bharat Abhiyaan, Cleaning & De-silting of Rivers, Importance of education, save girl child, tree plantation and educate girl child, Seminar on Environment ,women empowerment and save water through street plays at various schools, Mandir and different places of Dehugaon.

DAY- 0 ARRIVALS AT BHAKT NIWAS, DEHUGAON: DATE: 17TH February 2020

All the students arrived at Bhakti Niwas, Dehugaon on the evening of 17th february 2020. First thing students did was cleaning the Niwas i.e. place of stay and other miscellaneous things.

[illegible]

Invitation & Schedule of Camp

DAY-1 INAUGURATION: DATE: 18TH FEBRUARY 2020

The day kick started with a lot of enthusiasm and a spirit of team work rose in everyone's heart. NSS students performed skit at premises of Bhakt Niwas. A Rally was taken out in

the village for awareness of NSS Camp at Dehugaon. The inauguration took place in the presence of Sabhapati of Panchayat samithi and senior Panchayat members of the village. Students performed a skit on "save environment".

DAY 2: RIVER SIDE AREA CLEANING DATE: 19th FEBRUARY 2020

All the students took out a rally in the Dehugaon village to create awareness amongst people on several issues. We then moved on to start Cleaning of Indrayani River side area which flows through the village. This was done as part of "Shramdan" and on request from Panchayat members and villagers. The NSS team comprising of students and faculty members cleaned River from 8:30 am till 12:30 pm. Every day in the afternoon, seminar was organized on various issues for students. Prof. Pradeep Patil addressed students on "Samarth Bharat". In the evening, cultural performances by students were organized.

495

DAY 3: VILLAGE CLEANING Date: 20th February 2020

Day 3 at Dehugaon village started with a great josh and courage in the very blood and bones of volunteers. We again performed Shramdan for 3rd consecutive day at village in the morning. In evening census of houses in villages was done and various information from villagers was gathered and compiled. In the afternoon, a seminar on Swacha nharat abhiyan was organized at Bhakt Niwas. India is a vast country, despite getting independence some 50 years ago, our country remains backward in many key fields. The NSS team on Day 3 imparted knowledge to the villagers about necessity of education, its advantages. Awareness regarding importance of cleanliness & hygiene was also done at same time. Villagers were made aware on spread of diseases due to lack of cleanliness. It left a long lasting impression on people's mind regarding hygiene & cleanliness.

DAY 6: TREE PLANTATION AND PREPARATION FOR CULTURAL Date: 23th February 2020

The day started with exercise & yoga in morning. In evening, a cultural performance was organized for villagers in Mandir premises. It lasted for about 3 hours. The theme of cultural evening was "Unity in Diversity". Students performed dance, skit and showcased stellar performances to the villagers. The villagers were amazed to see the performances and appreciated their hard work in this regard.

The NSS unit of the institute had organized Tree Plantation on 23rd February, 2019 at Vitthal nagar Dehugaon. The Volunteers first of all took all the saplings to the Malhargad. Then Mr. Somnath Masudage social worker addressed the volunteers about the role of trees in human life. He also mentioned that we should take utmost care of environment.

The volunteers planted desi trees. These trees include Neem, Pimple, Banyan Tree, Tamradus Indica etc. Some volunteers were assigned the task to give water and some were digging to plant trees.

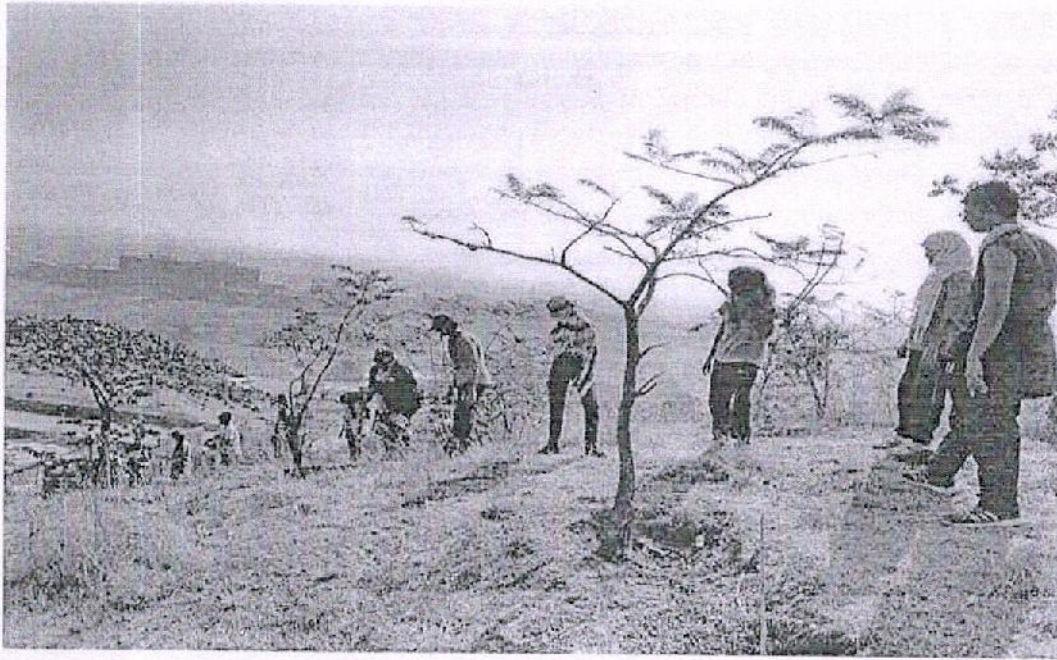

Volunteers planted 100 trees from 9.00 am to 5.00 pm. Mr. Somnath Masudage Social Worker and Prof. Sachin Jadhav Program Officer NSS were present for the same.

Report on Tree Plantation on the Occasion of Chairman Sir's Birthday
On 22nd December, 2019

Event Report on "Tree Plantation"

Dr. D Y Patil School of Engineering Lohegaon undertook the planting of trees near the campus on Sunday, 22nd December, 2019, on the occasion of our beloved chairman Dr Ajeenkya D Y Patil. This event was organized as part of our continuing efforts to raise the level of environmental awareness in the community.

On a beautiful sunny day, about 30 members of all age groups (Students, youth and adults) gathered near parking area to perform the tree planting. Our common goal was the greening of the community. By the end of the event, 10 saplings had been planted at planned location.

Planting of Trees

For the above Event, as per the Instructions of Hon' Chairman Dr. Ajeenkya D Y Patil, dignitaries from the D Y Patil Technical Campus marked their presence. Dr. E. B. Khedkar, Vice President of Ajeenkya D Y Patil Campus contributed wholeheartedly for the event. Dr. M. Z. Shaikh, Principal of Dr. D. Y. Patil School of Engineering and Heads of various departments also accorded the function.

Summary of Event:

Event Report on “Tree Plantation”

Dr. D Y Patil School of Engineering Lohegaon undertook the planting of trees near the college campus on Friday, 12 October 2018, to commemorate Vruksha Ugao, Jeevan Dilaao movement. This event was organized as part of our continuing efforts to raise the level of environmental awareness in the community and Institutional Campus to express the joy of being inspired by Sri Satya Sai Baba through an act of benevolence to the community.

On a beautiful sunny day, about 80 members of all age groups (Students, youth and adults) gathered near proposed Ganesh Temple to perform the tree planting. They enthusiastically rolled up their sleeves and joined for Tree plantation event. Our common goal was the greening of the community. By the end of the event, 10 saplings had been planted at planned location.

Preparing for the event

Considerable brainstorming and planning went into putting this event together and the plan has run smoothly without any hindrances. Essential items such as mulch, fencing for the plants, water transport containers and so on were procured ahead of time and distributed to the main venue on the day of the event. About 10 saplings were provided without cost by gardening department of DYPTC.

Planting of Trees

For the above Event, as per the Instructions of Hon' Chairman Dr. Ajeenkya D Y Patil, dignitaries from the D Y Patil Technical Campus marked their presence. Dr. E. B. Khedkar, Vice Chancellor of Ajeenkya D Y Patil University & Director DYPTC contributed wholeheartedly for the event. Prof. A. P. Deshmukh, Dean Academics of Dr. D. Y. Patil School of Engineering and Heads of various departments also accorded the function. Female faculties and students also contributed in the event as per the direction of Dr. E B Khedkar and Prof. A P Deshmukh.

Whole event was coordinated by Prof. Sachin Jadhav, NSS Programme Officer, Prof. V M Ghule, Prof. K S Marathe and Prof. V G Patil faculties of Mechanical Engineering Department of DYPSOE.

Summary of Event:

1. Date :12.10.2018
2. Samithi: Dr. D Y Patil School of Engineering Lohegaon.
3. Location: Near the college campus.
4. No. of Male :26

Event Report

Academic Year: 2018-19

Semester-I

Name of the event: **How to prepare for Testing Interview**

Date and Time	21/09/2018
Event Venue	Computer Department
Organized by	DYPSOE
Targeted Audience	Students and Staff
Resource Person	Bharati Mekala(Alumni)

Introduction:

The purpose of this alumni report is to provide an overview of interviews conducted with alumni who have pursued careers in the field of testing. The report aims to highlight their experiences, insights, and advice regarding testing interviews. The information gathered from these alumni can serve as a valuable resource for current and future job seekers in the testing industry.

Methodology:

To gather data for this report, alumni from various organizations and industries were contacted through professional networking platforms and alumni networks. A structured questionnaire was administered to collect information about their testing interview experiences. The respondents were asked about the types of interviews they faced, common interview questions, technical and non-technical skills assessed, and any tips they could share.

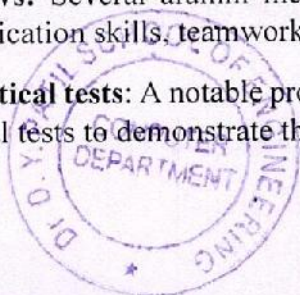

Key Findings:

Types of Interviews:

Technical interviews: The majority of alumni reported encountering technical interviews that focused on assessing their knowledge of testing methodologies, tools, and frameworks.

Behavioural interviews: Several alumni mentioned undergoing behavioural interviews to evaluate their communication skills, teamwork abilities, and problem-solving approach.

Case studies and practical tests: A notable proportion of alumni revealed that they were given case studies or practical tests to demonstrate their hands-on testing skills.

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

Common Interview Questions:

Testing methodologies and approaches: Alumni reported being asked about different testing methodologies such as black-box testing, white-box testing, and regression testing. Questions regarding test case design and execution were also prevalent.

Test automation: Many alumni mentioned facing questions related to test automation frameworks, tools, and their experience in writing automated test scripts.

Defect management: Some alumni shared that interviewers inquired about their knowledge of defect tracking systems, bug reporting, and the process of defect lifecycle management.

Collaboration and communication: A significant number of alumni were asked about their experience working in cross-functional teams, communication strategies with stakeholders, and conflict resolution.

Technical and Non-Technical Skills Assessed:

Technical skills: Alumni emphasized the importance of strong knowledge in testing fundamentals, test design techniques, test execution, and experience with testing tools and frameworks.

Analytical and problem-solving skills: The ability to analyse complex scenarios, identify potential issues, and propose effective solutions was frequently assessed.

Communication skills: Effective verbal and written communication skills were considered crucial, as testing professionals often collaborate with various stakeholders.

Adaptability and learning mind set: Alumni mentioned that interviewers looked for candidates who exhibited a willingness to learn, adapt to new technologies, and stay updated with industry trends.

Tips for Testing Interviews:

Prepare thoroughly: Focus on testing concepts, methodologies, and industry best practices. Review common interview questions and practice articulating your answers.

Showcase practical experience: Highlight your hands-on experience with different testing tools, frameworks, and projects you have worked on.

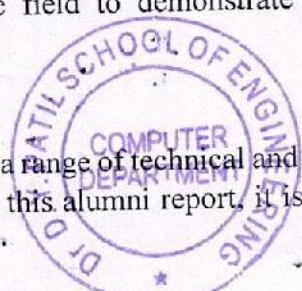

Communicate effectively: Emphasize your ability to convey complex ideas in a clear and concise manner. Practice explaining technical concepts to non-technical individuals.

Demonstrate problem-solving skills: Be prepared to tackle hypothetical scenarios or case studies, showcasing your analytical thinking and problem-solving abilities.

Stay updated with industry trends: Stay informed about emerging technologies, testing frameworks, and advancements in the field to demonstrate your passion for continuous learning.

Conclusion:

Testing interviews typically encompass a range of technical and non-technical aspects to assess the capabilities of candidates. Through this alumni report, it is evident that a combination of

Principal
Ajeenkya DY Patil School of
Engineering, Lohegaon, Pune

technical knowledge, problem-solving skills, effective communication, and a learning mindset are vital for success in testing interviews. By incorporating the advice and insights shared by the alumni, aspiring testers can enhance their preparedness and confidence when facing interviews in the field of testing.

ACE Event Report

Name of the Event: Interaction of Alumni Student

Date: 04/01/19, Friday

Students: 40 Students of TE

Report:

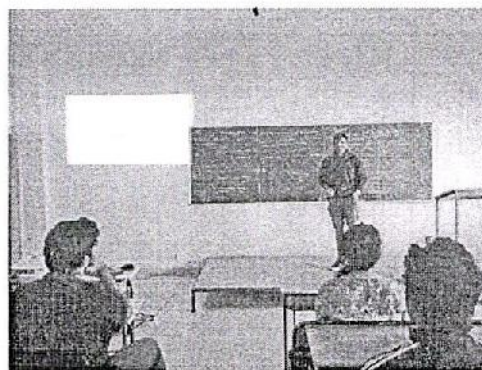

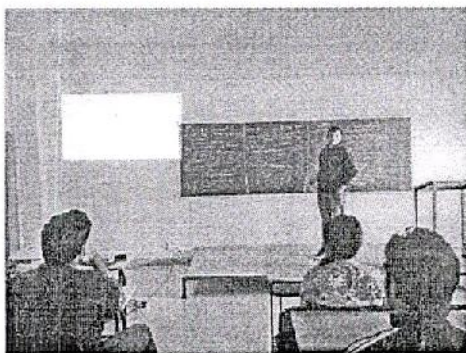

An Interaction of Alumni Student of 2016 Batch- Ashwath Kumar was organized for TE Computer Engineering Students on 4th January 2019.

He was an Academic Topper, ACE President and Receiver of Best Student Award for 2016 Batch. He is presently working as Data Analyst and Researcher in Ireland.

He shared his experiences during the journey from Student to Professional. He explained to students how to prepare for Interviews, Industry Expectations from Students, importance of Aptitude, Group Discussions etc. He also delivered a presentation on latest trends in Design and Analysis of Algorithms- Evolutionary Algorithms, Genetic Algorithms, Simulated Annealing, Tabu Search etc.

Students were strongly motivated by his experiences. His session was extremely valuable and informative to students. The session was followed by students queries. 40 Students of TE Computer Engineering attended this session.

Subject: Request for permission to organize the "Senior Junior Interaction on the topic of Placement"

Respected Madam,

Electronics and Telecommunication Engineering Students Association (EESA) would like to arrange the "Senior Junior Interaction on the topic of Placement" In which Students from Last year who are placed in different companies like to share their experience of placement, about preparation for same, etc.

The interaction session will be scheduled for second year, Third Year and Final Year students between 1.30pm to 3.30 pm. dated January 17, 2019

I request you to give the permission to organize this event.

Thanking You,

Yours Faithfully,

Organized by	E&Tc department EESA cell
Targeted Audience	TE, BE Students
Resource Person	Mr. Arun Pande

Event Contents:

1. Discussion with Alumni and Students

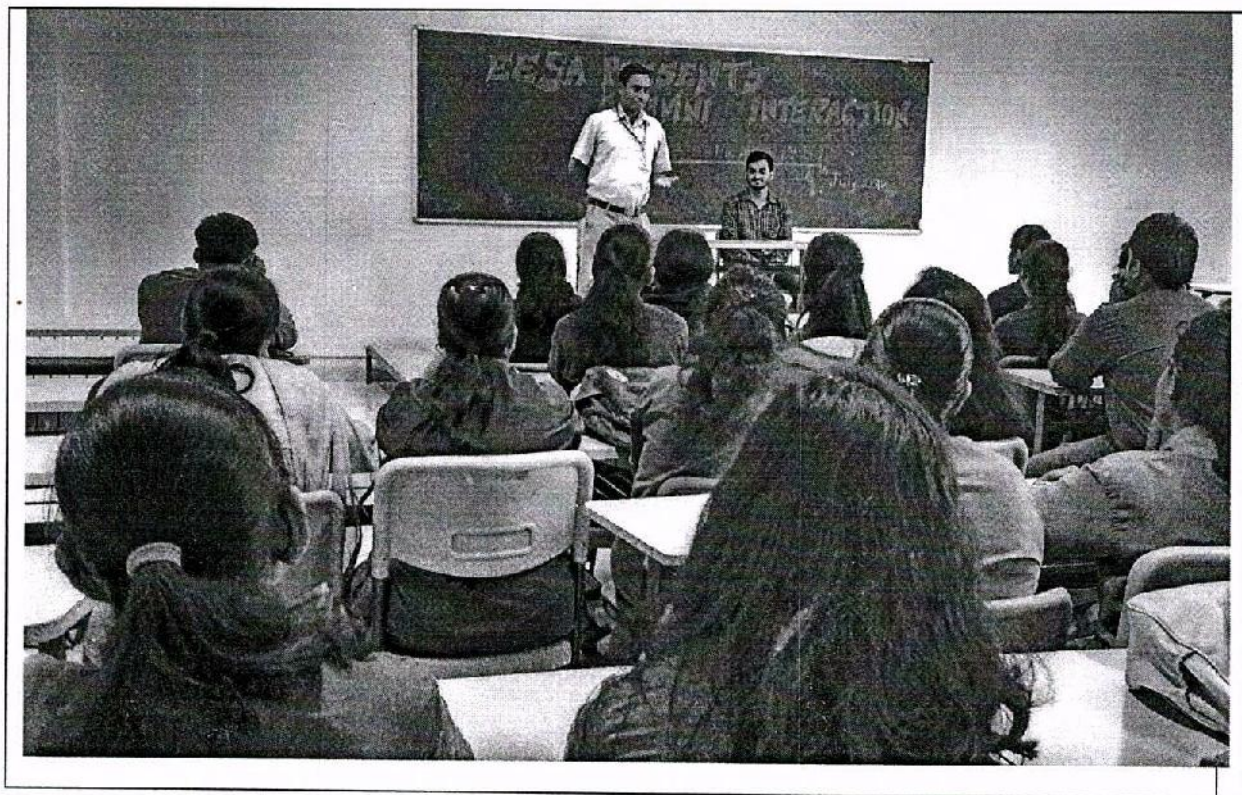

Details of the event:

Mr. Arun Pande has passed out from D. Y. Patil School of Engineering in 2018. Currently he is working in Intuple Company. He addressed the students about jobs in VLSI domain. Also he addressed the students how to face an Interview. Furthermore he shared his experience of his personnel interview. He introduced about the NEPTEL courses for VLSI back end jobs. According to his observations students should concentrate on basics of the subject to get successful future in any field.

Name of the event: NSS Rally for Water Conservation Awareness

Date and Time	14/09/2018
Event Venue	Lohegaon
Organized by	NSS Unit
Targeted Audience	Lohegaon people from all walks of life
Resource Person	NSS Unit

Details of the event:

The NSS Unit of Dr. D Y Patil School of Engineering in Lohegaon organized an awareness rally on water conservation and use on 13th September 2018. The objective of the event was to educate the community about the importance of water conservation, sustainable water usage, and the need to protect this vital natural resource. The event aimed to create awareness and motivate individuals to adopt responsible water practices. The event organizers had meticulously planned the route, ensuring maximum visibility and participation from the community. The rally featured a variety of activities to engage participants and raise awareness about water conservation. Participants carried vibrant banners and posters displaying catchy slogans and messages promoting water conservation. The posters highlighted the importance of saving water and the consequences of its wastage.

The rally successfully drew the attention of the community, generating widespread awareness about water conservation and use. The vibrant slogans, engaging street play, and interactive sessions made a significant impact on the participants. The local residents and passersby actively participated in the event and expressed their commitment to adopting water-saving practices in their daily lives.

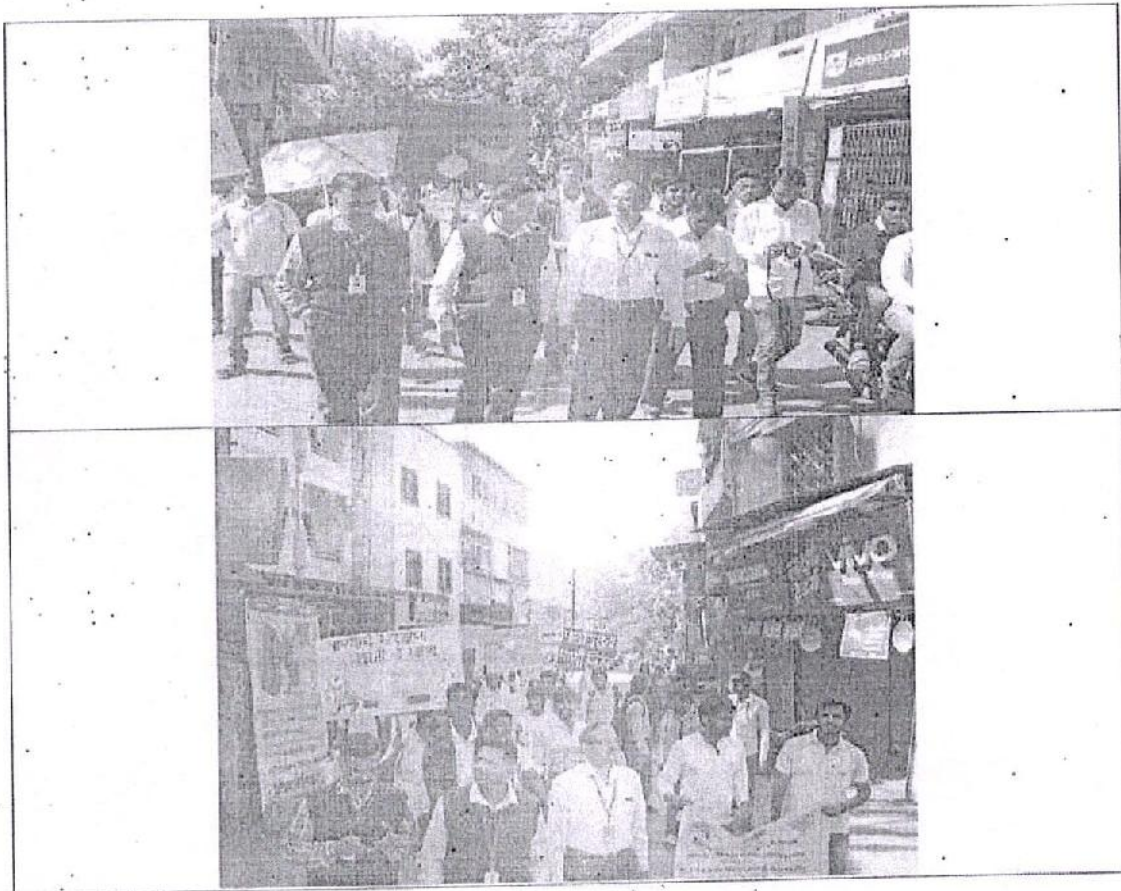

1

Principal
Ajaykumar D. Patil School of
Engineering

The NSS Unit of Dr. D Y Patil School of Engineering's awareness rally on water conservation and use was a resounding success. It effectively disseminated knowledge about the importance of water conservation, garnered community support, and encouraged individuals to make conscious efforts to conserve water. The event played a vital role in promoting sustainable water management practices and creating a sense of responsibility among the participants and the wider community. Through such initiatives, we can collectively work towards preserving this precious resource for future generations.

Name of the event: NSS Unit Cleanliness Rally & Street Play

Date and Time	13/09/2018
Event Venue	Lohegaon
Organized by	NSS Unit
Targeted Audience	Lohegaon people
Resource Person	NSS Unit

Details of the event:

On 13th September 2018, the NSS (National Service Scheme) unit of Dr. D Y Patil School of Engineering organized a cleanliness rally and street play event in Lohegaon. The objective of the event was to promote cleanliness awareness among students and the local community.

The event commenced with a cleanliness rally led by the NSS volunteers. Students, faculty members, and local residents actively participated in the rally, carrying placards and banners with slogans promoting cleanliness and sanitation. The rally aimed to create awareness about the importance of keeping our surroundings clean and maintaining good hygiene practices.

Following the rally, a captivating street play was performed by the NSS volunteers. The play revolved around the theme of cleanliness and portrayed various scenarios highlighting the consequences of unhygienic practices. It emphasized the need for a clean and healthy environment for the overall well-being of society. The play successfully engaged the audience and conveyed the message effectively.

After the street play, interactive sessions were conducted by the NSS volunteers. They engaged with the audience, answered questions, and provided practical tips on waste management,

 Engineering, Lohegaon, Pune

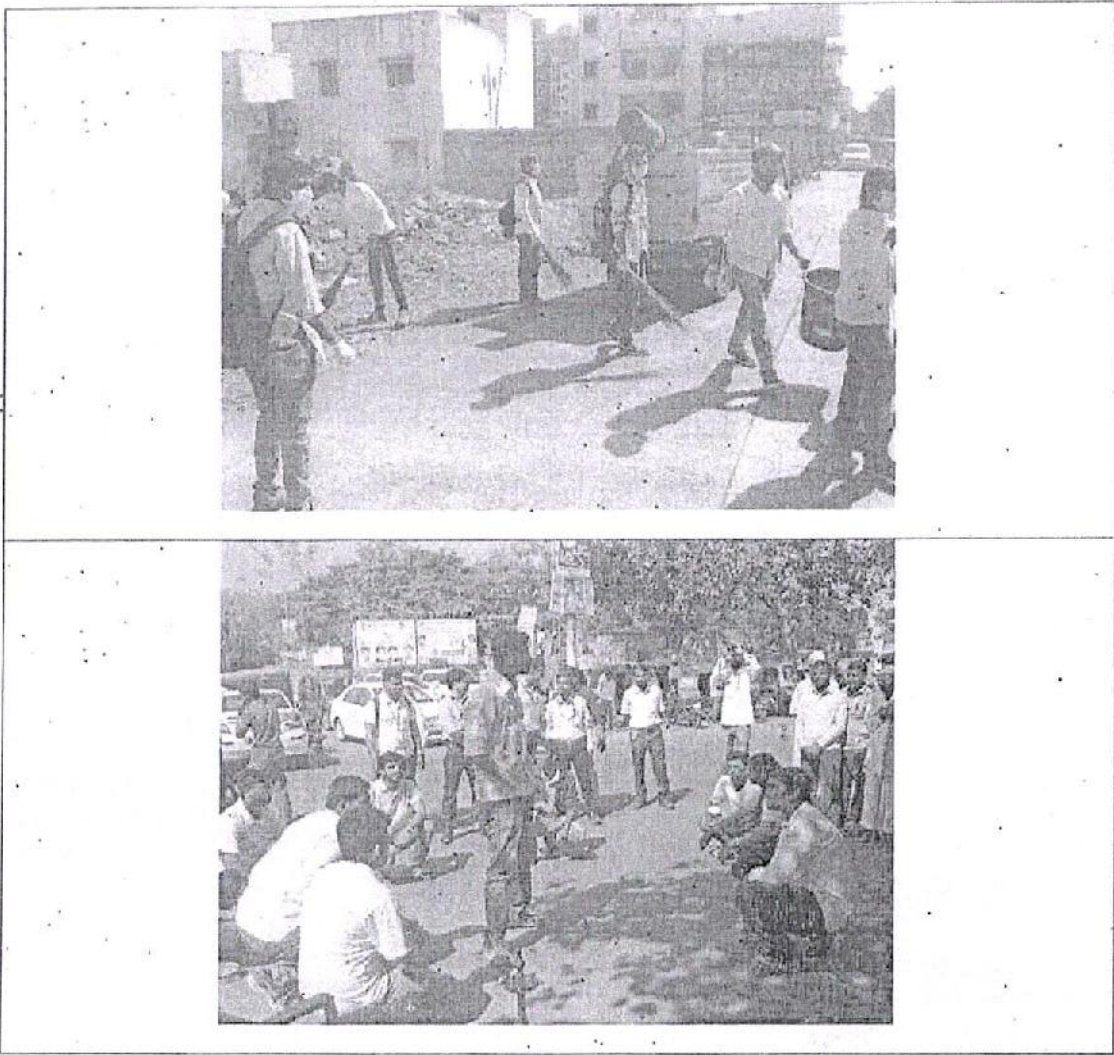

recycling, and personal hygiene. The sessions encouraged participants to actively contribute to maintaining cleanliness in their homes, schools, and neighborhoods.

The cleanliness rally and street play event organized by the NSS unit of Dr. D Y Patil School of Engineering at Lohegaon on 13th September 2018 were highly successful in promoting cleanliness awareness among students and the local community. The event successfully conveyed the message of maintaining cleanliness and hygiene through various engaging activities such as the rally, street play, interactive sessions, and the cleanliness drive. It is hoped that such initiatives will continue to inspire individuals to take responsibility for keeping their surroundings clean and contribute to the betterment of society as a whole.

Semester-II

Name of the event: NSS Unit Rally on the topic of "Education Awareness Rally"

Date and Time	12/09/2018
Event Venue	Lohegaon
Organized by	NSS Unit
Targeted Audience	Lohegaon people
Resource Person	NSS Unit

Details of the event:

The NSS (National Service Scheme) unit of Dr. D Y Patil School of Engineering organized an Education Awareness Rally on 12th September 2018 in Lohegaon. The primary objective of the rally was to raise awareness about the importance of education and promote the need for equal access to education among the local community. The Education Awareness Rally commenced at 10:00 AM from the Dr. D Y Patil School of Engineering premises. A total of 50 enthusiastic NSS volunteers, including students participated in the rally. The rally route covered key areas within Lohegaon, including the main market, residential neighborhoods, and Bus Station. The carefully planned route aimed to maximize visibility and engagement with the local residents.

Sloganeering: The NSS volunteers carried placards and banners with powerful slogans highlighting the significance of education. They chanted motivating slogans throughout the rally to attract attention and convey the message effectively.

Interaction with the Community: The NSS volunteers actively engaged with the local community, interacting with residents, shopkeepers, and pedestrians. They initiated conversations about the importance of education, answered queries, and shared success stories to inspire individuals to pursue education.

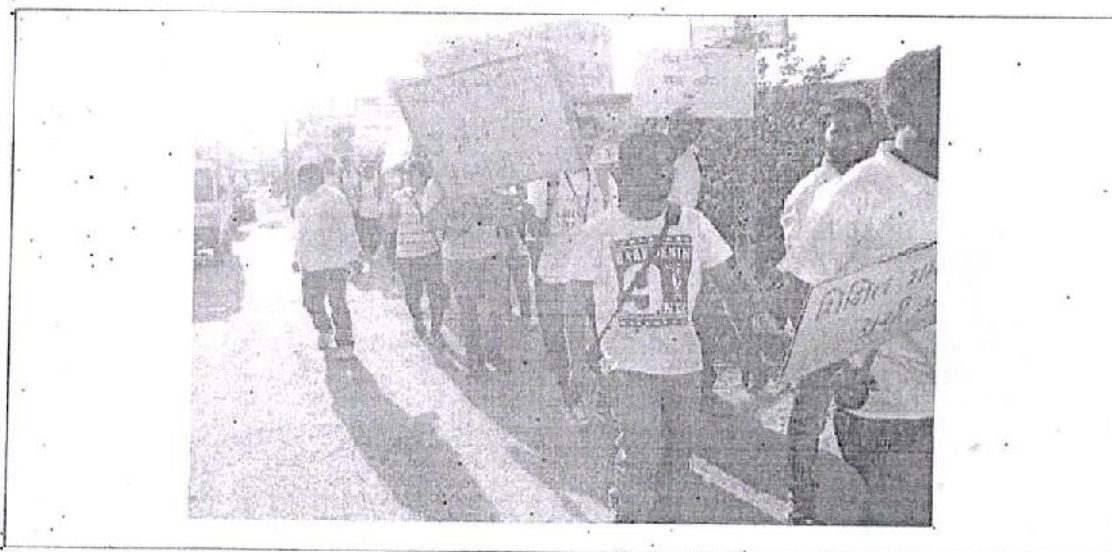

Principal
Ajeenkya DY Patil School of Engineering, Lohegaon, Pune

The Education Awareness Rally received significant support and collaboration from various stakeholders. The local administration extended their cooperation by providing necessary permissions for conducting the event. The local police department ensured the safety of the participants and managed traffic during the rally. Moreover, local NGOs and educational institutions actively supported the initiative by contributing to the resources and spreading the word. The Education Awareness Rally organized by the NSS Unit of Dr. D Y Patil School of Engineering in Lohegaon was a resounding success. The event effectively conveyed the importance of education and stimulated the community's interest in acquiring knowledge. The rally provided an opportunity for direct interaction with the local population, enabling the NSS volunteers to address their concerns and motivate them towards pursuing education.

The efforts made during the rally are expected to have a long-term impact on the community by inspiring individuals to value education and seek equal educational opportunities. It is anticipated that this initiative will contribute to the overall development and upliftment of the society. Overall, the Education Awareness Rally achieved its objective of raising awareness about education and garnered significant support from the community. The NSS unit of Dr. D Y Patil School of Engineering can be commended for their commitment and dedication in organizing such a meaningful event.

Event Report on "Tree Plantation"

Dr. D Y Patil School of Engineering Lohegaon undertook the planting of trees near the college campus on Friday, 12 October 2018, to commemorate Vruksha Ugao, Jeevan Dilao movement. This event was organized as part of our continuing efforts to raise the level of environmental awareness in the community and Institutional Campus to express the joy of being inspired by Sri Satya Sai Baba through an act of benevolence to the community.

On a beautiful sunny day, about 80 members of all age groups (Students, youth and adults) gathered near proposed Ganesh Temple to perform the tree planting. They enthusiastically rolled up their sleeves and joined for Tree plantation event. Our common goal was the greening of the community. By the end of the event, 10 saplings had been planted at planned location.

Preparing for the event

Considerable brainstorming and planning went into putting this event together and the plan has run smoothly without any hindrances. Essential items such as mulch, fencing for the plants, water transport containers and so on were procured ahead of time and distributed to the main venue on the day of the event. About 10 saplings were provided without cost by gardening department of DYPTC.

Planting of Trees

For the above Event, as per the Instructions of Hon' Chairman Dr. Ajeenkya D Y Patil, dignitaries from the D Y Patil Technical Campus marked their presence. Dr. E. B. Khedkar, Vice Chancellor of Ajeenkya D Y Patil University & Director DYPTC contributed wholeheartedly for the event. Prof. A. P. Deshmukh, Dean Academics of Dr. D. Y. Patil School of Engineering and Heads of various departments also accorded the function. Female faculties and students also contributed in the event as per the direction of Dr. E B Khedkar and Prof. A P Deshmukh.

Whole event was coordinated by Prof. Sachin Jadhav, NSS Programme Officer, Prof. V M Ghule, Prof. K S Marathe and Prof. V G Patil faculties of Mechanical Engineering Department of DYP SOE.

Summary of Event:

1. Date :12.10.2018
2. Samithi: Dr. D Y Patil School of Engineering Lohegaon.
3. Location: Near the college campus.
4. No. of Male :26
5. No. of Male Youth:41
6. No. of Mahila :16
7. No. of Hours: 6 hrs.
8. Brief Description of Seva: Tree plantation.
